

NOTICE OF INSIDE INFORMATION

GREENERGY RENOVABLES, S.A.

22nd September 2024

In accordance with article 17 of the Regulations (UE) number 596/2014 on market abuse and article 228 of the Securities Market Act passed by Legislative Royal Decree 4/2015 of October 23 and concordance rules, we inform the market about the following Relevant Fact referred to GREENERGY RENOVABLES, S.A. ("**GREENERGY**"):

Greenergy acquires a 1GW solar portfolio from Repsol and Ibereólica with the aim of hybridizing it with batteries in northern Chile for 128 million dollars

Greenergy has acquired 100% of an operational project of 77 MWp and 923 MWp of solar projects in different stages of development in northern Chile.

This project currently has a built and energized 1GW interconnection line, which will facilitate the connection process of the projects under development. The amount of the transaction amounted approximately to 128 million dollars.

With this operation, Greenergy will expand its Oasis de Atacama project with two new phases and will allow it to be increased by 1GW solar and at least 6GWh of battery storage.

Madrid, 22nd September 2024.

D. David Ruiz de Andrés
Presidente del Consejo de Administración
