3. Notwithstanding the aforementioned compensation, Executive Directors' compensation may also include the delivery of shares or share option rights or compensation linked to share value. The Board may meet remotely with all or some of its members and the Secretary using videoconferencing, conference calls, or any other means of distance communication, provided there is interactivity and intercommunication in real time, thereby guaranteeing simultaneity of developments. In such case, the meeting notice and minutes shall indicate, as the case may be, the connection system. The resolutions shall be considered passed at the registered offices.

- 5. Unless expressly stated otherwise by the shareholder, if the proxy has a conflict of interest and lacks specific voting instructions or if, despite having such instructions, the proxy wishes not to represent the shareholder with regard to the items with which there is a conflict of interest, it shall be understood that the shareholder has designated to represent him/her as regards those items, jointly and in succession, in the event that any of the following also have a conflict of interest, first, the Chairman of the General Meeting, second, the Secretary thereof and, finally, the Vice Secretary of the Board of Directors, if any, and, if not, or if the latter also has a conflict of interest, the individual selected by the Board of Directors. "ARTICLE 16. DRAWING UP OF THE ATTENDEE LIST

- 1. Attendance cards and proxies will be accepted up to the time set for the General Shareholders' Meeting to start. Thereafter, shareholders or proxies who wish to attend the Meeting may do so in the same hall where the Meeting is being held or, if deemed appropriate by the Company, in an adjacent hall from which they can follow the Meeting, but they will not be deemed attendees of the Meeting for the purpose of drawing up the attendance list.*

In the case of remote attendance, the meeting notice for each Meeting shall specify how soon before the start of the meeting a shareholder or proxyholder wishing to attend such meeting should connect or register in order to be considered present at the Meeting and to be included in the attendance list.

- 2. Before transacting the business on the agenda, an attendance list will be drawn up, stating the nature or representative capacity of each attendee and the number of shares held, directly or indirectly, by the attendees.*

In these cases, the method used will be recorded in the minutes themselves and the appropriate identification stamp, signed by the Secretary of the General Shareholders Meeting and countersigned by the Chairman, will be affixed to the sealed cover or the cover of the medium.

The number of shareholders, present or represented, will be stated at the end of the list, as well as the amount of capital they own, specifying the capital belonging to shareholders with voting rights.

- 3. As deemed necessary by the Chairman, he/she may designate two or more scrutineer shareholders to assist the Presiding Panel in drawing up the attendance list and, as the case may be, counting the votes.*

4. *During the General Shareholders' Meeting any shareholder with the right to attend may consult the attendance list provided that it does not delay or postpone normal proceedings at the Meeting once the Chairman has declared the Meeting to be legally convened, and the Presiding Panel of the Meeting is not obliged to read or provide a copy of the list during proceedings at the Meeting.*

VI. Amend current Article 21 of the General Shareholders' Meeting Regulations, which shall hereafter read as follows:

"ARTICLE 21. VOTING AND REPRESENTATION BY REMOTE MEANS OF COMMUNICATION.

- a) *Shareholders whose shares are registered in the appropriate book-entry ledger five days before the Meeting is held (including those who do not hold the minimum number of shares required to attend in person) shall be entitled to cast their votes on proposals concerning the agenda items by post or through electronic communications, in accordance with the provisions of the Corporate Bylaws and these Regulations and with any other rules supplementing or implementing them as finally established by the Board of Directors.*

Votes by post shall be cast by sending to the Company the attendance card issued by the Company or by entities entrusted with carrying the book-entry records, notwithstanding any additional requirements and conditions which may be established by the Board of Directors in accordance with the provisions of paragraph b) of this article.

A vote by electronic communication shall be cast under qualified electronic signature or any other type of guarantee the Board of Directors deems adequate in order to ensure the authenticity and identification of the shareholder exercising his/her right to vote, notwithstanding as well any additional requisites or conditions that may be established by the Board of Directors in accordance with the provisions of section b) of this article.

With respect to a vote cast by any of the means contemplated in this section a), in order to allow the adequate processing thereof, receipt by the Company must take place sufficiently in advance of the holding of the General Meeting. Otherwise, the vote shall be deemed not to have been cast.

Shareholders who cast a distance vote in accordance with the provisions of this paragraph a) shall be deemed to be present for purposes of the assembly of the General Meeting in question.

- b) *The Board of Directors is authorized to implement the provisions in the foregoing paragraph a), establishing the rules, means and procedures compatible with the existing level of technology, as well as the forms, conditions, restrictions and requirements that they deem appropriate in order to supplement the rules set forth in these Regulations for exercising the right to vote through distance means of communication. Furthermore, the Board of Directors, on the basis of the stability and security offered by available technical resources, shall establish the time as from which shareholders may cast their vote by long-distance communication.*

The Board of Directors shall publish on the Company's website the implementing and supplementary regulations to the scheme established in the General Meeting Regulations as well as the time from which shareholders may cast their vote at the General Meeting by long-distance communication.

