Throughout 2021, we have seen an uneven performance on the **TV advertising market** quarter on quarter, in line with the evolution of the Covid-19 pandemic.

The **first quarter 2021** the TV ad market shrank by **-13.6%** compared to 2020, the **second quarter** showed a **very strong recovery +82,2%**, the **third quarter** performance of the TV ad market was **flattish** and the **fourth quarter**, impacted by the **Omicrom** variant and the weakness of the automotive sector due the component crisis, lead the TV ad market to shrank by **-4.8%**.

All in all, in **2021 the Spanish TV advertising market was €1,776.2 million**, this is **+8.3%** compared to the TV ad market 2020 (€1,640,3 million).

Mediaset España TV ad market share in 2021 was **43.2%**, same as 2020. The **Group** has managed to keep, throughout the **last seven years its TV ad market share** steady and widening the gap with its main competitor which in 2021 was **+2.8 pp**.

The **Digital Advertising Market**⁹ as reported by Infoadex, was **€1,609.2 million** an increase of **+18.6%** compared to in 2020 (€1,356.4 million).

The **audiovisual market**¹⁰ as reported by Infoadex, was **€3,385.4 million** in 2021 compared to **€2,996.7 million from 2020**, an increase of **+13.0%**. **Mediaset España Audiovisual Ad market share**, including social networks, in 2021 was **24.4%** (vs 25.0% in 2020).

- **Gross Advertising revenues in 2021** amounted to **€833.6 million** in comparison with the **€759.1 million** from 2020 (+9.8%). The breakdown of these revenues is as follows:

- ✓ **Gross Advertising Revenues of Mediaset España's Media** include advertising revenues from, Internet, Teletext the Group's 7 TV channels: TELECINCO, CUATRO, FACTORIA DE FICCIÓN, BOING, DIVINITY, ENERGY, BE MAD and connected TV, in 2021 these revenues amounted to **€806.6 million** compared to **€741.7 million** in 2020 (+8.7%).

Mediaset España's TV advertising revenues in the year were, as per Infoadex data **€767.0 million** (+8.2%) in line with the performance of the TV advertising market (+8.3%).

In 2021 **Mediaset España** has launched new digital advertising formats like the **Open smart TV**, a premium product for advertisers that offers maximum notoriety or **Ad smart** a tool that provides for **different advertising options** which reinforces **Mediaset España's** connected TV commercial offer.

- ✓ **Gross third-party media revenues** include amongst others, the advertising sales for the **free TV channel Gol** and **Be a Lion**, digital advertising company. In **2021 total sales** amounted to **€27.1 million**, compared to **€17.4 million** from 2020 (+55.6%) this is an excellent performance of this revenue line, where **Be a Lion** has more than doubled its ad revenues in the year.

- **Advertisement commissions** in the year, were **€36.9 million**, representing **4.4%** over gross advertising revenues.

- **Net advertising revenues**, after commissions, amounted to a total of **€796.7 million**, compared to the **€729.3 million from 2020**, this is a +9.2% increase in the year.

- **Other Revenues** include income from **movie activity**, **internet**, **Mitel Plus subscriptions**, content sales as well as **services provided to third parties** etc..

In **2021**, **Other Revenues**, amounted to **€79.6 million**, -25.8% compared to 2020 (€107.3 million). This difference is due to the difficult comp with the previous year with a **record content sales** and **Mitele Plus** football package on offer from January to August 2020 (€30/subscription per month, vat included), as well as a lower revenue from the cinema activity in 2021. **Mediaset España** released 2 movies in 2021: "**Operacion Camaron**" was released in June and "**Way Down**" was released in November.

⁹ Digital Advertising Market = Web sites+ RR.SS

¹⁰ Audiovisual market=TV Ad Market +Digital Ad Market

Mitele plus closed December 2021 with over **207.000 subscriptions**, which represents an increase of **+90% in comparison with December 2020** (109.000 subscriptions).

Mediaset España increased Mitele Plus **monthly subscription fee in the year**, and at the end of the period the basic package was **€5/month** per user, up from €3/month per user of the beginning 2021.

In any case, it is worth noting that **2021 Other Revenues** are **above 2019 level** (€69.7 million) and it is **the second-best performing year** (after 2020) since 2012 (€80.0 million).

- **Total Net Revenues** for 2021 amount to **€876.3 million**, compared to **€836.6 million** in **(+4.7%)**.
- **Total Costs** for 2021 amounted to **€633.4 million**, an increase of **+8.5% compared to 2020** (€584.0 million). This increase is as a result of a difficult comp with 2020 and the **resumption of the programming activity in 2021** as the pandemic situation improved. Also, **Mediaset España** broadcasted the **Euro 2020** in the months of June and July.

