RESOLUTION TO AGENDA ITEM 7

Approval of share-based compensation plans for employees and executives of Group companies.

7.1. Approval of a Plan for 2022 for the delivery of free shares of Pharma Mar, S.A. treasury stock to employees and executives of Group companies in order to promote their participation in the share capital and encourage them to remain in the Group.

In order to promote the participation of the employees and managers of the Group companies in the share capital of Pharma Mar, SA, and encourage their permanence in the Group, it was agreed to approve a plan of free delivery of the treasury stock of Pharma Mar, S.A. (hereinafter, the "Plan") for year 2022 by the Group companies, under the same conditions for all employees and managers.

The Plan will be directed and offered under equal conditions to all employees and managers who are taxpayers of the Personal Income Tax of the following companies of the Pharma Mar Group: Pharma Mar, S.A., Sylentis, S.A. Sociedad Unipersonal and Genomica, S.A. Sociedad Unipersonal.

The shares destined for the Plan will come from the treasury stock of Pharma Mar, S.A. that is owned at the time of execution of the Plan.

The Board of Directors will design and apply the Plan based on the conditions and within the limits established below.

1.- BENEFICIARIES, CONTENT OF THE PLAN AND SUBJECTIVE LIMITS

1.1.- BENEFICIARIES. The employee or manager, to be a beneficiary of the Plan, must be active at the time of its execution, have a minimum of six (6) months as an employee or manager at any of the Group companies as of December 31, 2021 and have communicated to your current employing company the maximum amount of your salary that you wish to apply to the purchase of treasury shares of Pharma Mar, SA at normal market price.

1.2.- CONTENT OF THE PLAN. Simultaneously and in addition to the purchase of treasury shares of Pharma Mar, S.A. For the employee or manager with part of his salary, each employer company will deliver to the employee or manager under the Plan, simultaneously with said purchase, a number of free shares of the treasury stock of Pharma Mar, S.A. which will be equal to the whole number, rounded by default, as a result of applying a percentage (hereinafter the "Percentage"), previously determined by the Board of Directors of Pharma Mar, S.A. which will be equal for all employees or managers, to the number of shares actually purchased with said part of their salary, which, if applicable, will have to have been adjusted and reduced against the maximum amount requested if the value of the free shares to be delivered to the Employee or manager exceeds the subjective maximum limits mentioned in section 1.3 below or the number of free shares to be delivered to all Group employees or managers as a whole exceeds the maximum limit in section 2 below.

1.3.- SUBJECTIVE LIMITS. The market value of the shares delivered to each employee or manager will be limited to a maximum of 12,000 euros and, together with the other remuneration in kind received in

2021, may not exceed 30% of their total salary payments in accordance with the Article 26.1 of the Workers' Statute Law.

The members of the Board of Directors of Pharma Mar, S.A. will not be considered as beneficiaries, even if they occupy management positions in any of the Group companies.

2.- OBJECTIVE SCOPE

Up to a maximum of 41,000 shares, free or not, will be awarded in the Plan for all employees and managers of the Group companies.

If the resulting total number of shares to be delivered, after the application to each employee or manager, where appropriate, of the subjective limits of section 1.3 above, exceeds said maximum limit of 41,000 shares, the excess will be prorated, proportionally reducing the number of shares to be received by each employee or manager, reducing in equal proportion those purchased with their salary, so that, without modification of the Percentage, the number of shares to be delivered as a whole does not exceed the maximum figure indicated.

3.- OTHER CONDITIONS

The Board of Directors will determine the Percentage mentioned in 1.2 above, which will be the same for all employees and managers and will be communicated together with the offer of the Plan so that each employee or manager can adopt the decision they deem most convenient.

The Board of Directors will establish the appropriate conditions so that the Plan also fulfills its purpose of loyalty to its beneficiaries, setting the terms of permanence necessary to be able to dispose of the actions, as well as the consequences of the beneficiary's failure to comply with the conditions of the Plan, which they may include the loss of all or part of the free shares delivered.

Likewise, the Board may determine the guarantees that the beneficiaries must constitute on the delivered shares, in order to ensure compliance with the Plan.

The Board of Directors is also authorized to delegate in favor of the Executive Committee or the director or person that it deems appropriate, the powers conferred by virtue of this resolution that are legally delegable.

This proposed resolution has been promoted by the Appointments and Compensation and Sustainability Committee and subsequently assumed by the Board of Directors.

7.2. Approval of a Long-Term Incentive Plan, consisting of the delivery of shares of Pharma Mar, S.A. to certain executives and key Group employees, linked to the achievement of certain strategic objectives, and delegation to the Board of Directors, with express power of substitution, to implement, develop, formalize and execute that remuneration system.

