

## TO THE SPANISH SECURITIES COMMISSION

Fluidra, S.A. ("**Fluidra**" or the "**Company**"), pursuant to the provisions of section 226 of Royal Legislative Decree 4/2015, of 23 October, which passed the amended text of the Securities Market Act, hereby issues the following:

### INSIDER INFORMATION

As published by means of the communications (i) of insider information issued on 29 July 2022, with the registration number 1,567 and (ii) of other relevant information issued on 23 September 2022, with the registration number 18,370, the Company communicates that, in use of the delegation conferred by the Ordinary General Shareholders' Meeting of Fluidra held on 5 May 2022, in the nineteenth item of its agenda, the Board of Directors of the Company, at its meeting held on 14 December 2022, has agreed to partially execute the resolution to reduce the share capital by a nominal amount of THREE MILLION FIVE HUNDRED THOUSAND EUROS (EUR 3,500,000), through the redemption of THREE MILLION FIVE HUNDRED THOUSAND (3,500,000) treasury shares with a par value of one (1) Euro each (the "**Capital Reduction**").

These shares were acquired derivatively by Fluidra in execution of the Company's Buy-back Program for the purpose of reducing the Company's share capital.

The Capital Reduction does not involve the return of contributions to the shareholders as the Company itself is the owner of the shares subject to amortization and has been charged to unrestricted reserves by means of the allocation of a restricted reserve for amortized capital for an amount equal to the nominal value of the amortized shares.

The Company has also agreed to request the delisting of the shares to be amortized by virtue of the Capital Reduction from the Madrid and Barcelona Stock Exchanges (through the Spanish Stock Exchange Interconnection System - Continuous Market).

The Company will communicate the registration of the Capital Reduction deed with the Commercial Registry through the corresponding communication of other relevant information.
