The email containing the document or the proxy and voting card must (a) be signed electronically, or with a qualified electronic signature of the shareholder (based on a qualified and currently valid electronic certificate issued by the Spanish Certification Agency (CERES), an entity of the Spanish National

Mint) or, alternatively, (b) include a scanned copy in pdf format of the national identity card or other official identity document. Likewise, in the case of corporate shareholders, a scanned copy of a document evidencing that the natural person signing the attendance, proxy and voting card has the authority to represent the legal entity must be attached thereto.

Shareholders may obtain their attendance, proxy and remote vote cards from the IBERCLEAR member entity with which the shares are deposited.

In accordance with the bylaws and the shareholders’ meeting regulations, in order to be valid, proxies and votes cast via a remote means of communication other than the Application must both be received by the Company before midnight on the third day before the date scheduled for the Shareholders’ Meeting on first call, i.e., no later than midnight on April 22, 2024.

The validity of a proxy or vote may depend on confirmation of a shareholder's status as such, verifying that the ownership and number of shares given by each of the persons sending their proxy or remotely voting match the data provided by IBERCLEAR. In case of discrepancy between the number of shares notified by the shareholder and the information in the IBERCLEAR file, the share number reported by IBERCLEAR will prevail for the purposes of quorum and voting.

Attendance at the Shareholders’ Meeting by a shareholder who has previously granted a proxy or voted through a remote means of communication will leave the proxy or vote null and void.

SUSPENSION OF ELECTRONIC SYSTEMS OR INTERCONNECTION FAILURES

Both for the granting of proxies or the casting of votes by means of distance communication and for remote attendance at the Shareholders’ Meeting, the Company reserves the right to modify, suspend, cancel or restrict the electronic proxy or voting and/or remote attendance mechanisms where advisable or necessary for technical or security reasons. Should any of these scenarios occur, it will be announced on the Company’s website. The foregoing is without prejudice to the validity of proxies already granted, votes already cast and shareholders’ attendance and representation rights.

The Company will not be liable for any damage caused to shareholders due to malfunctions, overloads, line failures, failed connections or any other contingency of the same or a similar nature, beyond the control of the Company, that hinders the use of the electronic proxy or voting and/or remote attendance mechanisms. Therefore, such circumstances will not constitute an unlawful deprivation of shareholder rights, although the Company may adopt the measures that each situation requires, such as temporarily suspending or extending the Shareholders’ Meeting if necessary to ensure that the shareholders or their proxies may fully exercise their rights.

SHAREHOLDERS’ ELECTRONIC FORUM

In accordance with current legislation, a Shareholders’ Electronic Forum has been set up on the Company's website (www.prosegur.com), the use of which will comply with its legal purpose and the guarantees and working rules established by the Company and any duly legitimated shareholders or groups of shareholders may have access thereto.
