

**PROSEGUR CASH S.A.** (“**Prosegur Cash**” or the “**Company**”), in accordance with article 226 of the Revised Securities Market Law and implementing legislation, communicates and discloses publicly as follows:

### **INSIDE INFORMATION**

The Board of Directors of Prosegur Cash has resolved, on the date hereof, to implement a buy-back program of own shares (the “**Program**”).

The Program is carried out pursuant to the Regulation (EU) No 596/2014 on market abuse and Commission Delegated Regulation (UE) 2016/1052 (the “**Regulations**”), exercising the authorization granted by the Shareholders’ Meeting held on February 6, 2017 (item 8 on the agenda) for the purchase of own shares, in order to redeem them in execution of a resolution to reduce the share capital of the Company which will be submitted for approval at the next Shareholders’ Meeting.

The Program will affect a maximum of 45,000,000 shares, representing approximately 3% of the Company’s current share capital (1,500,000,000 shares).

The Program will be executed under the following terms:

- a) Maximum pecuniary amount allocated to the Program: €40,000,000.
- b) Maximum number of shares to be acquired: Up to 45,000,000 shares, representing approximately 3% of the Company’s share capital at this date.
- c) Maximum price per share: the share purchase will comply with the limits on price and volume established in the Regulations. In particular, the Company will not buy shares at a price exceeding the higher of: (i) the price of the last independent trade; and (ii) the highest current independent purchase bid on the trading venue where the purchase is carried out.
- d) Maximum volume per trading session: with respect to volume, the Company will not buy more than 25% of the average daily volume of the shares on the trading venue on which the purchase is carried out.
- e) Term: the Program will have a maximum duration of one year. Notwithstanding, the Company reserves the right to terminate the Program in advance if, before that one-year maximum duration expires, it has acquired the maximum number of shares authorized by the Board of Directors, the maximum pecuniary amount allocated to the Program has been reached, or if circumstances render it appropriate.

The implementation of the Program will entail the suspension of the operations under the liquidity contract executed by the Company.

The Program will be principally managed by an investment firm or a credit institution that will make its decisions regarding the timing of purchases of the Company's shares independently of the Company.

It is placed on record that the majority shareholder of the Company, Prosegur Compañía de Seguridad, S.A., and its wholly owned subsidiary, Prosegur Asset Management, S.A., holders of 72.5% of the share capital, have stated their intention of not selling shares of Prosegur Cash in the coming months.
