Unless otherwise indicated by the shareholder appointing a proxy, the proxyholder shall be deemed to have specific instructions to vote in favor of all proposals made by the Board of Directors on the Agenda items for the meeting. 3. If the proxyholder so appointed is legally subject to a conflict of interest in voting on any of the proposals submitted to the General Shareholders' Meeting, whether included on the agenda or not, and provided no specific voting instructions were issued or, if despite having such instructions, the proxyholder wishes not to represent the shareholder with regard to the items with which there is a conflict of interest, the proxy shall be deemed to be delegated to, unless otherwise specified by the appointing shareholder, the Chairman of the General Meeting and, if the Chairman also has a conflict of interest, to the Secretary of the General Meeting and, if the Secretary has a conflict of interest, to the person appointed by the Board of Directors.
4. Likewise, the delegation of powers extends to topics that may be submitted to a vote of the General Shareholders' Meeting even though they are not included on the agenda for the meeting. During this time period, the shareholders and proxyholders may also submit any interventions and/or proposed resolutions that, in accordance with the Capital Corporations Law, they intend to submit. This pre-registration is a mandatory requirement for shareholders and proxyholders to be able to connect and remotely participate in the Meeting.

Following pre-registration, on the day of the Meeting (28 April 2023, starting at 12:00 p.m.), shareholders and proxyholders who wish to participate in the meeting must connect or register between 10:00 a.m. and 11:30 a.m. in order to be considered present and to be included on the attendance list. Any shareholder or proxyholder that connects after the established deadline will not be considered present. In the event that a shareholder or proxyholder validly submits interventions and/or proposed resolutions during both pre-registration and registration, the most recent received by the Company during registration or remote connection on the day of the Meeting shall prevail.

Shareholders and proxyholders who attend the Meeting remotely may vote during the Meeting by using the computer application on the Company's website.

In all other matters not expressly addressed herein, the same rules on voting and passing resolutions as provided for in the General Meeting Regulations for physical attendance at the Meeting shall apply to the shareholders who attend the Meeting remotely.

VIII. GENERAL AND PRIORITY RULES BETWEEN PROXY, DISTANCE VOTE AND PHYSICAL OR REMOTE ATTENDANCE AT THE GENERAL MEETING

1 Deadline for receipt by the Company of distance proxies and votes before the Meeting is held

In order to be valid and in accordance with the provisions of the General Meeting Regulations, both long-distance proxies and votes (whether submitted electronically or by post) shall be received by the Company before 12:00 p.m. on 27 April 2023. Otherwise the proxy shall be deemed not to have been granted and the vote not cast, unless as

received following said deadline, but prior to the holding of the Annual General Shareholders' Meeting, such that they can be properly verified and counted.

2 Priority rules between proxy, distance vote, physical attendance and remote attendance at the Meeting

2.1 Priorities between proxy, distance vote and remote or physical attendance

Personal or remote attendance at the Annual General Shareholders' Meeting by a shareholder who had previously granted proxy or voted remotely, no matter the means used to cast the vote or grant proxy, shall render the said proxy or vote null and void. Attendance in person shall have the effect of rendering remote attendance null and void.

A vote, regardless of the manner in which it was cast, will render any proxy granted ineffective, whether granted electronically or by means of a printed card. If the proxy was granted before the vote was cast, the proxy will be considered revoked, and if granted subsequently, it shall be considered void.

2.2 Priorities between proxies

In the event that a shareholder validly appoints several proxies, the last proxy received by the Company shall prevail.

2.3 Priorities between distance votes prior to the Meeting

In the event that a shareholder validly casts more than one distance vote, the last vote received by the Company shall prevail.

2.4 Direction of the remote vote during or prior to the Meeting

A shareholder who wishes to cast a long-distance vote (through electronic means or by post) must indicate the specific direction of his/her vote for each agenda item. If no specific direction is indicated for any of the agenda items, the vote shall be deemed to be made in favor of the proposals submitted by the Board of Directors on such agenda items, as drafted thereby.

2.5 Other provisions

In the event that electronic means are employed, prior to the holding of the General Meeting, only one electronic action per type of operation (one vote and one proxy) is allowed.

Disposal of the shares conferring the attendance right acknowledged by the Company before the Meeting will result in both distance proxies and votes being considered null and void.

3 Special rules

All shareholders who are legal persons as well as shareholders not resident in Spain should contact the **Shareholder Relations Line (900 666 900)** to discuss the possibility of, as the case may be, adapting the long-distance voting and proxy mechanisms to their needs while still providing adequate guarantees.

