

Bilbao, 13 June 2023

To the National Securities Market Commission

Other relevant information

Periodic information and termination of the share buy-back programme of “Iberdrola, S.A.”.
Acquisition of own shares as a consequence of the settlement of derivative instruments

Reference is made to our notices of other relevant information of 14 March and 28 April 2023 (with official registry numbers 21,343 and 22,261), relating to the approval and launch of the buy-back programme of own shares by the Board of Directors of “Iberdrola, S.A.” (the “**Company**”), respectively, in accordance with the authorisation granted by the General Shareholders’ Meeting held on second call on 17 June 2022, under item 19 of the agenda (the “**Buy-back Programme**”).

Pursuant to article 227 of the *Securities Market and Investment Services Act 6/2023, of March 17 (Ley 6/2023, de 17 de marzo, de los Mercados de Valores y de los Servicios de Inversión)* and related provisions, and in accordance with articles 2.2 and 2.3 of *Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (the “Regulation 2016/1052”)*, we hereby inform you of the following:

- Between 8 and 13 June 2023, the Company has carried out the following transactions over its own shares under the Buy-back Programme:

Date	Security	Transaction	Trading venue	Number of Securities	Price (€)
08/06/2023	IBE.MC	Acquisition	XMAD	550,000	11.452
09/06/2023	IBE.MC	Acquisition	XMAD	100,485	11.493
12/06/2023	IBE.MC	Acquisition	XMAD	600,000	11.537

Detailed information of all the transactions carried out within the referred period is attached as annex.

- The Company will not acquire any more shares under the Buy-back Programme. Consequently, from 28 April 2023 and until the end of the trading session of 13 June 2023, the Company has acquired 27,639,190 own shares under the Buy-back Programme, representing 0.429% of the share capital of the Company.
- By the end of such trading session, the Company has acquired or expects to acquire 26,670,396 own shares pursuant to the settlement at maturity of certain derivatives instruments over own shares subscribed by the Company before 28 April 2023 (the “**Derivatives**”).
- The number of shares acquired by the Company under the Buy-back Programme, in addition to the shares acquired or that the Company will acquire as a consequence of the settlement of the Derivatives and the own shares that the Company held on 28 April 2023, suffice to fully comply with the objective of reducing the share capital of the Company described in the Buy-back Programme.

In light of the above, and after the end of the trading session, on 13 June 2023, the Company concluded the Buy-back Programme as the purpose for which it was launched had been fully accomplished.

It is hereby stated that the acquisition of own shares under the Buy-back Programme has been communicated on a regular basis, in accordance with the provisions of articles 2.2 and 2.3 of *Regulation 2016/1052*, and has been carried out pursuant to the terms and conditions established in such regulation.

The execution of the share capital reduction, approved by the General Shareholders' Meeting of the Company on 28 April 2023 under item 12 of the agenda, is expected to take place within one month from the date of conclusion of the Buy-back Programme (that is, before 13 July 2023) (the "**Reduction Resolution**" and the "**Share Capital Reduction**", respectively). To that effect:

- The Share Capital Reduction will be implemented by means of the retirement of 206,364,000 own shares, representing around 3.201 % of the Company's share capital (the "**Maximum Limit**"). As provided in the Reduction Resolution and in order to observe the Maximum Limit in any case, the maximum number of shares to be retired that have been acquired in implementation of the Buy-back Programme and pursuant to the settlement of Derivatives will be subject to an overall limitation (the "**Overall Limit**").

In this regard, if the shares acquired in implementation of the Buy-back Programme and pursuant to the settlement of Derivatives exceed the Overall Limit, the Share Capital Reduction will result in the retirement of: (i) all of the own shares acquired in implementation of the Buy-back Programme; and (ii) with regard to the own shares acquired pursuant to the settlement of Derivatives, a number equal to the difference between the Overall Limit and the shares acquired in implementation of the Buy-back Programme will be retired.

- In light of the foregoing, and considering the Maximum Limit and the Overall Limit, the Share Capital Reduction will be implemented by means of the retirement of: (i) 27,639,190 own shares, representing approximately 0.429 % of the Company's share capital, acquired under the Buy-back Programme; (ii) 26,114,316 own shares, representing around 0.405 % of its share capital, acquired or that will be acquired by the Company through the settlement of the Derivatives; and (iii) 152,610,494 shares held by the Company as treasury shares after the closing of the trading session on 27 April 2023, representing approximately 2.367 % of its share capital.

As provided in the Reduction Resolution, the shares of the Company acquired through the settlement of the Derivatives and exceeding the Overall Limit will not be retired.

This information is provided to you for the appropriate purposes.

General secretary and secretary of the Board of Directors

IMPORTANT INFORMATION

This communication does not constitute an offer to purchase, sell or exchange or the solicitation of an offer to purchase, sell or exchange any securities. The shares of "Iberdrola, S.A." may not be offered or sold in the United States of America except pursuant to an effective registration statement under the Securities Act or pursuant to a valid exemption from registration.

This communication contains forward-looking information and statements about "Iberdrola, S.A.", including financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations with respect to future operations, capital expenditures, synergies, products and services, and statements regarding future performance. Forward-looking statements are statements that are not historical facts and are generally identified by the words "expects", "anticipates", "believes", "intends", "estimates" and similar expressions.

Although "Iberdrola, S.A." believes that the expectations reflected in such forward-looking statements are reasonable, investors and holders of "Iberdrola, S.A." securities are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of "Iberdrola, S.A.", that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include those discussed or identified in the public documents sent by "Iberdrola, S.A." to the *Comisión Nacional del Mercado de Valores*.

Forward-looking statements are not guarantees of future performance. They have not been reviewed by the auditors of "Iberdrola, S.A." You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date they were made. All oral or written forward-looking statements hereby made or otherwise attributable to "Iberdrola, S.A." or any of its members, directors, officers, employees or any persons acting on its behalf are expressly qualified on its entirety by the cautionary statement above. All the forward-looking statements included herein are based on information available to "Iberdrola, S.A." on the date hereof. Except as required by applicable law, "Iberdrola, S.A." does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
