OHL, 110 years promoting infrastructures

OHL, 110 YEARS PROMOTING INFRASTRUCTURE AT THE SERVICE OF THE PUBLIC

OHL WAS BORN IN 1911 IN BILBAO

- Obrascón was incorporated in 1911 in Bilbao. Its first two works were the Alcántara dock and the west dock of the Port of Santos in Lisbon.
- After years of growth and expansion in Spain, in 2002 it began its internationalization, which has led it to become the 47th largest contractor in the world*.

REFERENCE CONTRACTOR IN THE AMERICAS

- OHL has been building infrastructure in Latin America for more than 40 years. Of particular note is its positioning in the Pacific Alliance countries
- The USA is one of its reference markets. With a presence in this country since 2006, in the 2020 financial year, it was awarded contracts amounting to €1,354.7 million.

GOOD GOVERNANCE, SUSTAINABILITY AND INNOVATION, THE CORNERSTONES OF ITS GROWTH

- In 2003, it made public its commitment to sustainable development. Sustainability and good governance are cross-cutting elements of its strategy
- Over the last two decades, it has developed more than 300 R&D&I

2021, THE BEGINNING OF A NEW PHASE

- Coinciding with its 110th anniversary, the company is entering a new phase with a strengthened financial position.
- Long-term commitment of the Amodio family to OHL, becoming its reference shareholder.

OHL reference works in Spain, USA and Mexico.

*Ranking ENR 2020.

2020 HIGHLIGHTS AT DIFFERENT LEVELS

+110 years of
history

Operational

- **Covid-19 Pandemic:** total estimated impact on EBITDA: 35 Mn€
- **Measures to mitigate the pandemic:** adoption of socio-healthcare measures (i.e. provision of protective material, flexible working schedule and teleworking) in order to protect and preserve the health of company workers and collaborators
- **Temporary lay-off measures (ERTE):** Temporary lay-off measures agreed with the workers' legal representatives, for an approximate duration of 3 months. Furthermore, a salary decrease was agreed amongst the Board of Directors, senior management, executives and managers
- OHL is considered a **key operator in essential activities** (i.e. hospital management, cleaning of roads, home assistance services, maintenance and energy efficiency)
- Of interest is its **solid performance in order intake in the U.S. in 2020**, eventually extending the construction order book by a total of 1,354.7 Mn€
- **The Industrial and Services divisions are back to normal**, ending the year with greater margins than in 2019

Financial

- **Redemption of bonds maturing in 2020 (73 Mn€)**
- Bolstered liquidity by **signing a syndicated loan** on 30 April, for a total of **140 Mn€**. The facility is backed by the State through Instituto de Crédito Oficial (ICO)
- **Signature of an agreement to sell the stake held in Nuevo Hospital de Toledo and Mantohledo for 74.6 Mn€**. The deal is expected to be closed during the first half of 2021

Strategic

- **Entry of the Amodio Family** as the company's new reference shareholder
- **Agreement to improve OHL Group's long-term balance sheet and financial structure** backed by bondholders, shareholders and banks
- **Agreement reached with the Villar Mir Group** regarding its debt and Pacadar's debt owed to the OHL Group
- **Four Seasons Hotel** inaugurated in Centro Canalejas Madrid

ORDERBOOK⁽¹⁾			
Total	6.094,7	5.457,9	4.962,1
NEW AWARDS⁽²⁾			
Total	3.116,0	2.667,7	2.760,8
<i>New awards in North America</i>	1.049,5	688,6	1.354,7
BALANCE SHEET			
Recourse liquidity	1.033,3	781,6	664,3

- **Sales in line** with the business Plan
- **Positive operating result** in all the divisions
- **Negative extraordinary results** mainly due to Covid-19 in the Construction, Industrial and Property Development divisions, and due to the impairment of GVM / PACADAR's debt owed to OHL
- The total impact of the COVID-19 is estimated to be **c.35Mn€ at EBITDA level**
- **Diversified order book** by geography, size and type
- **New awards 3.5%** higher than in 2019
- **Legacy projects** in line with expected cash consumption

