In accordance with article 226 of the consolidated text of the Spanish Stock Market Act approved by the Legislative Royal Decree 4/2015 of 23 October, Codere S.A. (the "**Company**") and together with its subsidiaries, "**Codere**"), hereby informs of the following:

INSIDE INFORMATION

Online Transaction

The Company hereby announces that certain of its subsidiaries, including Codere Newco, S.A.U. and Servicios de Juego Online, S.A.U., have entered into a business combination agreement (the "**BCA**") relating to a transaction (the "**Online Transaction**") involving the disposal of a minority interest in Codere's online business ("**Codere Online**"). A copy of the BCA is attached to this announcement, along with an investor presentation. The Online Transaction and the BCA have been approved by the Company's board of directors.

As part of the Online Transaction:

- Codere Newco, S.A.U. ("**Codere Newco**") will contribute Codere Online to a newly incorporated Luxembourg-based holding company, Codere Online Luxembourg, S.A. ("**Luxco**"), which will in turn via a merger acquire DD3 Acquisition Corp. II, a special purpose acquisition company ("**SPAC**").
- Codere Newco and certain of its subsidiaries will enter into certain ancillary agreements and any other agreements necessary to consummate the Online Transaction.
- In connection with the merger, Luxco will be listed on the NASDAQ, a stock exchange in the United States of America.
- Codere will maintain a between 54%-73% ownership stake in Codere Online, depending on SPAC Investor redemptions, at the time of the consummation of the merger. Existing Codere Online management will continue operating the business following completion of the Online Transaction.
- Four institutional investors (Baron Funds, MG Capital, LarrainVial and DD3 Capital Partners) have committed to a private investment of \$67 million that will close immediately prior to the Online Transaction, and Baron Funds has committed to roll-over approximately \$10 million of shares in the SPAC, resulting in minimum transaction proceeds of \$77 million.
- SPAC investors will have the option to redeem their existing cash contributions to the SPAC. The SPAC has \$125 million of cash in its trust account – implying total proceeds ranging from \$77m to \$192 million depending on redemptions, prior to any expenses.

The Online Transaction values the combined company at an estimated pro forma enterprise value of approximately \$350 million (€287m) or 2.3x Codere Online's estimated 2022 revenue of approximately \$150 million (€125 million). Codere will be permitted to withdraw up to \$30 million of any proceeds of the Online Transaction in excess of \$125 million. The remaining proceeds, net of transaction expenses, will primarily be used by Codere Online to fund marketing expenditures, technology and platform improvements, and expansion into new high-growth markets.

The Online Transaction is expected to complete in Q4 2021.

Noteholder Support

The Online Transaction requires the consent of the holders of a majority of Codere's approximately €353 million super senior secured notes due 2023 (the "**Super Senior Notes**"); and its €500m and \$300m senior secured notes due 2023 (the "**Senior Notes**" and together with the Super Senior Notes, the "**Notes**"; and the holders thereof, the "**Noteholders**"). In addition, the Online Transaction requires the consent of the 'Majority Consenting Noteholders' under and as defined

in the lock-up agreement (the "**Lock-Up Agreement**") dated 22 April 2021 and made between, among others, the Company and certain of the Noteholders. This consent is required because, among other considerations, certain transactions are restricted by the terms of the Lock-Up Agreement and the Super Senior Notes Indenture and as part of the Online Transaction Codere Online will consist entirely of "Unrestricted Subsidiaries" i.e. subsidiaries which are not subject to the covenants applicable to the Super Senior Notes and the Senior Notes.

The ad hoc committee of the Company's largest Noteholders (the "**Ad Hoc Committee**"), which represents the Majority Consenting Noteholders under the Lock-Up Agreement and which holds a majority of the Super Senior Notes, has provided its prior written consent to the entry into the BCA under the Super Senior Indenture and the Lock-Up Agreement. Codere is also launching public consent solicitation processes (the "**Consent Solicitations**") for the Super Senior Notes and the Senior Notes to obtain the requisite consents of all Noteholders to entering into the Online Transaction. Forms of the consent solicitation statements, which will shortly be circulated to Noteholders via the clearing systems, are attached to this announcement. The Ad Hoc Committee, who hold sufficient majorities in each series of Notes to provide the requisite consents, have committed to vote in favour of the Consent Solicitations.

