Delegate to the Board of Directors, in accordance with the provisions of Article 297.1.b) of the consolidated text of the Spanish Corporation Act (Ley de Sociedades de Capital), approved by Legislative Royal Decree 1/2010 of 2 July 2010 (the "Corporations Act"), the authority to increase, on one or more occasions, the share capital of the Company by a maximum amount of up to 50% of the capital at the date of this authorisation, without the need for subsequent call or resolution of a General Meeting.

Such capital increase or increases, if any, as may be resolved must be implemented within a maximum period of five (5) years from the date this resolution is approved by the General Meeting.

The aforesaid increase or increases of share capital may be undertaken with or without an issue premium, either by increasing the par value of the existing shares in accordance with the requirements contemplated by Law, or by the issue of new shares, ordinary or preferred, with or without votes right, or redeemable shares, or any others permissible in Law, or multiple forms at the same time, the consideration for the new shares or the increase of the par value of the existing shares being cash contributions.

It is also resolved to authorise the Board of Directors so that, in all matters not provided for, it may fix the terms and conditions of the increases of share capital and the characteristics of the shares, as well as offer the new shares not subscribed within the term or terms for exercise of preferential subscription rights without any restriction. The Board of Directors also may establish that, in the event of incomplete subscription, the share capital will be increased only by the amount of the subscriptions made, redrafting the corresponding article of the Bylaws related to share capital and the number of shares.

The amount available from time to time of the maximum amount referred to above will be deemed to include the amount of such capital increases as may be made for the purpose of covering conversion of debentures, by resolution of the Board of Directors in exercise of the authority delegated by the General Meeting of the Company.

By virtue of this authorisation, the Board of Directors also is authorised to seek admission to trading on secondary markets, official or not, organised or over the counter, in or out of Spain, of the shares issued by virtue of this authorisation, and take the steps and actions necessary to obtain such admission to trading before the competent authorities of the various securities markets.

The Board of Directors is expressly given the authority to disapply the right of preferential subscription, in whole or in part, up to a combined maximum nominal amount equal to 20% of the share capital as at the time of the authorisation in relation to all or any of the issues it resolves on the basis of this authorisation, in accordance with the provisions of Article 506 of the Corporations Act, also including disapplication of preferential subscription rights within the context of issue of securities under the following point of the Agenda.

In any event, if the Board decides to disapply preferential subscription rights regarding any or all of the aforesaid capital increases, it will issue at the time of adopting the corresponding resolution to increase capital a report stating the specific reasons in the Company's interest justifying that measure, which will be subject to the corresponding report of an independent expert other than the statutory auditor. Said reports will be made available to shareholders and communicated to the first General Meeting held after the issue resolution.

The Board of Directors is authorised to delegate to such Director or Directors as it deems to be appropriate the authority granted by virtue of this resolution in accordance with the provisions of Article 249.bis l) of the Corporations Act.

It also is resolved to authorise the Board of Directors, as amply legally possible, with authority to delegate this power to any of the directors of Bankia, so that any of them, without distinction, may take such actions as may be necessary and grant and formalise such documents and contracts, public or private, as may be necessary or appropriate for full effectiveness of the foregoing resolutions, as regards any aspects or content thereof, in particular to correct, clarify, interpret, complete, specify and implement the resolutions adopted; and also to cure such defects, omissions and errors as may be found in the verbal or written review of the Commercial Registry, all of the foregoing on the broadest terms possible.

It is noted that the relevant report of the directors explaining the reasons for the proposed authorisation to increase share capital has been made available to the shareholders.

This delegation of authority to the Board of Directors replaces the delegation granted by the General Meeting of Shareholders of the Company held on 22 March 2019, which will therefore be rendered void.

**5. Delegation to the Board of Directors of the authority to issue, one or more times, within a maximum term of five years, securities convertible into and/or exchangeable for shares of the Company, as well as warrants or other similar securities that may directly or indirectly entitle the holder to subscribe for or acquire shares of the Company, for an aggregate amount of up to one billion five hundred million (1,500,000,000) euros; as well as the authority to increase the share capital in the requisite amount, and the authority, if applicable, to disapply preferential subscription rights up to a maximum of 20% of share capital, annulling the delegation of authority conferred at the previous General Meeting.**

To authorise the Board of Directors in accordance with the general scheme for issue of debentures and under the provisions of Articles 286, 297, 401, 417 and 511 of the Corporations Act and 319 of the Commercial Registry Regulations, as well as in Articles 13, 17, 18 and 21 of the Bylaws, to issue negotiable securities in accordance with the following terms:

- a. Securities to be issued.- Debentures and bonds exchangeable for shares of Bankia or any other company, whether or not a member of its Group, and/or convertible into shares of Bankia, as well as warrants (options to subscribe new shares of Bankia or acquire existing shares of Bankia or of any other company, whether or not a member of its Group), or other comparable securities that may entitle, directly or indirectly, the acquisition of shares of the Company.
- b. Term of the delegation.- The issuance of the securities under this authorisation may be carried out in one or more issues within a maximum term of five years reckoned from the date this resolution is adopted.
- c. Maximum amount. The total maximum amount of the issue or issues of securities will be one billion five hundred million (1,500,000,000) euros or its equivalent in other currencies. For purposes of calculation of the aforesaid maximum, in the case of warrants the sum of premiums and exercise prices of the warrants of the issues resolved under this delegation will be taken into account.
- d. Scope of the delegation. The Board of Directors, under the authorisation approved in this resolution, will have authority, by way of illustration and without limitation, to determine for each issue the amount, subject to the aforesaid overall quantitative limit, the place of issue, in or out of Spain, and the currency, with the euro equivalent thereof in the case of foreign-denominated issues; the name or type, whether bonds (bonos) or debentures (obligaciones), including subordinated instruments, warrants (which may be settled by physical delivery of shares or for cash differences), or any other legally admissible type; the issue date or dates; the number of securities and their par value, which in the case of convertible and/or exchangeable bonds or debentures cannot be less than the nominal value of the shares; in the case of warrants and comparable securities, the issue price and/or premium, the exercise price—which may be fixed or variable—and the procedure, time frame and other conditions governing exercise of the subscription right for the underlying shares or, if applicable, the disapplication of said right; the fixed or variable interest rate, dates and procedures for coupon payments, including the possibility of linking the remuneration to the trading price of the Company's shares or any other indices or

parameters; whether they are perpetual or redeemable, and, in the case of the latter, the 5 types and timing of redemption and date or dates of maturity; the events of conversion. In particular, whether the conversion is on a mandatory or voluntary basis, and if voluntary, at the option of the holder or of the Issuer; the possibility of the securities being additionally or alternatively exchangeable for outstanding shares of the Company or settled by cash differences; the guarantees, redemption rates, premiums and bonuses; the form of representation, whether certificates or book entries; the anti-dilution clauses; the rules for exercising or disapplying the preferential subscription right of the shareholders and, in general the securities subscription and payment rules; the rank of securities and any subordination clauses; the law applicable to the issue; to request, if applicable, to have the issued securities admitted to trading on secondary markets, official or unofficial, organised or over the counter, in or out of Spain, subject to the pertinent legal requirements that apply in each case; and, in general, any other condition of the issue, and, if applicable, appoint the commissioner of the syndicate of holders of the securities issued and approve the fundamental rules that will govern legal relationships between Bankia and the syndicate, if required or if it is decided to form said syndicate.

Likewise, the Board of Directors is empowered, when deemed appropriate, and subject to obtaining the applicable approvals and resolution from the assemblies of the relevant syndicates of securities holders, to modify the conditions of the redemption of the issued fixed income securities and their respective maturities and interest rates, which, where appropriate, result from each of the issues carried out under this authorisation.

- e. Bases for and forms of conversion and/or exchange.- For issues of convertible and/or exchangeable bonds or debentures, for purposes of determination the terms and methods of the conversion and/or exchange, it is resolved to establish the following criteria be applied:
- (i) The securities issued under this resolution will be exchangeable for shares of Bankia or any other company, whether or not a member of its Group, and/or convertible into shares of Bankia, using a determined or determinable fixed or variable conversion and/or exchange ratio, the Board of Directors being authorised to determine whether they are convertible and/or exchangeable, and to determine if they are convertible and/or exchangeable, including of a contingent nature, on a mandatory or voluntary basis, and if voluntary, at the option of the holder or Bankia, with the regularity and over the term established in the issue resolution, which may not exceed thirty (30) years after the issue date. The aforesaid time will not apply to perpetual securities.
  - (ii) The Board may also decide, in the event that an issue is convertible and exchangeable, that the issuer reserves the right to choose at any time between a conversion to new shares or their exchange for outstanding Bankia shares, specifying the nature of the shares to be delivered when executing the conversion or exchange, and may also choose to deliver a combination of newly issued shares and pre-existing Bankia shares, and may also opt to settle the difference in cash. In any event, the issuer must respect the principle of equal treatment among all fixed income securities holders who convert and/or exchange their securities on the same date.
  - (iii) For purposes of the conversion and/or exchange, the securities will be measured at their par value and the shares at the fixed exchange rate established in the Board of Directors resolution approved under this authorisation, or at the variable exchange rate to be determined on the date or dates indicated in the Board resolution itself, on the basis of stock market trading price of the Bankia shares on the date(s) or in the period(s) taken as reference in that resolution. In any event the fixed exchange ratio thus determined shall not be less than the average price of the shares in the