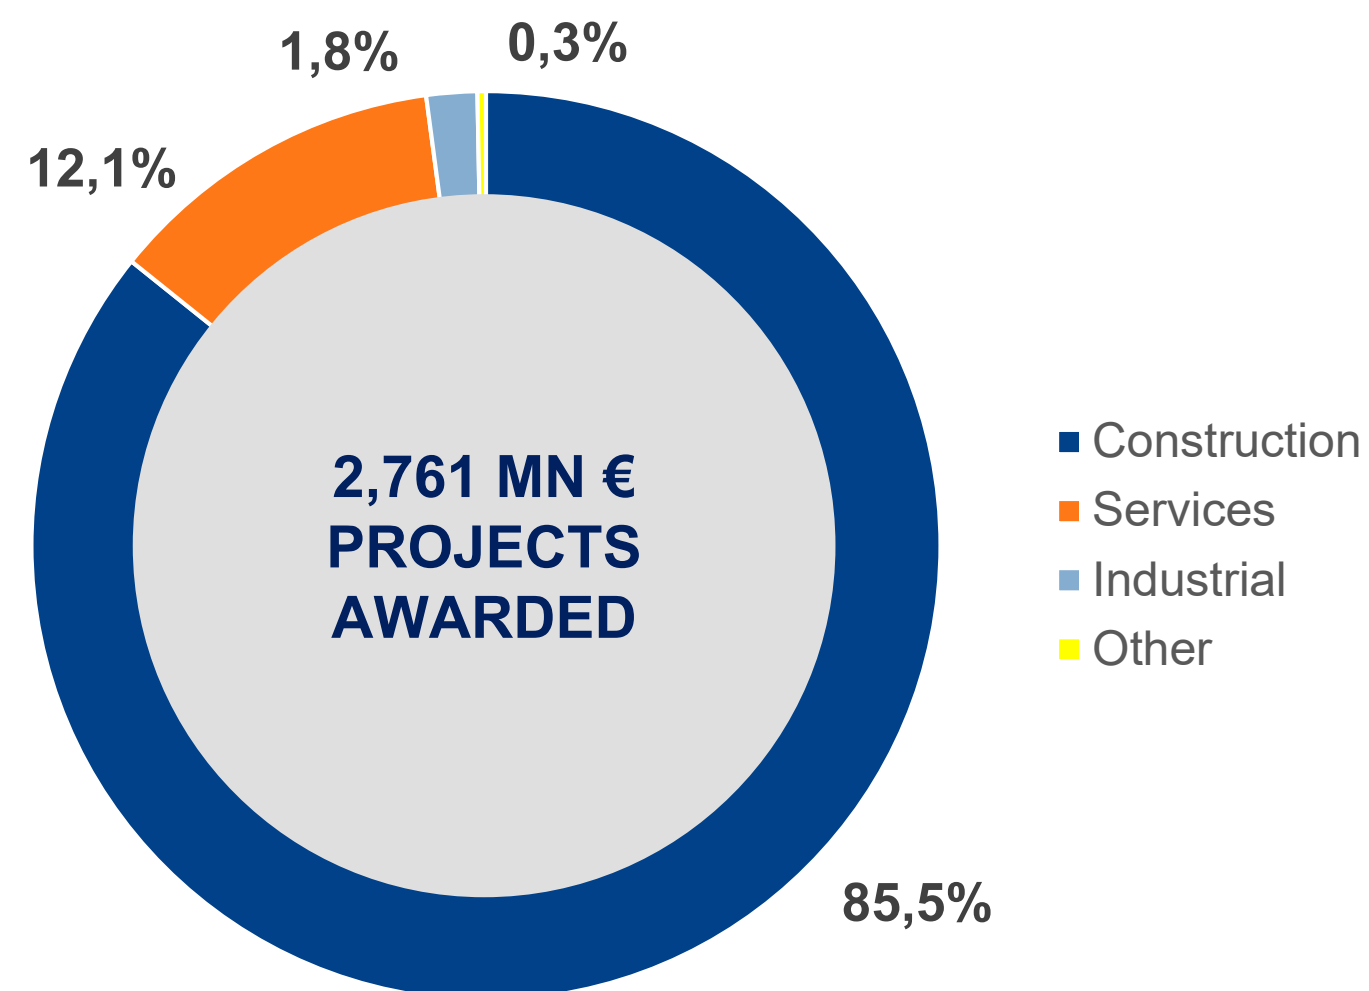

(1) Reduction of the backlog in c.500 M€ in 2019 due to write offs of the AT-AT and Rio Magdalena projects (Aleatica)

(2) New awards + extensions

- Asset management
 - Asset sale closing
 - Opening of the Centro Canalejas Madrid Comercial area
- Promotion of concessions activity (SENDA infrastructures)
- Cash management
- Increase in the capacity of guarantee lines and bonding

OHL TARGETS IN 2021

Sales	}	2,9-3,0 Bn€
EBITDA	}	>80 Mn€
Overhead costs ⁽¹⁾	}	4% o/sales
New awards	}	>3 Bn€

(1) Excluyendo los costes de estudios y proyectos

7. Good Governance

Národní technická knihovna Praha
Czech Republic

NON-FINANCIAL PERFORMANCE / SUSTAINABILITY

We are committed to a sustainable growth model that boosts city development and social cohesion, providing a response to the huge challenges faced by our planet.

GOOD GOVERNANCE AND TRANSPARENCY

30% women on the Board of Directors

Certifications renewed in anti-corruption and Criminal Compliance matters

We belong to FTSE4Good Ibx and have adhered to the United Nations Global Compact committed to the 2030 Agenda

* In the last four years.

ENVIRONMENTAL RESPONSIBILITY

Approximately 40 projects have certified sustainability

Decrease in the amount of energy produced by our emissions

Offsetting of over 10,000 tonnes CO2 by investing in certified reforestation projects*

We promote the circular economy. Reused, recycled or recovered more than 60% of non-hazardous waste on site in 2020.

CREATING SHARED VALUE

A nearly 10% staff increase (approximately 50% women)

More than 90% of our worksites meet ISO 45001 (Health & Safety)