No Effect on Restructuring

As referred to in its inside information announcement dated 22 April 2021 (register number 849), the Lock-Up Agreement commits the parties to implement a restructuring transaction (the "**Restructuring**") on the terms and subject to the conditions set out in the Lock-Up Agreement.

The Online Transaction, being an equity transaction in which Codere retains control of the business unit, will not generate any impact in the consolidated P&L of the Company. On a going concern basis, the liquidity injection would be registered in the balance sheet against the corresponding minority interest. As a result of the Lock-Up Agreement, the Company will report on a 'Discontinued Operations' basis starting in Q2 2021 and thereafter until completion of the Restructuring transaction. Under such principles, the value of the discontinued assets and liabilities will follow the same recognition mechanics and no impact on the net profit of the Company is expected from the Online Transaction.

The Company believes the Online Transaction is beneficial to all of its stakeholders, including its shareholders and Noteholders. However, the Online Transaction does not change the need to implement the Restructuring. Codere's business and operations remain severely impacted by the ongoing Covid-19 pandemic, and its liquidity continues to be strained. The potential to receive up to \$30 million of additional liquidity pursuant to the Online Transaction will not change that position. The Company would also caution that it does not consider the estimated valuation established for Codere Online by virtue of the Online Transaction to be reflective of valuations that might be obtained for other parts of the Codere group, or that might be obtained under different transaction structures.

The Company's shareholders are reminded that:

- The terms of the Restructuring were approved at the shareholders' meeting held on 11 May 2021 by shareholders representing 83.7% of the share capital.
- The Restructuring will result in the operating part of the Codere group being transferred to a new holding company ("**New Topco**"). New Topco will be 95% owned by the Senior Noteholders, and the remaining 5% of the equity in New Topco will be owned by the Company.
- In addition, the Company will receive warrants (the "**Warrants**"), permitting it to subscribe for non-voting shares with an economic value of up to 15% of the net equity proceeds of New Topco following a sale, listing, or certain other circumstances, above a strike price of €220m (subject to dilution for a management incentive plan and other customary upward and downward adjustments). The Warrants will have a 10-year term.
- The transfer of the ownership of the operating part of the Codere group to New Topco referred to above will be carried out through an enforcement of the existing security over the shares in Codere Luxembourg 2 S.à r.l. by the security agent for the Notes. This security is governed by Luxembourg law, and is a security under the financial collateral directive (equivalent to a Spanish pledge under the Royal Decree Law 5/2005).
- Following completion of the Restructuring, the Company anticipates that it will enter into a liquidation process. Accordingly, it is likely that the Company will be delisted, and subject to detailed structuring (to be agreed), shareholders may elect to receive their payment in the liquidation either in shares in New Topco or cash, in the latter case as a result of selling the shares that would otherwise be distributed to these shareholders.

SECTION 2.07 Tax Treatment of the Exchange and the Merger. The Parties agree that for U.S. federal income tax purposes (and, to the extent applicable, for state and local tax purposes), the Exchange Agreement and the Merger are intended to (a) be undertaken as part of a prearranged, integrated plan, (b) qualify as exchanges described in Section 351 of the Code and the Treasury Regulations promulgated thereunder, (c) be completed in a consecutive order such that the Exchange is treated as completed before the Merger Effective Time, and (d) with respect to the Merger, other than in the case of any person that will be a “five-percent transferee shareholder” (within the meaning of U.S. Treasury Regulation Section 1.367(a)-3(c)(5)(ii)) and does not enter into a valid “gain recognition agreement” pursuant to Treasury Regulation Section 1.367(a)-8), qualify as an exchange eligible for the exception to Section 367(a)(1) of the Code set forth in Treasury Regulations Section 1.367(a)-3(c) (the “Intended Tax Treatment”).

