This information is provisional and subject to change

In line with MAPFRE's commitment to transparency, we have released advance information to the market about premiums by region and business unit. This allows the public to follow the behavior of the key business indicator ahead of the second quarter results presentation, which is planned for October 28.

This information makes it possible to provide a more complete understanding of the Group business performance, since some countries release information about MAPFRE's written premiums in advance of the results presentation.