- c) *In particular, the Board of Directors may regulate the use of guarantees other than electronic signatures for the casting of electronic votes in order to preserve the authenticity and identity of the shareholder exercising the right to vote, and may also reduce the term of notice referred to in section a) above for the company to receive votes cast by electronic or postal correspondence.*

In any case, the Board of Directors shall adopt the necessary measures to avoid potential duplicity and ensure that the person who casts his/her vote by postal or electronic correspondence has due standing to do so as provided by Article 27 of the Corporate Bylaws.

- d) *The provisions of paragraphs a) and b) above shall also apply to a shareholder authorizing a proxy for the General Shareholders Meeting by means of electronic communication or any other means of long-distance communication.*

In accordance with the provisions of the Corporate Bylaws, personal or remote attendance by the shareholder at the General Meeting shall have the effect of revoking a vote cast by postal or electronic correspondence. - 2. The 2021-2023 Incentive applies to the Executive Directors and all other executives of the Endesa Group holding strategic responsibility, as determined by the Board of Directors.**
- 3. The performance period will be three years from 1 January 2021, for the 2021-2023 Incentive.**
- 4. The 2021-2023 Incentive allocates an incentive to the beneficiaries that includes the right to receive: (i) a select number of ordinary shares of ENDESA, S.A. (the "Shares") and (ii) a monetary payment linked to a target, subject to the conditions and any potential changes resulting from operation of the Plan.**

As relates to the accrued incentive, the first 50% of the target under the Plan shall be paid out fully in Shares.

The monetary amount to be paid out is calculated as the difference in the total incentive accrued and the portion paid out in Shares.

If the maximum number of shares is not a whole number, the amount of Shares to be allocated to each recipient shall be calculated by rounding the amount to the nearest whole number (rounding down for values of 0.49 or less and rounding up for values above 0.49).

5. Accrual of the 2021-2023 Incentive is linked to achievement of four targets during the performance period:

a) Performance of average Total Shareholder Return (TSR) of ENDESA, S.A. in relation to the average TSR performance of the selected benchmark, i.e. the Euro-Stoxx Utilities Index. This parameter will be weighted at 50% of the 2021- 2023 incentive.

b) Target for the cumulative Return On Average Capital Employed during the accrual period. Endesa's cumulative ROACE target represents the ratio between ordinary operating income (ordinary EBIT) and Average Net Invested Capital, on a cumulative basis, during the 2021-2023 period.

This parameter will be weighted at 25% of the total incentive for the 2021-2023 Incentive.

c) Net installed capacity for renewable energy sources, calculated as the ratio between ENDESA's net installed capacity for renewable energy sources and total cumulative net installed capacity in 2023. This parameter will be weighted at 15% of the 2021-2023 incentive.

d) Reduction of the Endesa Group's CO₂ emissions. This parameter will be weighted at 10% of the 2021-2023 Incentive.

A threshold level beyond which the target is considered met and two performance levels for targets that have been overachieved is established for each target: performance beyond the first level equals 150% of the target and performance beyond the second level constitutes maximum achievement of 180% of the target. Therefore, variable compensation levels under the 2021-2023 Incentive will range from 0% to 180% of the incentive base (incentive base (target) equals 100% achievement).

6. The target assigned to each beneficiary under the 2021-2023 Incentive will be as provided in their individual contracts, if addressed therein, or otherwise, in the relevant Group policy defining different target percentage levels based on the level of responsibility.

The maximum number of Shares that may be paid out under the 2021-2023 Incentive is 93,673. This maximum number of shares represents 0.00885% of ENDESA, S.A.'s share capital as at the date this resolution is proposed.

The target for the Chief Executive Officer is €518,000, and the maximum number of shares that he may receive is 11,028.

7. Both payments in the form of delivery of shares and cash payments shall be made subject to the payment and deferral rules established in the Compensation Policy and by the Board of Directors and, specifically, shall be made subject to the relevant malus and clawback clauses.

8. It is resolved to delegate to the Board of Directors, with express power of substitution, the authority to implement at the time and in the manner it deems convenient, formalize, amend, construe, clarify and execute the 2021-2023 Incentive, adopting all resolutions and executing as many public or private documents as may be necessary or convenient to ensure the full effectiveness thereof, with the power to change, rectify, amend and supplement and, in general, to adopt any resolutions and perform any actions necessary or merely convenient for the effective implementation and operation of the 2021-2023 Incentive, including but not limited to, the following powers:

b) To draft, sign and submit before any public or private bodies, the beneficiaries or any other party, any documents and supplementary communications which may be necessary or convenient for the purposes of implementing and executing the 2021-2023 Incentive, granting rights and delivering incentives, including, as the case may be, the relevant prior notice and informational prospectuses.

c) To perform any actions or processes or file any returns before any person, entity or registry, public or private, in order to obtain authorizations or verifications as required to grant the rights and to pay the incentives.