SECTION 2.08 Withholding. Notwithstanding anything in this Agreement to the contrary, (a) Holdco shall be entitled to deduct and withhold from the Holdco Ordinary Shares issued as consideration in the Exchange, from the Merger Consideration issued in the Merger, and from any other consideration it issues or pays in connection with this Agreement, such amounts as it is required to deduct and withhold with respect to the issuance of such

consideration under any applicable Law, and (b) any other Party making payments pursuant to this Agreement and the Transactions shall be entitled to deduct and withhold from such payments such amounts as it is required to deduct and withhold pursuant to any applicable Law; provided that in each case of clause (a) and (b), the Parties shall cooperate and use reasonable best efforts to reduce, minimize or eliminate any applicable withholding to the extent reasonably permitted under applicable Tax Law. Without limiting the foregoing, Holdco may give effect to withholding hereunder by withholding any consideration issued in the form of Holdco Ordinary Shares or other consideration issued in kind, and then selling such portion of such Holdco Ordinary Shares or other consideration issued in kind as it may determine and using the proceeds thereof to satisfy applicable withholding obligations and remitting such proceeds to applicable taxing authorities. To the extent that amounts are deducted or withheld under this Section 2.08, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been issued or paid to the person in respect of which such deduction and withholding was made, and Holdco or any other person deducting or withholding amounts hereunder shall disburse such deducted or withheld amounts to the applicable taxing authorities in accordance with applicable Laws.

SECTION 2.09 Merger Deliverables. The Parties agree that, in connection with the Merger, the Registration Rights and Lock-Up Agreement, the Nomination Agreement, SPAC Warrant Amendment and the Indemnification Letter shall be executed and delivered, or cause to be delivered, by all parties thereto, on or prior to the Closing Date.

SECTION 2.10 Redeemable Shares. The Parties agree that the redemption by Holdco of the Redeemable Shares, if applicable, shall be consummated promptly after the completion of the Closing.

(ii) The Exchange Consideration subscribed for by Parent shall be paid in Holdco Ordinary Shares that shall be valued at \$10.00 per Holdco Ordinary Share. The Holdco Ordinary Shares making up the Exchange Consideration, minus any Holdco Ordinary Shares owned by Parent immediately prior to the Exchange Effective Time, shall be issued to Parent. SECTION 3.02 Conversion of Securities.

(a) Immediately prior to the Merger Effective Time, each share of SPAC Class B Common Stock issued and outstanding immediately prior to the Merger Effective Time shall automatically be converted into and exchanged for one validly issued, fully paid and nonassessable share of SPAC Class A Common Stock (the "SPAC Class B Conversion");

(b) At the Merger Effective Time, immediately following the SPAC Class B Conversion, by virtue of the Merger, the Holdco Requisite Approvals, the Second Holdco Auditor Report and the SPAC Contribution Supporting Documents, and without any further action on the part of SPAC, Merger Sub, Holdco or the Company or the holders thereunder:

(i) each share of SPAC Class A Common Stock issued and outstanding immediately prior to the Merger Effective Time (which for the avoidance of doubt shall not include any share of SPAC Class A Common Stock as to which Redemption Rights have been exercised) shall be exchanged with Holdco (which exchange, for purposes of the 1915 Law, shall consist of, for the avoidance of doubt, a contribution-in-kind of each such SPAC Class A Common Stock from the holders of SPAC Class A Common Stock to Holdco), against the issue by Holdco (such issuance, the "Merger Issuance"), following a share capital increase realized by Holdco and subscribed by the contributing holders of SPAC Class A Common Stock, acting through the Exchange Agent, by virtue of the Merger, and in accordance with the 1915 Law and the DGCL, of one validly issued and fully paid Holdco Ordinary Share (the "Merger Consideration"), delivered by Holdco in accordance with its obligations set forth in Section 3.03;

(ii) upon the Merger Issuance, all shares of SPAC Class A Common Stock shall cease to be outstanding, shall be cancelled and shall cease to exist and (A) each certificate formerly representing each of the shares of SPAC Class A Common Stock and (B) each book-entry account formerly representing each of the uncertificated shares of SPAC Class A Common Stock shall thereafter, in case of both (A) and (B), only represent the Merger Consideration and the right, if any, to receive any distribution or dividend pursuant to Section 3.03(c); and

