GREENERGY RENOVABLES, S.A.

24th March 2024

In accordance with the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information relating to GREENERGY RENOVABLES, S.A. (hereinafter, "GREENERGY") is made available to the market:

Greenergy completes the effective transfer of 77MW of wind assets in Peru.

Greenergy notified the sale agreement of its wind assets in Peru (registration number 26350), which include both operational parks (37MW) and projects in the development phase (40MW), to Engie Energía Perú, one of the main local energy producers.

The company informs that the effective transfer has been completed following the recent approval received from the National Institute for the Defense of Competition and the Protection of Intellectual Property (INDECOPI).

The final transaction amount totals 60.3 million dollars (equity value), although it could increase by 3.2 million dollars depending on the fulfillment of certain milestones (earn-outs). The actual receipt of the agreed amount has already been made.