The **personnel cost** increase in the year, +8.9%, is due to a variety of reasons, such as **basis of comparison** (2020) lower than normal, transitioning to a **more digital business model** and recruitment of digital profile staff for the launching of new projects.

On the other hand, **third party rights costs** went down by **-23.3%** reflecting a comparatively lower utilization of library products versus direct costs.

In any event, **Mediaset España 2021 Total Costs** (€633.4 million) are **still below 2019 level** (€662.2 million, -4.3%).

- In **2020 Mediaset España** obtained an **EBITDA** of **€243.0 million** (-3.8% vs 2020) representing a margin of **27.7%**. In 4Q21, **Mediaset España EBITDA** was **€90.6 million**, the **second-best gross margin since 4Q07**, despite the difficult comp with the 4Q20 when EBITDA grew by **+28.1%** to **€102.6 million**, **best gross margin since 4Q07**.
- **EBIT** in 2021 reached **€225.3 million**, **-2,3% compared to 2020**, representing a **margin of 25.7%**.
- **Pre-Tax profit** for 2021 reaches **€231.3 million**, flat compared to **pre-tax profit from 2020** (€231.4 million) and includes the **consolidated result** from the **associate companies**, **€3.0 million** and **financial results €2.9 million**.
- **Mediaset España's 2021 Net Profit** was **€181.0 million** this is +1.3% compared to 2020 (€178.7 million) representing EPS of **€0.58**.

Total Net Investment in 2021 was **€119.4 million**, compared to **€98.6 million** from 2020, **+21.1%**.

Capex investment went up in 2021 compared to an exceptionally low level in 2020 due to the Covid-19 pandemic. In any case, there is still a slack investment which we expect will be compensated in the coming quarters as we recover to a more normalised post Covid-19 situation.

In the year, the **Group** invested a total of **€62.3 million** in **third party rights** an increase of +8.4% compared to 2020 (€57.4 million). Investment in **local fiction** reached **€35.5 million** compared with the **€24.5 million** from 2020 (+44.5%). **Co-Production/Distribution** reached **€14.7 million**, +1.5x in comparison with 2020 where 5.8 million was invested. Investment in **tangible and intangible assets** was **€7,0 million**, in comparison with the €10,8 million in 2020.

7. DEFINITION OF APMs

The **Mediaset España Group's financial information** contains magnitudes in accordance with current accounting regulations, as well as other measures that have been prepared according to the Mediaset España Group's Reporting model, i.e., **Alternative Performance Measures (APM)**.

These measures are **considered as complementary magnitudes** with respect to those presented in accordance with the **International Financial Reporting Standards (IFRS)**.

APMs are important for **financial information** users as they are the measures used by Mediaset España's Management to evaluate financial performance, cash flows, financial situation or operational and strategic decision making. Its **purpose is to promote the publication of transparent, impartial and comparable financial information** to allow users a better understanding of its financial position and results.

Net Revenues:

Total revenue includes the Group net of discounts and rebates.

Adjusted EBITDA:

("Earnings before Interest, Tax, Depreciation and Amortisation") is an indicator that measures the companies operating margin before deducting interest, taxes, impairments and amortisation.

They are based on the operating benefits to which the provisions for the amortisation of tangible and intangible assets are added, as well as the variations in the working capital provisions.

Due to the specific nature of the business, the consumption of audio-visual rights is included in the operating expenses even though their accounting treatment is amortisation of intellectual property.

Free Operating Cash Flow:

Measures the generation of monetary resources corresponding to operating and investment activities and is used to evaluate the funds available for dividend payments to shareholders or for future investment activities.

Generated Cash Flow:

Corresponds to the cash from the operating and investment activities that, once deductible, dividend payments, interest on financing and treasury stock determine the Group's financial variation.

Liquidity or Net Financial Position:

The Group measures the liquidity or Net Financial Position as the sum of "Cash and other equivalent liquid assets" of other current financial assets and short and long-term credit lines arranged at the end of the period corresponding to loans granted by financial entities with terms, amounts and other conditions agreed in the contract.

Net Investments:

These APMs are used by the Group's Management to measure the investment activity of each period, and corresponds to those operating investments made by the same and net of divestments. It includes that corresponding to joint ventures and other companies operationally managed as such.

Coverage Ratio:

The active / passive liquidity coverage ratio is calculated by dividing Current Assets between Current Liabilities, and is used to determine the number of times the Group could face the maturities of short-term commercial debt with the outstanding debt and the current liquidity.
