

Promotora de Informaciones, S.A. ("**PRISA**" or the "**Company**"), in accordance with Article 227 of the Law 6/2023, of 17 March, of the Securities Markets and Investment Services (*Ley de los Mercados de Valores y de los Servicios de Inversión*), hereby discloses the following

OTHER RELEVANT INFORMATION

Following the announcement of "other relevant information" published by the Company on October 31, 2024 (official registry no. 31172), PRISA informs that, during the fourth ordinary conversion period (the "**Fourth Ordinary Conversion Period CN 2023**") of the public subscription offer of subordinated notes mandatorily convertible into ordinary shares of the Company with ISIN code: ES0371743016 (the "**Convertible Notes 2023**" and each one of them the "**Convertible Note 2023**") issued by PRISA on February 2023 (the "**Issuance of Convertible Notes Due 2028**"), the Company has received one request for conversion of 1 Convertible Note 2023, whose nominal amount amounts to EUR 370, remaining outstanding, after the conversion periods that have taken place to date, 63,286 Convertible Notes 2023, representing 18.01% of the total nominal amount of the Convertible Notes 2023 (351,350 Convertible Notes 2023 were issued and subscribed for a total nominal amount of EUR 129,999,500).

In view of the result of the Fourth Ordinary Conversion Period CN 2023, PRISA informs that the Board of Directors of the Company has unanimously approved on its meeting held today the following resolutions:

- 1) Redeem the Convertible Note 2023 whose conversion has been requested during the Fourth Ordinary Conversion Period CN 2023 (the "**Convertible Note 2023 to be Redeemed**"). Fractions of shares will not be settled in cash, to the holder of the Convertible Note 2023 to be Redeemed since, as the conversion price was set at EUR 0.37 on November 8, 2024, the conversion ratio gives, in all cases, a whole number of new shares.
- 2) Partially execute the capital increase approved by the Company's Board of Directors on its meeting held on January 9, 2023 within the framework of the Issuance of Convertible Notes Due 2028, setting the share capital at the amount resulting from adding to the current share capital of PRISA (EUR 108,636,719.30) the necessary amount to attend the conversion, at the fixed conversion price in force on November 8, 2023 (EUR 0.37), of the Convertible Note 2023 to be Redeemed.

For this purpose, it has been resolved to increase the share capital by a total nominal amount of EUR 100 (the "**Capital Increase by Conversion of the CN 2023**"), by issuing and placing into circulation 1,000 new shares, each with a par value of EUR 0.10, of the same class and series as the shares of PRISA currently outstanding (the "**New Shares**").

The issue price of the New Shares is EUR 0.37 per share (EUR 0.10 of par value plus EUR 0.27 of share premium). Therefore, the total share premium amounts to EUR 270 and the effective amount (par value plus share premium) of the Capital Increase by Conversion of the CN 2023 amounts to EUR 370.

The New Shares will be fully subscribed and paid up, and the share premium satisfied, by the holder of the Convertible Note 2023 to be Redeemed by their conversion and redemption.

The New Shares will be ordinary shares equal to those currently outstanding, and will confer to the holder, as from the date of their registration within the accounting records of the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. ("**Iberclear**"), the same economic and voting rights as the Company's shares currently outstanding.

The New Shares will be represented by book-entries, which will be maintained by Iberclear and the entities participating in Iberclear.

As a result of the Capital Increase by Conversion of the CN 2023, the share capital of PRISA will be set at EUR 108,636,819.30 and will be represented by 1,086,368,193 ordinary shares with a par value of EUR 0.10.