To approve, in compliance with article 219 of the Spanish Capital Corporations Law, the Long-Term Incentive Plan (the "**Plan**") consisting of the delivery of shares of Pharma Mar, S.A. ("**Pharma Mar**" or the "**Company**"), linked to the achievement of certain strategic objectives, aimed at certain executives and key employees of the Pharma Mar Group.

The purpose of the Plan is to align the interests of its beneficiaries with the interests of the Company's shareholders in order to encourage the sustainable achievement of Pharma Mar's Strategic Plan, foster a sense of belonging to the Company, align with the requirements of institutional investors, proxy advisors and good corporate governance practices, and offer a competitive compensation package that contributes to retaining employees in key positions in the Group.

1. BENEFICIARIES, PLAN DESCRIPTION AND LIMITS

BENEFICIARIES: The Plan is aimed at people who, because of their level of responsibility or their position in the Pharma Mar Group, contribute decisively to the achievement of the Company's objectives (the "**Beneficiaries**"). In particular, the Beneficiaries would include certain executives and key employees of the Group, with the exception of executive directors, as determined by the Board of Directors at the proposal of the Appointments and Remuneration and Sustainability Committee.

For the purposes of the Plan, the Pharma Mar Group consists of the Company and its current and future subsidiaries (both Spanish and foreign) in which the Company owns directly or indirectly fifty (50) percent or more of the share capital.

DESCRIPTION OF THE PLAN: The Plan will allow the Beneficiaries to receive a number of shares of the Company's common stock (the "**Shares**"), after a measurement period of between three (3) and five (5) years, provided that certain strategic objectives of the Company and certain requirements are met (the "**Incentive**").

The duration of the Plan shall be regulated in the regulations to be approved by the Board of Directors of the Company (the "**Board**" or the "**Board of Directors**"), at the proposal of the Appointments and Compensation and Sustainability Committee.

At the beginning of the Plan, the Company will allocate a certain amount to each Beneficiary (the "**Target Incentive**"), which will serve as a basis, in turn, to grant a certain number of theoretical shares that will serve as a reference to determine the number of shares to be delivered to each Beneficiary based on the degree of achievement of the Company's strategic objectives established for the Plan.

In order to receive the Incentive, the following requirements must be met: (i) The Beneficiary must maintain an active relationship with the Group on the Plan's Measurement Period End Date, except in certain cases of termination of their relationship, which will be duly set forth in the Plan's regulations to be approved by the Board of Directors; and (ii) minimum levels of achievement of the Plan's strategic metrics established by the Board (the "**Metrics**") must be reached. The Metrics, proposed by the Board of Directors, on which the delivery of Shares will depend, will be linked to the strategic objectives of the Company.

The Board of Directors of the Company must ratify the degree of compliance with the Metrics after having received the report of the Appointments and Compensation and Sustainability Committee prior to the settlement of the Plan. The Incentive to be delivered, if any, to each Beneficiary will be conditioned and determined by the degree of compliance with the Metrics.

LIMITS: The Plan may not exceed the delivery of a maximum of 90,000 Shares. The total limit is 90,000 Shares, which represents 0.49% of Pharma Mar's capital stock.

The Plan's regulations may contain "malus" clauses, which allow the partial or total cancellation of the Incentive amounts pending payment, and "clawback" clauses, which allow the total or partial recovery of the

Incentive paid in the event of certain exceptional circumstances affecting the Company's results, or arising from improper conduct by the Beneficiary.

2.- OTHER CONDITIONS

The details of the implementation and execution of the Plan shall be regulated by the regulations to be approved by the Board of Directors of the Company, at the proposal of the Appointments and Compensation and Sustainability Committee.

The Board of Directors is likewise authorized to implement, develop, formalize and execute the Plan and, with express power of substitution, to delegate in favor of any of its members, in the Executive Committee or in any other person to whom the Board of Directors expressly empowers for this purpose, the powers conferred by virtue of this resolution that may be legally delegated and to sign any public or private documents that may be necessary or convenient for its full effects, including the power to correct, rectify, amend or supplement this resolution. In particular, by way of example only:

- To designate the Beneficiaries and determine the theoretical shares granted to each of them, as well as to develop and set the specific conditions for the settlement of the Incentive, in all matters not provided for in this resolution.
- To draw up, subscribe and present as many communications, documents, public or private, and complementary documentation as may be necessary or convenient before any public or private body for the purposes of the implementation, execution or liquidation of the Plan, including, if necessary, the corresponding prior communications and informative brochures.
- To adapt the content of the Plan to the circumstances and corporate transactions that may occur during its term, under the terms and conditions deemed necessary or advisable at any given time to maintain the purpose of the Plan, including the corresponding adjustments in the delivery of the shares.
- And, in general, to take such actions, adopt such decisions and sign such documents as may be necessary or merely convenient for the validity, effectiveness, implementation, development, execution, liquidation and successful completion of the Plan and of the previously adopted resolutions.
