Q&A

This document has been prepared by Línea Directa Aseguradora, S.A., Compañía de Seguros y Reaseguros (“Línea Directa” or the “Company”) for the sole purpose of presenting results and may not be used for any other purpose.

The statements contained in this document relating to forecasts, plans, expectations or the future performance of the Company, its businesses or their financial figures do not constitute commitments or any assurance as to the future performance of the Company or the effective achievement of its objectives or estimated results. These statements rely on assumptions and estimates that are conditional on multiple factors, thus exposing them to various risks and uncertainties that could cause the actual results to differ materially from the objectives, projections and expectations expressed or implied in this presentation.

Possible factors that might introduce an element of uncertainty to the estimates include: changes within the insurance industry, in market trends or in the general economic climate; legal reforms; court rulings; technological changes; changes in monetary policy or interest rates; the performance of our peers and competitors; changes in the claims that are covered; fluctuations in liquidity levels, or in the value of or return on the assets that make up the investment portfolio of Línea Directa; changes in the credit capacity and solvency of customers, etc.

Línea Directa is under no obligation to regularly review or update the information contained in this document, nor to adapt that information in response to events or circumstances that occur after this presentation has been published.

Some of the figures included in this document have been rounded off. This could cause discrepancies between the total figures and itemised figures provided in the tables.

This document does not constitute an offer or invitation to acquire or subscribe for shares, in accordance with applicable law and regulations on the securities market, and nor does it constitute an offer to buy, sell or exchange securities, or a solicitation to offer, sell or exchange securities.
