

NOTICE OF OTHER RELEVANT INFORMATION

GREENERGY RENOVABLES, S.A.

21st February 2023

Pursuant to the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information relating to GREENERGY RENOVABLES, S.A. is made available to the market. (hereinafter, "GREENERGY"):

Greenergy closes a sale agreement in Chile of 32.5 MWp for 44.2 million dollars.

GREENERGY announces the sale of three distribution projects PMGD in Chile, with a combined capacity of 32.5MWp, for a total of 44.2 million dollars.

The sale would correspond to three projects: Dolores (10.8MWp), which was agreed and was recognized in the last quarter of 2022; and Buenaventura and Zaturno, both also with 10.8MWp, which will be recognized in the first quarter of 2023.

These operations are aligned with the company's asset rotation (B2S) strategy, which demonstrates the ability to crystallize value from its renewable assets, as well as to generate cash that supports the financing of own plant objectives (IPP).
