Pursuant to the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information relating to GREENERGY RENOVABLES, S.A. is made available to the market. (hereinafter, "GREENERGY"):

Greenergy acquires remaining 60% stake in US developer Sofos Harbert Renewable Energy

GREENERGY announces that it has acquired an additional 60% of the shares of Sofos Harbert Renewable Energy, increasing GREENERGY's shareholding to 100%. The transaction has taken place ahead of the 3 years established in the initial contract, becoming part of Greenergy's subsidiary in the country.

Sofos Harbert, based in Birmingham (Alabama, USA), is a company dedicated to the development and construction of solar energy and storage facilities. It has a team with extensive experience in the North American market, where it will focus on its growth in local energy markets, such as Southeast, PJM, Miso and ERCOT.