Continuous Market (*Mercado Continuo*) of Spanish stock exchanges on which the Bankia shares are traded, as per the closing prices, during a period to be determined by the Board of Directors of no longer than three months and no shorter than five calendar days preceding the date the Board of Directors adopts the resolution to issue the fixed-income securities or preceding the date on which the subscribers pay for the shares, with a premium or, if applicable, a discount on that price per share, although no discount fixed on the share price may be greater than 30% of the value of the shares taken as reference in accordance with the above. In addition, a minimum and/or maximum reference price may be set for the shares for purposes of their conversion and/or exchange, on the terms decided by the Board.

- (iv) It also may be resolved to issue the convertible and/or exchangeable fixed-income securities with a variable conversion or exchange ratio. In this case, the share price for the purposes of the conversion and/or exchange will be the arithmetic mean of the Bankia share closing prices in the Continuous Market during a period to be determined by the Board of Directors of no longer than three months and no shorter than five calendar days preceding the conversion and/or exchange date, with a premium or, if applicable, a discount on that price per share. The premium or discount may be different for each conversion and/or exchange date for each issue (or, if applicable, for each class of any issue), although no discount fixed on the share price may be greater than 30% of the value of the shares taken as reference in accordance with the above. In addition, a minimum and/or maximum reference price may be set for the shares for purposes of their conversion and/or exchange, on the terms decided by the Board.
- (v) At the time of the conversion and/or exchange, the fractions of shares payable to the holders of securities will by default be rounded down to the nearest whole number, and each holder, if so provided in the terms of the issue, will receive any resulting difference in cash.
- (vi) Under no circumstances may the value of the share used to calculate the conversion of securities into shares be lower than its nominal value. Likewise, and as provided in Article 415 of the Corporations Act, debentures may not be converted into shares when the nominal value of the debentures is lower than that of the shares.
- (vii) When an issue of convertible and/or exchangeable bonds or debentures is approved under the authorisation contained in this resolution, the Board of Directors will issue a directors' report explaining the terms and method of the conversion that will apply to that issue on the basis of the criteria indicated above. This report will be accompanied by the relevant report of the independent expert who is not Bankia's statutory auditor and who is appointed for this purpose by the Commercial Registry according to article 414 of the Corporations Act.

f. Terms and procedures for exercise of warrants and similar securities. In the case of issues of warrants, it is resolved to establish the following criteria:

- (i) Issues of warrants will be subject by analogy to the terms of the Corporations Act for convertible debentures. To determine the terms and procedures for their exercise, the Board of Directors is authorised to determine, on the broadest terms, the criteria to be applied to the exercise of the rights to subscribe or acquire shares of Bankia or of another company in or out of the Group, or a combination of any of the same, that derive from the securities of this kind issued under the authorisation granted here. Those issues will be subject to application of the criteria established in section e)

above, with the adaptations needed to make them compatible with the legal and financial rules for securities of this kind.

