

“**MEDIASET ESPAÑA COMUNICACIÓN, S.A.**”, for the purposes contemplated in article 227 of the consolidated text of the Spanish Securities Market Act approved by Royal Legislative Decree 4/2015 of 23 October and developing legislation, announces the following

OTHER RELEVANT INFORMATION

The Board of Directors of Mediaset España Comunicación, S.A., has approved to open a period for those shareholders of the Company who wish to do so to voluntarily may revoke **between 19 February and 3 March 2020** (both inclusive) the exercise of the withdrawal right (the outcome of which was reported on 15 October 2019 –relevant fact register number no. 282,597–) arising from the merger of Mediaset España Comunicación, S.A. and Mediaset S.p.a. with and into Mediaset Investment N.V. (the “**Merger**”) published at the time of publication of the notice of the meeting.

Such period is in response to the impossibility to consummate the Merger prior to the end of fiscal year 2019 —as disclosed upon announcement of the transaction to the market—, due to the suspension of the Merger resolutions ordered by the Commercial Court nº 2 of Madrid and to the persistence as of the present date of the uncertainty as to when will the Merger close, if at all, which depends on the outcome of the several ongoing litigation procedures. Nevertheless, subject to satisfactory resolution of such litigation, the Company trusts that the Merger may be consummated as soon as possible.

Attached is the full text of the announcement published today, 19 February 2020, in the newspaper "La Razón" and in the Official Gazette of the Mercantile Registry (BORME), informing of the revocation period of the exercise of the withdrawal right. Moreover, the announcement is likewise available on the Company's corporate website (www.telecinco.es).

MEDIASET ESPAÑA COMUNICACIÓN, S.A.

Announcement of the period for the voluntary revocation of the withdrawal right by the shareholders of Mediaset España Comunicación, S.A. who have exercised it

The general extraordinary shareholders' meetings of Mediaset España Comunicación, S.A. ("**Mediaset España**" or the "**Company**") and of Mediaset S.p.A. ("**Mediaset**") held on 4 September 2019 resolved to approve the tripartite cross-border absorption merger of Mediaset and Mediaset España with and into Mediaset Investment N.V. ("**Mediaset Investment**", the "**Merger**" and the "**Merger Resolution**", respectively), in accordance with the common cross-border merger plan signed by the boards of directors of the three companies involved in the Merger (the "**Common Cross-Border Merger Plan**").

In connection with the Merger, the holders of a total of 39,025,777 Mediaset España shares who voted against the Merger exercised their withdrawal right within the term granted for such purpose and have their Mediaset España shares blocked ever since such that they may not dispose of them until the settlement date of the withdrawal (or until it has been verified that either the conditions precedent to the Merger have not been satisfied and, as the case may be, have not been waived, or that the Merger will not be carried out).

The Merger Resolution is currently suspended in Spain due to a precautionary measure by virtue of a court order issued by the Commercial Court nº 2 of Madrid at the request of Vivendi S.A. ("**Vivendi**"). In Italy, on 3 February 2020 the Court of Milan issued a ruling dismissing the request for precautionary suspension of the Merger Resolution requested by Vivendi. In the Netherlands, Vivendi has requested a similar precautionary suspension of the Merger Resolution in respect of Mediaset Investment.

Moreover, the general extraordinary shareholders' meetings of Mediaset and Mediaset España held on 10 January 2020 and 5 February 2020, respectively, agreed to amend (a) the proposed bylaws that shall govern the absorbing company after the Merger is completed; (b) the "Terms and Conditions for Special Voting Shares"; (c) the "Terms and Conditions for Initial Allocation of the Special Voting Shares A – Mediaset"; (d) the "Terms and Conditions for the Initial Allocation of the Special Voting Shares A – Mediaset España"; and (e) with regard to Mediaset España, information regarding the initial composition of the absorbing company's board of directors, all of which was approved by the aforementioned general extraordinary shareholders' meetings of 4 September 2019 as part of the documents attached to the Merger Resolution (the "**Regularization Resolution**"). In turn, on 17 February 2020, Mediaset Investment announced the filing with the Dutch Commercial Registry of supplementary information to the Common Cross-Border Merger Plan to reflect the amendments approved by Mediaset España and Mediaset under the Regularization Resolution, which results in the need, under Dutch law, for the Merger to be consummated within six months after such announcement.

In view of the foregoing, considering that the precautionary suspension of the Merger Resolution has prevented completion of the Merger prior to the end of fiscal year 2019 — as disclosed upon announcement of the transaction to the market — and that there is no certainty

as of the present date as to as to when will the Merger close, if at all, the board of directors of Mediaset España has resolved to open a period to allow those shareholders of the Company who have exercised their withdrawal right and who wish to do so, to voluntarily revoke their exercise of that withdrawal right. The revocation period is of 10 business days from (and including) the date of publication of this notice (the “**Revocation Period**”). For such purpose shareholders must submit the relevant instruction to the custodian with which they have their Mediaset España shares deposited. In such case, the shares of Mediaset España in respect of which the withdrawal right has been exercised will be unblocked and the shareholders will waive their right to collect EUR 6.5444 in consideration for each withdrawn share in the event that the Merger is finally completed.

The Mediaset España shares of those shareholders who do not revoke their exercise of the withdrawal right within said Revocation Period will continue to be held by the respective depositories and the payment of EUR 6.5444 in consideration for each withdrawn share will not take place until a date immediately prior to the Merger’s effective date and which will be announced in advance. If the Merger is not ultimately carried out within the maximum period of time foreseen for this purpose, or if it is certain at an earlier date that it will not be consummated, the Mediaset España shares of those shareholders will be unblocked at that time.

Finally, reference is made to the right vested on the shareholders of Mediaset España to obtain, free of charge, on the corporate website and on the registered office, additional information regarding the Merger Resolution and the Regularization Resolution.
