OTHER RELEVANT INFORMATION (*OTRA INFORMACIÓN RELEVANTE*)

With regard to the information published in the press about the potential interest of Skoda Transportation a.s. ("Skoda") in the Company, we inform that the Company has received from Skoda a "business combination and industrial integration" proposal.

As it does not contain an economic offer, the Company, in order to be able to assess further steps, has asked Skoda for detailed information about the proposal and, specifically, to indicate whether it involves the offer to the Company's shareholders of a consideration greater than that offered by Ganz-Mavag Europe Zrt in the takeover bid announced on March 7 and whether this would be satisfied in cash, as well as to explain its current industrial and financial capabilities.
