

## COMMUNICATION OF OTHER RELEVANT INFORMATION

26 September 2023

Pursuant to the provisions of article 17 of Regulation (EU) No 596/2014 on market abuse and Article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of October 23, and concordant provisions, the following information regarding ATRYS HEALTH, S.A. (hereinafter, "**ATRYS**") is made available to the market:

ATRYS has signed an agreement with Salud Interactiva – a Mexican company partially owned by Grupo Financiero Inbursa engaged in the provision of digital health services – for the joint development of various health projects in Mexico.

Salud Interactiva has the most important medical network in the country, with a presence in more than 280 cities, more than 6,000 medical specialists, more than 4,000 establishments related to the health area and a network of more than 6,000 commercial establishments.

In the framework of this agreement, both companies will jointly analyze: (i) the introduction of new services (i.e. oncology advice to insurance companies); and (ii) the exchange of technological and artificial intelligence diagnostic and telemedicine tools, developed by ATRYS or Salud Interactiva. The alliance will also extend to the possibility of offering new services of anatomical and molecular pathology and genetics in the Mexican market, including the collaboration in R+D projects.

ATRYS takes another step forward in its ambitious expansion plan in Mexico, after the opening of several cancer centers, with a global renowned and prestigious partner.

The information communicated has been prepared under the sole responsibility of the issuer and its directors.