- (ii) The above criteria will be applicable, mutatis mutandis and insofar as they are applicable, to fixed income issues (or warrants) exchangeable for shares of other companies. Where applicable, references to Spanish stock exchanges will be understood to be made, where such is the case, to the markets where said shares are traded.
- g. This authorisation to the Board of Directors also includes, by way of illustration and without limitation, delegation to the Board of the following powers:
- (i) The authority of the Board of Directors, under the provisions of Article 511 of the Corporations Act together with Article 417 of that Act, to disapply the preferential subscription rights of shareholders, in whole or in part. If the issue of the convertible securities involves disapplication of the preferential subscription right of shareholders, the Company shall only issue convertible securities provided the capital increase required for their conversion, in aggregate with such increases as may have been approved under the other authorisations granted by the General Meeting, does not exceed 20% of the total share capital figure at the time of the authorisation. In this regard, both the capital increases under the preceding point of the Agenda and the issues of convertible securities in which there has been a disapplication of preferential subscription rights will be taken into account in the computation of this maximum. In any event, if the Board of Directors resolves to withdraw shareholders' preferential subscription rights on a specific issue of convertible debentures or bonds, warrants or other similar securities which it may eventually decide to carry out under the terms of this authorisation, it will, at the same time it approves the issue and pursuant to applicable legislation, issue a report detailing the specific reasons of corporate interest which justify said measure, which will be the subject of the pertinent report of the independent expert appointed by the Commercial Registry, other than Bankia's auditor, in accordance with Articles 414, 417 and 511 of the Corporations Act. Said reports would be made available to the shareholders and communicated to the first General Meeting held after the issue resolution.
  - (ii) The authority to increase the capital in the amount needed to execute the requests for conversion and/or exercise of share subscription rights. Said powers may only be exercised insofar as the Board, when calculating the sum of the capital increase to address the issue of convertible debentures, warrants and other similar securities and any other capital increases which may have been agreed pursuant to the approvals granted by this General Meeting of shareholders, does not exceed the limit of half of the total share capital at the time of the authorisation, as provided in Article 297.1.(b) of the Corporations Act. This authorisation to increase the capital includes the authority to issue and place in circulation, in one or more operations, the shares representing the capital that are needed to carry out the conversion and/or exercise of share subscription rights, as well as to amend the Bylaws article on the capital figure and, if applicable, to cancel that part of the capital increase that proves to not be necessary for the conversion and/or exercise of the share subscription rights.
  - (iii) The authority to develop and specify the bases for calculation and the formats for the conversion and/or exercise of preferential subscription rights and/or acquisition of shares, deriving from the securities to be issued, in accordance with the criteria listed in the foregoing paragraphs.

(iv) The delegation to the Board of Directors encompasses the broadest authority required by law for the interpretation, application, execution and development of the resolutions on the issuance of securities convertible into or exchangeable for shares of Bankia, on one or more occasions, and the accompanying capital increase, similarly granting it powers to correct or supplement them in any way required, as well as to comply with any requirements imposed by law to implement them successfully, being entitled to correct omissions or defects in said resolutions, identified by any authorities, officials or agencies, whether Spanish or foreign, also being authorised to adopt such resolutions and execute such public or private documents as may be deemed to be necessary or appropriate to adapt the foregoing resolutions on the issuance of convertible or exchangeable securities and the corresponding capital increase to the verbal or written review of the Commercial Registry, and, in general, of any other competent authorities, officials or institutions in or out of Spain.

h. Admission to trading. Authority is delegated to the Board of Directors of Bankia to apply, where appropriate, for admission to trading on official or unofficial secondary markets, organised or over the counter, in or out of Spain, for the convertible and/or exchangeable debentures and/or bonds or warrants issued by Bankia under this authorisation, with the Board of Directors being given powers as broad as legally required to carry out the formalities and actions needed for the admission to trading before the competent bodies for the various Spanish and foreign securities markets.

Authority is likewise delegated to the Board of Directors to apply for admission to trading of such new ordinary shares as may be issued to execute the conversion of the securities issued under this resolution on the Securities Exchanges or on any other markets in which the Company's shares are quoted at the time this resolution is executed, as well as their for inclusion in the Spanish stock market interconnection system (SIBE).

It is expressly placed on record that any possible subsequent application for delisting will be carried out with the same formalities as the application for admission to trading, insofar as they apply, and in such event the interests of the shareholders or debenture holders who voted against or did not vote on the resolution will be guaranteed on the terms provided by the applicable laws. It is likewise expressly declared that Bankia submits to the rules that exist or which may in the future be dictated on securities exchange matters and, especially, on trading, continuation of listing and delisting.

i. Guarantee of issues of convertible and/or exchangeable fixed income securities or warrants by controlled companies. Under the provisions of the Bylaws, the Board of Directors also is authorised to extend Bankia's guarantee, within the limits indicated above, to new issues of convertible and/or exchangeable fixed income securities or warrants by controlled companies while this resolution is in effect.

j. Delegation authority. The Board of Directors in turn is expressly authorised to delegate the authority referred to in this resolution under the provisions of Article 249.bis.l) of the Corporations Act.

