Once such period has ended, the Board of Directors of Banco Sabadell may modify the Shareholder Remuneration Policy, in accordance with the Capital Companies Act, with no need for approval by the General Meeting of Shareholders.

AGENDA ITEM FIVE RESOLUTION.

Approve the reactivation of the share repurchase programme originally for an effective amount of up to €340 million (THREE HUNDRED AND FORTY MILLION EURO), which was approved by the Board of Directors of Banco de Sabadell, Sociedad Anónima at a meeting on 24 April 2024, implementing the resolution to reduce the share capital adopted by the General Meeting of Shareholders on 10 April 2024 under agenda item four, and which was temporarily suspended at the request of the National Securities Market Commission (CNMV) on the occasion of the publication of the advance announcement of the voluntary public tender offer made by Banco Bilbao Vizcaya Argentaria, S.A. for all of the shares representing the share capital of Banco de Sabadell, Sociedad Anónima (the "Offer"). Consequently, since, up to the time the share repurchase programme was suspended, own shares amounting to €92,864,152.55 had been purchased, and regulatory authorisation from the competent authority having been obtained, it is resolved to approve a programme to repurchase own shares for an effective amount of up to €247 million (TWO HUNDRED AND FORTY-SEVEN MILLION EURO) (the "Repurchase Programme"), which is approximately the amount of the repurchase programme that had not been executed at the time it was suspended, under the following terms and conditions:

- a) Applicable regulations: Article 5 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse and Commission Delegated Regulation (EU) No. 2016/1052 of 8 March 2016 (the "Delegated Regulation").
- b) Purpose: to reduce the share capital by cancelling own shares acquired in execution of the capital reduction approved in this resolution, contributing to remunerating the shareholders of Banco de Sabadell, Sociedad Anónima by means of the increase in earnings per share that is inherent to the reduction in the number of shares.
- c) Maximum monetary amount: €247 million.
- d) Maximum number of shares: the maximum number of shares to be acquired will depend on the average price at which the purchases are made, but may not exceed 538,769,008 shares or such lesser number of shares as, added to the remaining treasury stock at any given time, represents 10% of share capital.

- e) Maximum price per share: shares may not be acquired at a price exceeding the higher of the following: (a) the price of the last independent transaction, or (b) the highest independent bid at that time in the trading venue where the purchase is made.
- f) Volume: purchases on any given trading day may not exceed 25% of the average daily volume of the shares at the trading venue where the purchase is made. The daily volume for these purposes will be the average daily trading volume in the twenty (20) business days prior to the date of each purchase.
- g) Commencement of the Repurchase Programme: the Repurchase Programme will commence on 31 March 2025.
- h) Conclusion of the Share Repurchase Programme: the Repurchase Programme will end no later than 31 December 2025 and, in any case, once the maximum monetary amount is reached or the maximum number of shares that it targets has been acquired.

Nevertheless, the Board of Directors may (i) interrupt or terminate the execution of the Repurchase Programme early if circumstances so advise or require, and (ii) extend the term of the Repurchase Programme before it has expired in the event that neither the maximum monetary amount nor the maximum number of shares to be acquired have been attained.
- i) Method of execution: The Repurchase Programme will be executed externally by one or more credit institutions or investment firms, in the understanding that in any given session only the one designated beforehand in accordance with the criteria established for this purpose may trade.

Additionally, revoking motion four adopted by the General Meeting of Shareholders on 10 April 2024 to the extent that it has not been executed, as provided therein, approve the reduction of share capital of Banco de Sabadell, Sociedad Anónima by the par value of the own shares that may be acquired by the institution by virtue of the share repurchase programme whose reactivation is approved in this resolution, for a maximum effective amount of €247 million (TWO HUNDRED AND FORTY-SEVEN MILLION EURO), all within the maximum limit of 10% of the share capital on the date of presentation of this motion (i.e., up to a maximum nominal amount of SIXTY-SEVEN MILLION THREE HUNDRED AND FORTY-SIX THOUSAND ONE HUNDRED AND TWENTY-SIX EURO AND TWENTY FIVE CENT (€67,346,126,025), corresponding to FIVE HUNDRED AND THIRTY-EIGHT MILLION SEVEN HUNDRED AND SIXTY-NINE THOUSAND EIGHT (538,769,008) shares with a par value of 0.125 EURO (€0.125) each, in accordance with the regulatory authorisation obtained previously, by cancelling the own shares that have been acquired within the framework of the Repurchase Programme under the authorisation granted by the resolution approved under agenda item six of the General Meeting of Shareholders on 10 April 2024, or any other resolution of the General Meeting of Shareholders regarding the acquisition of own shares for the purpose of cancellation, in accordance with the provisions of the applicable laws and regulations. The term of execution of this capital reduction will be until the date of the next Ordinary General Meeting of Shareholders, without prejudice to the term of regulatory authorisations, at which point the part not executed shall be rendered null and void.

