The Statutory Sell-out will be treated as a six-month subsequent offering period to the U.S. Offer. Under Mexican law and regulations, the Statutory Sell-out will not be treated as a tender offer in Mexico or a subsequent offering period of the Mexican Offer.

The U.S. Offer is subject to the terms and conditions set forth in the U.S. Offer to Purchase filed with the SEC and the Mexican Offer is subject to the terms and conditions set forth in the informative memorandum (*folleto informativo*), in each case, as amended from time to time.