Over 10 years' volunteer work and social action (+ 22 million euros invested, +25,000 volunteers)

Consejo Empresarial Español para el Desarrollo Sostenible

forética

A photograph of a modern building with a prominent, illuminated, geometric facade structure. The structure is composed of large, triangular panels that create a complex, crystalline pattern. The building is set against a clear blue sky. The overall aesthetic is clean and architectural.

8. Project milestones

PROJECT MILESTONES

OHL enters the Panamanian market

OHL extended its presence in the Americas with the award of a 2.2 km extension of Metro Line 1 linking Panama and Villa Zaíta.

PROJECT MILESTONES

Grand opening of Centro Canalejas Madrid (Spain). Civil Works 2020 Award

In September 2020, one of the largest urban regeneration projects in Spain was inaugurated, investing more than €600 million and generating more than 5,000 jobs. This project marked the start of the first Four Seasons Hotel in Spain.

PROJECT MILESTONES

Nine decades building hospital projects

OHL consolidated its portfolio of projects in the hospital sector with the award of a new contract for the expansion and renovation of the Albacete University Hospital Complex. Meanwhile, the Toledo University Hospital, considered the largest hospital in Europe, was inaugurated, in the construction of which the company participated.

PROJECT MILESTONES

**USA, engine of growth**

The US market is a benchmark for the company. In 2020, it added new contracts totaling €1,354.7 million. Among these contracts is the South Corridor Rapid Transit, the most important of the year.