Within the period of validity of the resolution, the capital reduction may be executed wholly or partly in the manner and at the times that the Board of Directors or, by delegation, any director with delegated powers deems most appropriate, within the limits established in this resolution and in the law and the authorisations by the competent authorities.

The final amount of the capital reduction will be set by the Board of Directors or, by delegation, by any director with delegated powers, within the aforementioned maximum limit, depending on the final number of own shares that are acquired under the Repurchase Programme and that the Board of Directors, or the director(s) to whom such power is delegated, decides to cancel in accordance with the delegation of powers approved below.

This capital reduction does not entail a refund of contributions to the shareholders since, at the time the capital reduction is executed, the shares to be cancelled will be owned by Banco de Sabadell, Sociedad Anónima. At the time of executing the capital reduction, the Board of Directors may recognise, out of unrestricted reserves, a restricted reserve for cancelled capital for an amount equal to the par value of the cancelled shares, which may only be used subject to the same requirements as for the capital reduction, by application of article 335.c) of the Capital Companies Act. If that reserve is recognised, the company's creditors will not be entitled to object under Article 334 of the Capital Companies Act.

For the purposes of the provisions of Article 411 of the Capital Companies Act and in accordance with the first additional provision of Law 10/2014, of June 26, on the regulation, supervision and solvency of credit institutions, since Banco Sabadell, Sociedad Anónima is a credit institution and the other requirements set forth in the aforementioned additional provision are met, the consent of the syndicates of holders of the outstanding debentures and bonds is not required to execute the capital reduction.

The balance of the legal reserve account in excess of 20% of the share capital resulting from the execution of the capital reduction shall be reclassified to the voluntary reserves account once that capital reduction is completed.

The Board of Directors is expressly empowered, as broadly as legally possible, with the express power to be replaced by the director or directors that the Board of Directors deems appropriate and, without prejudice to any existing delegations or empowerments, to carry out any actions and formalities that may be necessary or merely advisable to successfully execute and implement the Repurchase Programme approved in this resolution, including in particular, but not limited to, the following:

- a) to set the terms and conditions of the Repurchase Programme in all aspects that are not specified or that do not clash with the provisions of this resolution;
- b) to publicise the terms of the Repurchase Programme prior to its commencement, as well as the transactions carried out under it, and its conclusion, all in accordance with the applicable regulations;

- c) to make such announcements and disclosures of inside information or other relevant information as may be legally necessary or advisable, as well as to carry out any actions, declarations, formalities or communications and adopt any measures that may be necessary or advisable for the execution and formalisation of the repurchase programme before the National Securities Market Commission, the Spanish Stock Exchanges or any public or private entity or authority, whether Spanish or foreign, including any act to remedy, clarify, complete or correct any defect or omission that prevents or hampers the execution of the foregoing resolutions;
- d) to draft, sign or register any additional or supplementary documentation or information required by the National Securities Market Commission, the Spanish Stock Exchanges or any other Spanish or foreign authority;
- e) to select the external entity or entities to manage the Repurchase Programme and to negotiate, agree and sign any public or private documents and contracts that may be necessary or advisable for the execution and the completion of the Repurchase Programme; and
- f) in general, to perform any act and execute any public or private document that may be necessary or advisable in order to successfully complete the execution of the Repurchase Programme, including appearing and performing any formal act or proceeding before any regulatory authority, public or administrative registry, authority or administrative institution, whether domestic or foreign, that may be necessary to achieve the most complete execution and effectiveness of the repurchase programme.

