

NATIONAL SECURITIES MARKET COMMISSION

In compliance with the reporting requirements under article 227 of the Royal Legislative Decree 4/2015, of 23 October, approving the consolidated text of the Securities Market Act, Lar España Real Estate SOCIMI, S.A. ("**Lar España**" or the "**Company**") hereby informs the National Securities Market Commission of the following

OTHER RELEVANT INFORMATION

On the day hereof, Lar España has announced a mandate in connection with the potential issuance of senior unsecured green bonds maturing in 2028 (the "**Issue**" and the "**Green Bonds**", respectively), pursuant to resolutions adopted by the Board of Directors of the Company.

The Issue is contemplated as a result of the success attained by the issue of senior unsecured green bonds carried out by Lar España in July 2021 (the "**July Issue**"), which was communicated to the market by means of two other relevant information notices (*comunicaciones de otra información relevante*) dated 12 July 2021 and 15 July 2021 (registry numbers 10569 and 10652), respectively, and consistent with the Company's objective of increasing its flexibility in order to develop its business plan.

This Issue will be formalised, if at all, based on a structure substantially similar to the one followed in the July Issue. Accordingly, the Green Bonds will be unsecured and have the status of green bonds in accordance with the second party opinion issued for such purpose by ISS Corporate Solutions, Inc. on the basis of the 2021 Green Bond Principles issued by ICMA (International Capital Markets Association). In the context of the Issue, Fitch Ratings Ltd. has assigned an expected investment grade rating of BBB to the Green Bonds, on par with Lar España's current rating.

The Issue is being managed by Morgan Stanley Europe SE, who is acting as Sole Bookrunner on the transaction.

The Green Bonds will be placed with certain qualified investors. Application will be made for their listing on the official list of the Luxembourg Stock Exchange and for trading on the Luxembourg Stock Exchange's multilateral trading facility Euro MTF Market.

The closing of the Issue and the disbursement of the Green Bonds is expected to take place in the coming days, subject to market conditions and the fulfilment of the standard

conditions for this type of transactions. The Company will inform the market of the closing of the Issue upon completion, as well as of its final terms.

Madrid, 25 October 2021

Lar España Real Estate SOCIMI, S.A.

Mr. José Luis del Valle Doblado,

Chairman of the Board of Directors
