**CAF IS SELECTED AS PREFERRED BIDDER BY BELGIAN RAILWAY OPERATOR SNCB  
FOR THE SUPPLY OF ITS NEW FLEET OF TRAINS**

Following a European tender, CAF was selected as the preferred bidder for the development, manufacturing, and supply of AM30 trains for the operator NMBS (SNCB-National Society of Belgian Railways).

The Board of Directors of NMBS has approved the continuation of the procurement process with the company selected as the preferred bidder, with the aim of concluding the framework agreement award.

This framework agreement has a maximum scope of units for 170,000 places, with an initial base commitment of 1.7 billion euros (units for 54,000 places), subject to the final award of the contract.