The Board of Directors is also expressly empowered, as broadly as legally possible, with powers to be replaced by any director or directors that the Board of Directors deems appropriate, and without prejudice to any delegations or empowerments that already exist, to execute the capital reduction totally or partially at one or more times within the established execution period and in the form that they consider most appropriate, including, but not limited to, the following:

- a) to specify and elaborate upon this resolution, establishing the terms and conditions of the capital reduction in all matters not provided for, including in particular, but not limited to, establishing the date or dates on which the adopted resolution to reduce share capital must be carried out, which must, in any event, be before the next Ordinary General Meeting of Shareholders of Banco de Sabadell, Sociedad Anónima;
- b) to determine the number of shares to be cancelled in each execution, with the possibility of being able to decide not to execute the resolution totally or partially if no own shares are ultimately acquired for the purpose of cancellation or if, shares having been acquired for that purpose, emerging circumstances, the situation of the market or the company or an event of social or economic importance prevents execution, including but not limited to a significant change in the share price of Banco de Sabadell, S.A., the regulatory framework applicable to the Bank or the capital requirements applying to it, the Board of Directors may

elect not to execute the resolution in the company's best interests; in any event, such decisions must be reported to the next Ordinary General Meeting of Shareholders.

The Board of Directors is also expressly empowered, as broadly as legally possible, with the express power to be replaced by the director or directors that the Board of Directors deems appropriate and, without prejudice to any existing delegations or empowerments, to carry out any actions and formalities that may be necessary or merely advisable to successfully execute any capital reduction that it is decided to perform under this delegation, including in particular, but not limited to, the following:

- a) to request and obtain from the competent authorities such authorisations, consents or permits as may be necessary for the full execution of the capital reduction;
- b) to declare each of the executions of the capital reduction that is ultimately decided upon to have been completed, setting, as appropriate, the definitive number of shares to be cancelled in each execution and, therefore, the amount by which the share capital of Banco de Sabadell, Sociedad Anónima must be reduced in each execution, in accordance with the limits established in this resolution; and to recognise a reserve for cancelled capital for an amount equal to the par value of the cancelled shares, for the purposes of the provisions of Article 335 of the Capital Companies Act, and assign to voluntary reserves any amount by which the legal reserve exceeds 20% of the share capital as a result of the capital reduction;
- c) to take any actions, declarations or steps that may be necessary or advisable in relation to publicising the capital reduction and each of its executions (including any announcements that may be necessary or advisable) and any actions that need to be taken before the National Securities Market Commission (CNMV), the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. Unipersonal (Iberclear), the Spanish Stock Exchanges and, if applicable, the competent authorities and governing bodies of the markets on which the shares of Banco de Sabadell, Sociedad Anónima are listed;
- d) to amend article 7 of the Articles of Association so as to reflect the new amount of share capital and the number of outstanding shares resulting from the implementation of the approved capital reduction;
- e) to negotiate, agree and sign such public and private documents as may be necessary or advisable for the successful completion of the capital reduction, including, but not limited to, such acts, legal transactions, contracts, declarations and operations as may be necessary;
- f) to take such steps as may be necessary or advisable and file such documents as may be necessary with the competent bodies so that, once the shares of Banco de Sabadell, Sociedad Anónima have been cancelled and the pertinent public instrument of capital reduction has been executed and registered in the Commercial Registry, the cancelled shares are delisted from the Spanish Stock Exchanges and the markets on which the shares of Banco de Sabadell, Sociedad Anónima are listed, the pertinent accounting records are cancelled and the own shares are effectively cancelled; and

- g) to take such action as may be necessary or advisable before any public or private institution or body, whether domestic or foreign, to obtain the consent and authorisation required to render the foregoing resolutions effective and to execute and formalise the capital reduction, including declarations, supplements and the rectification of defects or omissions that might hamper or prevent the resolutions from being enforceable.

