Central Bank of Ireland Issues Warning on Unauthorised Firm – Swift Finances / Swift Finance UK (Clone)

The Central Bank of Ireland ('Central Bank') today, 12 February 2021, published the name of an unauthorised firm, **Swift Finances / Swift Finance UK (Clone) (United Kingdom)** – www.swiftfinances.co.uk (no longer operational) in order to warn the public that it is **not authorised by the Central Bank to provide financial services**.

Swift Finances / Swift Finance UK is advertising loans on its website but it holds no authorisation from the Central Bank as a Retail Credit firm or a Moneylender.

The unauthorised **Swift Finances / Swift Finance UK** has also cloned the name of a firm authorised by the Financial Conduct Authority (FCA) in the United Kingdom. It should be noted that there is no connection whatsoever between the unauthorised entity **Swift Finances / Swift Finance UK**, operating the website www.swiftfinances.co.uk, and the FCA authorised firm, whose details have been cloned.

A list of unauthorised firms published to date is available on the Central Bank [website](#).

It is a criminal offence for an unauthorised firm / person to provide financial services in Ireland that would require an authorisation under the relevant legislation, which the Central Bank is the responsible body for enforcing. Consumers should check the Central Bank registers online to find out if a firm / person they are dealing with is authorised. Consumers should be wary of advertisements offering loans from unauthorised firms or persons.

There are some general steps that individuals should take before dealing with firms / persons which purport to offer financial services:

- If you are buying a financial product such as a loan, insurance, investment or pension, or engaging a financial service such as investment advice, only deal with a Central Bank

authorised firm / person – [check our Register](#) to see if the firm / person is registered. Always access the Register from our website, rather than through links in emails or on a firm's / person's website.

- Always double-check the URL and contact details of a firm / person in case it is a 'clone firm / person' pretending to be an authorised firm / person, such as your bank or a genuine investment firm.
- Check the [list of unauthorised firms](#). If the firm / person is not on our list, do not assume it is legitimate – it may not have been reported to the Central Bank yet.

Any person wishing to contact the Central Bank with information regarding such firms / persons may telephone (01) 224 4000. This line is also available to the public to check if a firm is authorised.
