

Pursuant to article 227 of the consolidated text of the Spanish Securities Market Act, approved by Royal Legislative Decree 4/2015 of October 23 and its concordant provisions, Opdenenergy Holding, S.A. (hereinafter, "**Opdenenergy**" or the "**Company**"), in relation to the information disclosed in the prospectus relating to the initial offering of ordinary shares of the Company (the "**Offering**") and the admission to listing on the Madrid, Barcelona, Bilbao, and Valencia Stock Exchanges (the "**Spanish Stock Exchanges**" and the "**Admission**", respectively), which was approved by and registered with the Spanish Securities Market Commission (*Comisión Nacional del Mercado de Valores*, "**CNMV**") on July 13, 2022 (the "**Prospectus**"), hereby informs of the following:

OTHER RELEVANT INFORMATION NOTICE

The Company hereby informs that yesterday, October 5th, it has formalised the transfer of two projects included within the scope of the transaction signed with Bruc Energy in August 2021. The two transferred projects total a capacity of 81MW, which together with the 110MW signed during the first half of the year add up to a total of 191MW transferred as of the date of this notification.

Madrid, October 6th, 2022