This resolution is submitted for the approval of the General Meeting of Shareholders in accordance with the provisions of articles 285 of the consolidated text of the Capital Companies Act enacted by Royal Legislative Decree 1/2010, of July 2, and articles 28.1.b) and d) of Royal Decree 1066/2007, of 27 July, on the rules governing takeover bids for securities, in compliance with the current Shareholder Remuneration Policy of Banco de Sabadell Sociedad Anónima, but it is not intended to take any action aimed at preventing the success of the Offer in the sense provided for in article 28 of Royal Decree 1066/2007, of 27 July, on the rules governing public takeover bids for securities.

AGENDA ITEM SIX RESOLUTION.

To approve the establishment of a share repurchase programme for an effective amount of up to €755 million (SEVEN HUNDRED AND FIFTY-FIVE MILLION EURO) (the "Repurchase Programme"), under the following terms and conditions:

- f) Volume: purchases on any given trading day may not exceed 25% of the average daily volume of the shares at the trading venue where the purchase is made. The daily volume for these purposes will be the average daily trading volume in the twenty (20) business days prior to the date of each purchase.

- g) Commencement of the Repurchase Programme: the Repurchase Programme will commence on the business day following the day on which notice is given of the conclusion of the share repurchase programme to which the motion under agenda item five refers.
- h) Conclusion of the Share Repurchase Programme: the Repurchase Programme will end no later than 31 December 2025 and, in any case, once the maximum monetary amount is reached or the maximum number of shares that it targets has been acquired.

Within the period of validity of the resolution, the capital reduction may be executed wholly or partly in the manner and at the times that the Board of Directors or, by delegation, any director with delegated powers deems most appropriate, within the limits established in this resolution and in the law and the authorisations by the competent authorities.

The final amount of the capital reduction will be set by the Board of Directors or, by delegation, by any director with delegated powers, within the aforementioned maximum limit, depending on the final number of own shares that are acquired under the Repurchase Programme and that the Board of Directors, or the director(s) to whom such power is delegated, decides to cancel in accordance with the delegation of powers approved below.

This capital reduction does not entail a refund of contributions to the shareholders since, at the time the capital reduction is executed, the shares to be cancelled will be owned by Banco de

The balance of the legal reserve account in excess of 20% of the share capital resulting from the execution of the capital reduction shall be reclassified to the voluntary reserves account once that capital reduction is completed.

This resolution is submitted for the approval of the General Meeting of Shareholders in accordance with the provisions of articles 285 of the consolidated text of the Capital Companies Law enacted by Royal Legislative Decree 1/2010, of July 2, and articles 28.1.b) and d) of Royal Decree 1066/2007, of 27 July, on the rules governing takeover bids for securities, in compliance with the current Shareholder Remuneration Policy of Banco de Sabadell Sociedad Anónima, but it is not intended to take any action aimed at preventing the success of the Offer in the sense

provided for in article 28 of Royal Decree 1066/2007, of 27 July, on the rules governing public takeover bids for securities.

AGENDA ITEM SEVEN RESOLUTION.

Amend Articles 50 and 59 of the Articles of Association relating to the Board of Directors, subject to obtaining any necessary legal or regulatory authorisations, and subject to the issuance of the mandatory report by the Board of Directors.

The amendment seeks to include the prohibition on independent directors from holding a directorship or an executive position in Spanish or European Union credit institutions, insurance or reinsurance companies, or its parent companies, or similar entities in other geographies in which Banco Sabadell or its consolidated Group operate.

The amendment is also intended to incorporate a reference to the prohibitions, causes of incompatibility and limitations provided by law, the Articles of Association and the Regulations of the Board of Directors in connection with the office of director within the cases in which it is not possible to be a member of the Board of Directors, as well as to include the obligation that the members of the Board incurring in any of the above circumstances, prohibitions, cases of incompatibility, limitation or other cases must resign (without prejudice to the possibility that they may be removed immediately at the request of any shareholder and by resolution of the General Meeting of Shareholders).

The aforementioned articles are to be amended to read as follows:

“Article 50.*The Board of Directors shall consist of a maximum of 15 and a minimum of 11 members, appointed by the General Meeting for a term of four years, with the possibility of re-appointment for periods of the same duration, who shall not be required to provide guarantees and who shall faithfully perform their duties and represent the Company in a diligent and businesslike way in good faith and in the company's best interests and shall keep confidential any data, reports or information of a confidential nature of which they become aware or to which they gain access in the course of discharging their duties, even after they have ceased to hold office.*

Directors must avoid situations of conflict of interest in the terms defined in the Capital Companies Act, including those where the beneficiary of the prohibited acts or activities is a related party of the director.

