RESOLUTION TO AGENDA ITEM 6

Approval of a Plan for 2024 for the delivery of shares of Pharma Mar, S.A. treasury stock to employees and executives of Group companies in order to promote their participation in the share capital and encourage them to remain in the Group.

In order to promote the participation of the employees and managers of the Group companies in the share capital of Pharma Mar, S.A. and encourage their permanence in the Group, it was agreed to approve a plan of free delivery of the treasury stock of Pharma Mar, S.A. (hereinafter, the "Plan") for year 2024 by the Group companies, under the same conditions for all employees and managers.

The Plan will be directed and offered under equal conditions to all employees and managers who are taxpayers of the Personal Income Tax of the following companies of the Pharma Mar Group: Pharma Mar, S.A. and Sylentis, S.A. Sociedad Unipersonal.

The shares destined for the Plan will come from the treasury stock of Pharma Mar, S.A. that is owned at the time of execution of the Plan.

The Board of Directors will design and apply the Plan based on the conditions and within the limits established below.

1.- BENEFICIARIES, CONTENT OF THE PLAN AND SUBJECTIVE LIMITS

- 1.1.- **BENEFICIARIES.** The employee or manager, to be a beneficiary of the Plan, must be active at the time of its execution, have a minimum of six (6) months as an employee or manager at any of the Group companies as of December 31, 2023 and have communicated to your current employing company the maximum amount of your salary that you wish to apply to the purchase of treasury shares of Pharma Mar, SA at normal market price.
- 1.2.- **CONTENT OF THE PLAN.** Simultaneously and in addition to the purchase of treasury shares of Pharma Mar, S.A. For the employee or manager with part of his/her salary, each employer company will deliver to the employee or manager under the Plan, simultaneously with said purchase, a number of free shares of the treasury stock of Pharma Mar, S.A. which will be equal to the whole number, rounded by default, as a result of applying a percentage (hereinafter the "Percentage"), previously determined by the Board of Directors of Pharma Mar, S.A. which will be equal for all employees or managers, to the number of shares actually purchased with said part of their salary, which, if applicable, will have to have been adjusted and reduced against the maximum amount requested if the value of the free shares to be delivered to the Employee or manager exceeds the subjective maximum limits mentioned in section 1.3 below or the number of free shares to be delivered to all Group employees or managers as a whole exceeds the maximum limit in section 2 below.
- 1.3.- **SUBJECTIVE LIMITS.** The market value of the shares delivered to each employee or manager will be limited to a maximum of 12,000 euros and, together with the other remuneration in kind received in 2024, may not exceed 30% of their total salary payments in accordance with the article 26.1 of the Workers' Statute Law.

2.- OBJECTIVE SCOPE

Up to a maximum of 41,000 shares, free or not, will be awarded in the Plan for all employees and managers of the Group companies.

If the resulting total number of shares to be delivered, after the application to each employee or manager, where appropriate, of the subjective limits of section 1.3 above, exceeds said maximum limit of 41,000 shares, the excess will be prorated, proportionally reducing the number of shares to be received by each employee or manager, reducing in equal proportion those purchased with their salary, so that, without modification of the Percentage, the number of shares to be delivered as a whole does not exceed the maximum figure indicated.

3.- OTHER CONDITIONS

The Board of Directors will determine the Percentage mentioned in 1.2 above, which will be the same for all employees and managers and will be communicated together with the offer of the Plan so that each employee or manager can adopt the decision they deem most convenient.

The Board of Directors will establish the appropriate conditions so that the Plan also fulfills its purpose of loyalty to its beneficiaries, setting the terms of permanence necessary to be able to dispose of the actions, as well as the consequences of the beneficiary's failure to comply with the conditions of the Plan, which they may include the loss of all or part of the free shares delivered.

Likewise, the Board may determine the guarantees that the beneficiaries must constitute on the delivered shares, in order to ensure compliance with the Plan.

The Board of Directors is also authorized to delegate in favor of the Executive Committee or the director or person that it deems appropriate, the powers conferred by virtue of this resolution that are legally delegable.

This proposed resolution has been promoted by the Appointments and Compensation and Sustainability Committee and subsequently assumed by the Board of Directors.
