The mechanisms for telematic attendance to the Meeting will be opened in the space dedicated to the 2021 Shareholders Meeting on the Company's corporate website (www.talgo.com) under the terms set out in the section “telematic attendance” of the present notice.

The telematic attendance to the Shareholders Meeting is provided as an extraordinary measure in addition to the different channels that are already made available to the Company's shareholders to participate in the Meeting. To this end, it should be noted, under the terms set forth in the notice convening the Meeting, shareholders (or, in such case, their proxies) may delegate representation or vote remotely prior to the holding of the Shareholders Meeting, either by physical delivery or by postal of the proxy card or remote voting, or electronic correspondence.

The Company will enable the necessary technical systems to facilitate attendance, in such case, by audio or video conference, of the Chairman and Secretary of the Meeting, the other members of the Board, and the Notary required to take the minutes of the Meeting.
