Soltec Power Holdings announces the signing of a 342MW-agreement with AES

Soltec Power Holdings, through its subsidiary *Soltec Energías Renovables S.L.*, has made public the signing of an Addendum to the agreement originally signed with AES Distributed Energy, Inc. (“AES”) for the supply of solar trackers, dated September 3, 2019. The Addendum includes the development of four new projects in the US market, for an installed capacity of 342 MW and an amount of \$30,780,000, with deliveries being scheduled for 2021 and 2022.

This agreement is of particular relevance as it confirms the positioning of AES as a strategic partner for Soltec Power Holdings, thus reinforcing the latter’s position in the US market.