Furthermore, shareholders who are legal persons shall be required to notify the Company of any change or revocation in the powers held by its representative. Endesa disclaims any and all liability until such notice is given.

Any of the joint holders of a share pool may remotely attend, vote or grant proxy, and the rules on priority established in section 2 above shall apply as among them. For the purposes of Article 126 of the Capital Corporations Law, it shall be construed that the joint holder who, from time to time, performs an action (voting directly or by proxy, or physical or remote attendance), has been appointed by the rest of the joint owners to exercise their shareholder rights. In these cases, the first of the holders registered (physical or remote) at the meeting shall be considered the attendee. In relation thereto and for the purposes of Article 126 of the Capital Corporations Law, it shall be construed that the joint holder first registered (physically or remotely) at the meeting shall be the one appointed by the remainder of the joint owners to exercise their shareholder rights.

IX. TECHNICAL INCIDENTS

Endesa reserves the right to modify, suspend, cancel or restrict the remote attendance or electronic voting and proxy mechanisms when so required for technical or security reasons, notwithstanding the implementation of such measures as required in each situation, including but not limited to the possible temporary suspension or extension of the Meeting if necessary to ensure the full exercise of the rights of the shareholders or their proxyholders.

Endesa shall not be liable for any damages which may be caused to a shareholder arising out of breakdowns, overloads, dropped lines, failed connections, malfunctioning of postal service or any other circumstances of a like or similar nature which are beyond Endesa's control and which prevent the use of the long-distance voting and proxy mechanisms.

The shareholder is exclusively responsible for the custody of his/her electronic signature for the purposes of participating in the Meeting.

X. ELECTRONIC SHAREHOLDER FORUM

In accordance with current regulations, an Electronic Shareholder Forum has been set up (www.endesa.com). Use of the Forum shall conform to the legal purpose and the guarantees and rules of operation set forth by the Company. Duly entitled shareholders and shareholder associations may access the Forum.

XI. PROCESSING OF PERSONAL DATA

The personal data submitted by the shareholders to exercise or grant proxy over their rights of attendance and voting at the General Meeting or which are furnished by banking institutions and stock brokers and dealers with whom said shareholders have their shares deposited, through the entity legally qualified to carry out the book-entry records (IBERCLEAR), shall be processed by the Company, as Data Controller, for the purposes of managing the Meeting notice and holding of the Meeting. The foregoing shall be carried out in accordance with legal obligations.

All or part of the General Meeting may be recorded and made available to the public on the Company's website and/or through accredited media. As such, during the course of the General Meeting, it is expected that the full name and number of shares of the shareholders who intervene in the meeting may be publicly disclosed. The legal basis for both the recording and disclosure of the image and/or voice of the individuals participating in the General Meeting, as well as for the public disclosure of certain personal data on shareholders who pose questions

at the meeting, is the legitimate interest of the Company, as well as compliance with the rules and general principles of transparency and best corporate governance.

In the event the shareholder includes personal data regarding other natural persons in the proxy or remote voting card, the shareholder must notify such persons of the provisions of this legal data protection notice and shall comply with any other requirements as applicable for the proper disclosure of personal data to the Company, without the latter being required to take any additional action in terms of information or consent. The shareholders are responsible for the accuracy of the data provided, as well as for informing the Company of any changes to such data.

The shareholders' personal data will be held for the duration of their condition as such and provided removal or deletion thereof has not been requested, provided however that such conservation is appropriate, relevant and restricted to the extent necessary for the purposes for which said data is being processed. As soon as such data is no longer required for such purpose, the data shall be stored and blocked during the period in which they may be required for the exercise or defense of administrative or legal claims and may only be unblocked and reprocessed for such purpose. After this period the data will be permanently deleted.

The data will be provided to the Notary Public attending the General Meeting in accordance with the legal provisions. Likewise, such data may be transferred to third parties in exercise of the right to information established by law.

You can exercise your rights of access, correction, removal, limitation of processing and transferability of data in those cases and to the extent provided by applicable regulations from time to time. Approval of the Strategic Incentive 2023-2025, which includes payment in Company shares.

To approve the long-term variable compensation plan referred to as the "Strategic Incentive 2023-2025" (the "2023-2025 Incentive"), which includes payments in Company shares, insofar as ENDESA, S.A.'s executive Director is included among its beneficiaries, with the following key characteristics:

1. The 2023-2025 Incentive is a long-term compensation scheme primarily aimed at compensating individuals in positions of greater responsibility for their contributions to sustainable fulfillment of the Strategic Plan.

