Applus+ SELLS ITS VEHICLE INSPECTION BUSINESS IN THE US

- Applus+ sells its US vehicle inspection subsidiary to focus on higher-growth end markets
-

January 26, 2023 – Applus+, a global testing, inspection and certification company, is pleased to announce the agreement to sell 100% of Applus+ Technologies, Inc., its statutory vehicle inspection operations in the USA, to Opus Inspection, Inc. Completion of the transaction is subject to customary conditions.

This transaction is in line with the active portfolio management announced in the Applus+ Strategic Plan to focus on portfolio mix quality-improvement.

“I want to express my gratitude to all the employees at Applus+ Technologies for their dedication and loyalty all these years. I am sure they, alongside the new owners, will continue to successfully provide this important service in the US for many years to come”, says **Aitor Retes, EVP of Applus+ Automotive**.

“I am pleased to say that this transaction went smoothly and represents a good outcome for all concerned. I wish all the employees at Applus+ Technologies the very best for the future. For us, this is another step forward in the execution of our 2022-2024 Strategic Plan”, says **Joan Amigó, CEO of Applus+**.

Applus+ Technologies employs 260+ people and manages vehicle inspections that take place in over 2,500 centres in the US. Its main services are performing and managing vehicle inspections under state and EPA regulation in six states: Illinois, Massachusetts, Georgia, Utah, Idaho and New York. It also carries out ad-hoc information technology service projects for government agencies in New York, Texas and South Carolina. Revenue for the full year of 2022 was c. €37 million.