Independent directors may not hold a directorship or an executive position in Spanish or European Union credit institutions, or insurance or reinsurance companies, or its parent companies, or similar entities in other geographies in which Banco Sabadell or its consolidated Group operate.

Any vacancies arising on the Board of Directors shall be filled by the General Meeting unless the Board decides, in the interests of the Company, to act in accordance with the Capital Companies Act.

Shareholders acting collectively in the manner and in accordance with the requirements of article 243 of the Spanish Capital Companies Act shall be entitled to appoint the corresponding number of Directors.

A director may be removed at any time by a resolution of the General Meeting.

The position of director is compatible with any other office or executive role in the Company and with the remuneration which, based on a proposal from the Remuneration Committee and a resolution by the Board of Directors, is deemed appropriate on the basis of his/her performance of such other functions within the Company, in accordance with the Director Remuneration Policy approved by the General Meeting.

Additionally, under the heading of long-term remuneration, subject to prior approval by the General Meeting, directors who perform executive functions may also participate in incentive plans approved for executives of the Bank consisting of payment in the form of shares, stock options or remuneration linked to the share price.

Article 59. *The following may not hold office as members of the Board of Directors:*

- a) Minors.*
- b) Persons disqualified by law, undischarged bankrupts or insolvents, those under convictions involving disqualification from holding public office, and those convicted of serious breaches of the law or Company regulations, or who are prevented from engaging in trade by reason of their office.*
- c) Government officials whose duties are related to, or have a bearing on, the business of the Bank.*
- d) Those in default with respect to any past-due obligation to the Bank.*
- e) Persons in any of the situations of prohibition, incompatibility or limitation on the office as provided by law, these Articles of Association or the Regulations of the Board of Directors.*

Directors incurring in any of the above circumstances, prohibitions, cases of incompatibility, limitation or other causes of removal established by law, the articles or the regulations must step down, without prejudice to the possibility of their being removed immediately at the request of any shareholder and by a resolution of the General Meeting of Shareholders."

AGENDA ITEM EIGHT RESOLUTION.

The General Meeting of Shareholders takes cognizance that the Board of Directors of Banco de Sabadell, Sociedad Anónima (hereinafter, Banco Sabadell, the Bank or the Entity), at a meeting on 6 February 2025, resolved, subject to the approval of the pertinent amendments to the

Articles of Association, to amend Articles 7, 24 and 29 of the Regulations of the Board of Directors, to adapt their wording to the amended wording of the Articles of Association submitted to the General Meeting of Shareholders under agenda item seven.

The purpose of the amendment is to include in the regulation governing the composition of the Board of Directors that the Board of Directors must strive to ensure that the persons proposed as directors meet all the requirements to hold that position and are not in a situation of incompatibility or prohibition from holding such a position by the Articles of Association or current law, or the provisions of the Regulations of the Board of Directors. In addition, its wording is adapted to that of the Articles of Association, eliminating the requirement that a candidate for Honorary Directorship must have stepped down for reasons of age, since the age limit for holding the position of director has been removed. The amendment also adds the provision that directors will be removed if they meet any of the conditions of incompatibility or prohibition envisaged in the law or the Articles of Association, or in the regulation itself.

The amendment seeks to include the prohibition on independent directors from holding a directorship or an executive position in Spanish or European Union credit institutions, or insurance or reinsurance companies, or its parent companies, or similar entities in other geographies in which Banco Sabadell or its consolidated Group operate. The obligation is established for Directors to notify the Appointments and Corporate Governance Committee before accepting any directorship in another company or institution, in addition to an executive position.

The aforementioned articles are to be amended to read as follows:

“CHAPTER III.COMPOSITION OF THE BOARD OF DIRECTORS

ARTICLE 7.COMPOSITION

1. *The Board of Directors shall be comprised of the number of board members determined by the Shareholders' Meeting within the limits established by the Articles of Association.*