2. The 2023-2025 Incentive applies to the Executive Director and all other executives of the Endesa Group holding strategic responsibility, as determined by the Board of Directors.

3. The performance period will be three years from 1 January 2023, for the 2023-2025 Incentive.

4. The 2023-2025 Incentive allocates an incentive to the beneficiaries that includes the right to receive: (i) a certain number of ordinary shares of ENDESA, S.A. (the "Shares") and (ii) a monetary payment linked to a target, subject to the conditions and any potential changes resulting from operation of the Plan.

As relates to the accrued incentive, the first 65% of the target under the Plan shall be paid out fully in Shares.

The monetary amount to be paid out is calculated as the difference in the total incentive accrued and the portion paid out in Shares.

If the maximum number of shares is not a whole number, the amount of Shares to be allocated to each recipient shall be calculated by rounding the amount to the nearest whole number (rounding down for values of 0.49 or less and rounding up for values above 0.49).

5. Accrual of the 2023-2025 Incentive is linked to achievement of four targets during the performance period:

a) Performance of average Total Shareholder Return (TSR) of ENDESA, S.A. in relation to the average TSR performance of the selected benchmark, i.e. the Euro-Stoxx Utilities Index. This parameter will be weighted at 50% of the 2023-2025 Incentive.

b) ROIC (Return on Invested Capital) – WACC (Weighted Average Cost of Capital) target, represented by the ratio between NOPAT (ordinary EBIT with no tax impact) and Average Net Invested Capital (NIC), minus WACC. This parameter will be weighted at 30% of the total incentive for the 2023-2025 Incentive.

c) Reduction in Endesa's CO₂ emissions in Spain and Portugal in 2025. This parameter will be weighted at 10% of the 2023-2025 Incentive.

d) Percentage of women in management succession pools in 2025. This parameter will be weighted at 10% of the 2023-2025 Incentive.

For each of the targets a threshold level is set beyond which the target would be considered to have been met. Two target over-performance levels are also established – performance beyond the first level, equivalent to 150% of the incentive base (target) and performance beyond the second level equivalent to a maximum 180% of the incentive base (target). Therefore, variable compensation levels accruable under the 2023-2025 Incentive will range from 0% to 180% of the incentive base (the incentive base (target) equals 100% achievement).

6. The target assigned to each beneficiary under the 2023-2025 Incentive will be as provided in their individual contracts, if addressed therein, or otherwise, in the

relevant Group policy defining different target percentage levels based on the level of responsibility.

The maximum number of Shares that may be paid out under the 2023-2025 Incentive is 139,710. This maximum number of shares represents 0.013 % of ENDESA, S.A.'s share capital as at the date this resolution is proposed.

The target for the Chief Executive Officer is €518,000, and the maximum number of shares that he may receive is 19,806.

7. Both payments in the form of delivery of shares and cash payments shall be made subject to the payment and deferral rules established in the Compensation Policy and by the Board of Directors and, specifically, shall be made subject to the relevant malus and clawback clauses.

8. It is resolved to delegate to the Board of Directors, with express power of substitution, the authority to implement at the time and in the manner it deems convenient, formalize, amend, construe, clarify and execute the 2023-2025 Incentive, adopting all resolutions and executing as many public or private documents as may be necessary or convenient to ensure the full effectiveness thereof, with the power to change, rectify, amend and supplement and, in general, to adopt any resolutions and perform any actions necessary or merely convenient for the effective implementation and operation of the 2023-2025 Incentive, including but not limited to, the following powers:

b) To draft, sign and submit before any public or private bodies, the beneficiaries or any other party, any documents and supplementary communications which may be necessary or convenient for the purposes of implementing and executing the 2023-2025 Incentive, granting rights and delivering incentives, including, as the case may be, the relevant prior notice and informational prospectuses.

c) To perform any actions or processes or file any returns before any person, entity or registry, public or private, in order to obtain authorizations or verifications as required to grant the rights and to pay the incentives.

d) To adapt the contents of the 2023-2025 Incentive to the corporate circumstances or transactions that may arise during the term thereof, in the terms deemed convenient and, to the extent required or recommended by any legal provisions applicable to any of the beneficiaries, or as may be necessary for legal, regulatory, operating or similar reasons, to adapt the general conditions.

e) To draft and publish any announcements which may be necessary or convenient.

f) To draft, sign, execute and, as the case may be, certify any type of document related to the 2023-2025 Incentive.