This delegation of authority to the Board of Directors replaces the delegation granted by the General Meeting of Shareholders of the Company held on 22 March 2019, which will therefore be rendered void.

**6. Authorisation enabling the derivative acquisition by the Board of Directors of own shares of the Company subject to the limits and to the requirements established by the Corporations Act. Delegation within the Board of Directors of the authority to execute the resolution, annulling the authority conferred at the previous General Meeting.**

To authorise the Board of Directors, on the broadest terms possible and under the provisions of Article 146 of the Corporations Act, to acquire own shares of Bankia, directly or through companies in its Group, subject to the following limits and requirements:

The price or consideration: will vary from a minimum equal to the lesser of nominal value and 75% of the stock market price on the date of acquisition, and a maximum equal to up to 5% more than the maximum price achieved by the shares in free trading (including the block market) in the Continuous Market session on the date of acquisition.
- d. Duration of the authorisation: five (5) years from the date of this resolution.

The conduct of these transactions will furthermore be in compliance with the rules in this regard contained in the Bankia Internal Rules of Securities Market Conduct.

Authorise the Board of Directors so that it may sell or redeem the shares acquired or use the own shares acquired, in whole or in part, for implementation of remuneration schemes that have delivery of shares or option rights on shares as their purpose or result therein, in accordance with the provisions of Article 146.1.a) of the Corporations Act.

This delegation of authority to the Board of Directors replaces the delegation granted by the General Meeting of Shareholders of the Company held on 22 March 2019, which will therefore be rendered void.

The Board of Directors is authorised, on the broadest terms, to use the authorisation covered by this resolution for full implementation and development thereof, being entitled to delegate this authority, without distinction, to the Executive Chairman, to any of the directors, to the General Secretary and to the Board Secretary or any other person the Board expressly authorises for this purpose, with such breadth as it deems to be appropriate.

**7. Authorisation to the Board of Directors to distribute interim dividends during 2020.**

## **8. Payment of part of the 2019 and 2020 annual variable remuneration of executive directors in Bankia shares.**

In accordance with the provisions of Article 34.1.l) of Act 10/2014 of 26 June 2014 on the regulation, supervision and solvency of credit institutions (hereinafter, the "LOSS"), and its implementing regulations, as well as the Directors Remuneration Policy of BANKIA, S.A. (hereinafter, "Bankia", the "Bank" or the "Entity"), at least 50% of the annual variable remuneration of the Executive Directors must be pay in shares. In accordance with Article 219 of the Corporations Act (*Ley de Sociedades de Capital*, or "LSC") and Articles 21.1.r) and 49.7 of the Bylaws of Bankia, paying part of the annual variable remuneration of Bankia's executive directors in shares of Bankia requires a resolution of the General Shareholders Meeting.

In accordance with the foregoing, the General Shareholders Meeting of Bankia held on 22 March 2019 authorised the delivery of a maximum of 129,399 shares, representing 0.00419% of Bankia's share capital, to the Bank's Executive Directors participating in the annual variable remuneration scheme. This meant the delivery, as part of their variable annual remuneration for 2019, of (i) a maximum of 43,133 shares to Mr. José Ignacio Goirigolzarri Tellaeché, (ii) a maximum of 43,133 shares to Mr. José Sevilla Álvarez and (iii) a maximum of 43,133 shares to Mr. Antonio Ortega Parra.

After the end of the 2019 financial year, the Bank's Board of Directors, in accordance with the provisions of the Directors Remuneration Policy, and within the framework of the resolution of Bankia's General Shareholders Meeting held on 22 March 2019, assessed the degree of achievement of the objectives to which the annual variable remuneration for 2019 is linked, determining the amount corresponding to each Executive Director. In addition, the number of shares corresponding to each director has been determined taking into account the average share price of Bankia in the last three months of 2019 (1,782 euros per share). These circumstances have meant that the final number of shares corresponding to each Executive Director as a result of the settlement of their annual variable remuneration for 2019 is greater than the maximum number of shares authorised by the General Shareholders Meeting of Bankia held on 22 March 2019.

In addition, and in order to settle part of the annual variable remuneration for 2020 in shares, in accordance with the provisions of the LOSS and its implementing regulations, it is necessary to adopt a resolution whereby the maximum number of shares that can be delivered to executive directors in relation to the annual variable remuneration for 2020 is submitted to the General Shareholders Meeting.

For these purposes, the following resolutions are submitted to the General Meeting of Shareholders for approval:
