ArcelorMittal announces results of its General Meetings

The Annual General Meeting and Extraordinary General Meeting ('General Meetings') of shareholders of ArcelorMittal ('the Company') held today approved all resolutions by a strong majority.

Over 73.5% of the voting rights were represented at the General Meetings. In view of the Covid-19 outbreak, the Board of Directors of ArcelorMittal had decided to hold this year's General Meetings by virtual-only format, as permitted by Luxembourg law. The meeting was preceded by a virtual one-hour Q&A session with shareholders.

Arrangements were made to allow shareholders to vote electronically and by proxy voting. The results of the votes will be posted shortly on <https://corporate.arcelormittal.com> under 'Investors – Equity investors – Shareholders events – AGM – General Meetings of shareholders, 8 June 2021' where the full documentation regarding the General Meetings is available.

In particular, the shareholders, approved the distribution of a dividend of US\$ 0.30 per share, the re-election of Mrs. Karyn Ovelmen and Mr. Tye Burt and the election of Mrs. Clarissa Lins as directors of ArcelorMittal, for a term of three years each. Shareholders also approved the decision to cancel shares and to consequently reduce the issued share capital following the cancellation of shares repurchased under its share buyback program as required.

About ArcelorMittal

ArcelorMittal is the world's leading steel and mining company, with a presence in 60 countries and primary steelmaking facilities in 18 countries. In 2020, ArcelorMittal had revenues of \$53.3 billion and crude steel production of 71.5 million metric tonnes, while iron ore production reached 58.0 million metric tonnes. Our goal is to help build a better world with smarter steels. Steels made using innovative processes which use less energy, emit significantly less carbon and reduce costs. Steels that are cleaner, stronger and reusable. Steels for electric vehicles and renewable energy infrastructure that will support societies as they transform through this century. With steel at our core, our inventive people and an entrepreneurial culture at heart, we will support the world in making that change. This is what we believe it takes to be the steel company of the future. ArcelorMittal is listed on the stock exchanges of New York (MT), Amsterdam (MT), Paris (MT), Luxembourg (MT) and on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia (MTS).
