

Inside information

CaixaBank S.A. hereby reports that, as per Inside Information Filing nº. 693 published on 29 January 2021, and after the European Central Bank's announcement on 23 July 2021 that it will not extend its recommendation on dividend pay-out from credit institutions beyond September 2021, its Board of Directors approved yesterday a Dividend Policy for the 2021 Fiscal Year, setting a cash distribution of 50% of consolidated net profit, adjusted for extraordinary impacts related to the merger with Bankia, to be paid in a single payment during 2022.
