In compliance with the reporting requirements under article 227 of the Royal Legislative Decree 4/2015, of 23 October, approving the consolidated text of the Securities Market Act, Lar España Real Estate SOCIMI, S.A. (“**Lar España**” or the “**Company**”) hereby informs the National Securities Market Commission of the following

OTHER RELEVANT INFORMATION

In relation to the other relevant information notice dated 12 July 2021 (registry number 10569) regarding, inter alia, the announcement of the mandate for the issue of senior unsecured green bonds maturing in 2026 (the “**Issue**” and the “**Green Bonds**”, respectively), Lar España hereby announces that the bookbuilding process in relation to the Issue was completed today, following which the pricing terms of the Green Bonds have been determined.

In view of the strong demand during the bookbuilding process, the aggregate nominal amount of the Issue has been set at €400 million.

The Green Bonds, which will be issued at par value, will have a nominal value of €100,000 and will bear interest at a fixed annual rate of 1.75% from their issue, calculated by reference to their nominal amount and payable annually on 22 July each year. Also, the maturity date of the Green Bonds will be 22 July 2026.

Both Lar España and the investors in the Green Bonds will have the right to redeem the Green Bonds before maturity in certain circumstances, as provided for in the terms and conditions of the Green Bonds.

Lar España expects to formalise the issue of the Green Bonds in the next few days, including executing the public deed (*escritura pública*) in connection with the Issue — which will be filed for registration with the Commercial Registry— and entering into a subscription agreement with both Morgan Stanley Europe SE and J.P. Morgan AG, joint lead managers of the Issue, for the placement of the Green Bonds among certain qualified investors. The abovementioned subscription agreement and the terms and conditions of the Green Bonds will be governed by English law, save that condition 2 (*Status*) of the terms and conditions of the Green Bonds will be governed by Spanish law.

The closing of the Issue and disbursement of the Green Bonds is expected to take place on

22 July 2021, subject to market conditions and the fulfilment of the standard conditions for this type of transaction.