PROJECT MILESTONES

Guadalajara light train (Mexico).

Inauguration of line 3 of the Guadalajara (Mexico) light rail line, described as the most modern and advanced railway line built in Mexico. Its design is environmentally sustainable, avoiding the emission of polluting substances, reducing noise levels and energy consumption.

PROJECT MILESTONES

Strengthened presence in the Nordic market

Present in Norway since 2015 through the Ski project, the country's largest transport infrastructure project. OHL is participating in the extension of the Lund-Flackarp railway section in Sweden for nearly €80 million.

PROJECT MILESTONES

Recognition for the work during Covid-19

OHL Servicios-Ingesan, recognized by AENOR for its prevention work against Covid-19. Nearly 10,000 employees of the division have been providing services to the public during the state of emergency

OHL Servicios employees during the state of emergency.

DISCLAIMER

This presentation (“Presentation”) includes forward-looking statements. These forward-looking statements include all matters that are not historical facts, statements regarding the intentions, beliefs, projections or current expectations of Obrascón Huarte Laín, S.A. and its direct and indirect subsidiaries (“OHL” and the “Group”) concerning, among other things, the Group’s results of operations, financial condition, liquidity, prospects, growth, strategies and the industry in which the Group operates.

The information contained in this Presentation has not been independently verified and no independent evaluation or appraisal of the Group has been undertaken. Neither the Group nor its affiliates, nor its or its affiliates’ respective officers, directors, employees, agents or advisers, make any representation or warranty, express or implied, as to (nor accept any liability whatsoever, whether in contract, in tort or otherwise, in relation to) the reasonableness, accuracy, reliability or completeness of this Presentation or any statement, information, forecast or projection made herein, or any other written or oral communications transmitted to the recipients in connection herewith. The Presentation has been prepared on the basis of the position as at the time of the Presentation, and the information provided therein will not be updated or corrected after the date of the Presentation. There can be no assurances that the forecasts or expectations are or will prove to be accurate.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. The Group cautions you that forward-looking statements are not guarantees of future performance and that the actual results of operations, financial condition and liquidity and the development of the industry in which the Group operates may differ materially from those made in or suggested by the forward-looking statements contained in this Presentation. Factors that may cause the Group’s actual results to differ materially from those expressed or implied by the forward-looking statements in this Presentation, include, but are not limited to: (i) the Group’s inability to execute its business strategy, (ii) the Group’s ability to generate growth or profitable growth and (iii) political changes in countries relevant to the Group’s operations, including changes in taxation.

In addition, even if the Group’s results of operations, financial condition and liquidity and the development of the industry in which the Group operates are consistent with the forward-looking statements contained in this Presentation, those results or developments may not be indicative of results or developments in future periods.

OHL does not assume any obligation to review or confirm expectations or estimates or to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise after the date of this Presentation.

This Presentation does not constitute a financial product, investment, tax, accounting or legal advice, a recommendation to invest in any securities of the Group, or any other person, or an invitation or an inducement to engage in investment activity with any person. This Presentation has been prepared without taking into account the objectives, financial situation or needs of any particular recipient of this Presentation, and consequently the information and opinions contained in this Presentation may not be sufficient or appropriate for the purpose for which a recipient might use it. Any such recipients should conduct their own due diligence, consider the appropriateness of the information and opinions in this Presentation having regard to their own objectives, financial situation and needs, and seek financial, legal, accounting and tax advice appropriate to their particular circumstances.

This Presentation and the information contained herein does not constitute an offer to sell or a solicitation of an offer to buy or exchange or acquire securities in the United States or in any other jurisdiction. The securities referenced in this Presentation may not be offered, sold, exchanged or delivered in the United States absent registration or an applicable exemption from the registration requirement under the U.S. Securities Act of 1933, as amended. The securities mentioned in this Presentation are not, and will not be, registered in the United States.