(iii) each share of common stock, par value \$0.01 per share, of Merger Sub (the "Merger Sub Common Stock") issued and outstanding immediately prior to the Merger Effective Time shall be converted into and exchanged for one validly issued, fully paid and nonassessable ordinary share, par value \$0.01 per share, of the Surviving Corporation and, as a result thereof, all of the shares of common stock of the Surviving Corporation will be owned by Holdco.

SECTION 3.03 Exchange of Certificates.

(a) Exchange Agent. On the Closing Date (and after the Merger Effective Time and the consummation of the transactions contemplated by Section 3.02(b)(i), Section 3.02(b)(ii) and Section 3.02(b)(iii)), Holdco shall deposit with the Exchange Agent the number of Holdco Ordinary Shares (in uncertificated form or book-entry form) sufficient to deliver the Merger Consideration consisting of the Holdco Ordinary Shares to be issued to the holders of shares of SPAC Class A Common Stock in the Merger pursuant to this Agreement. In

addition, Holdco shall deposit, or cause to be deposited, with the Exchange Agent, as necessary from time to time after the Merger Effective Time, any dividends or other distributions payable pursuant to Section 3.03(c) with respect to the Holdco Ordinary Shares issued pursuant to the Merger for any shares of SPAC Class A Common Stock with a record and payment date after the Merger Effective Time and prior to the surrender of such shares (all such Holdco Ordinary Shares, together with the amount of any dividends or distributions contemplated pursuant to Section 3.03(c), being hereinafter referred to, collectively, as the “Exchange Fund”). Holdco shall cause the Exchange Agent pursuant to irrevocable instructions, to deliver the Merger Consideration out of the Exchange Fund in accordance with this Agreement. Except as contemplated by this Section 3.03 hereof, the Exchange Fund shall not be used for any other purpose. The Exchange Agent shall invest the cash portion of the Exchange Fund as directed by Holdco; provided that such investments shall be in obligations, funds or accounts typical for (including having liquidity typical for) transactions of this nature. To the extent that there are losses or any diminution of value with respect to such investments, or the Exchange Fund diminishes for any other reason below the level required to make prompt cash payment of any dividends or other distributions payable pursuant to Section 3.03(c), Holdco shall promptly replace or restore the cash in the Exchange Fund lost through such investments or other events so as to ensure that the Exchange Fund is at all times maintained at a level sufficient to make such cash payments. Any interest and other income resulting from such investment shall become a part of the Exchange Fund, and any amounts in excess of the amounts payable under this Section 3.03(a) shall be promptly returned to Holdco.

(b) Exchange Procedures. As promptly as practicable after the Merger Effective Time, Holdco shall use its reasonable best efforts to cause the Exchange Agent to mail to each holder of record of SPAC Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion) entitled to receive the Merger Consideration pursuant to Section 3.02 a letter of transmittal, which shall be in a form reasonably acceptable to SPAC and the Company (the “Letter of Transmittal”) and shall specify (i) that delivery shall be effected, and risk of loss and title to the certificates evidencing such SPAC Common Stock (collectively, the “Certificates”) shall pass, only upon proper delivery of the Certificates to the Exchange Agent; and instructions for use in effecting the surrender of the Certificates pursuant to the Letter of Transmittal. Within five Business Days after the surrender to the Exchange Agent of all Certificates held by such holder for cancellation, together with a Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto and such other documents as may be required pursuant to such instructions, the holder of such Certificates shall be entitled to receive in exchange therefor, and Holdco shall cause the Exchange Agent to deliver (i) the Merger Consideration and (ii) an amount in immediately available funds (or, if no wire transfer instructions are provided, a check) equal to any unpaid non-stock dividends and any other dividends or other distributions that such holder has the right to receive pursuant to Section 3.03(c) in accordance with the provisions of this Section 3.03, and the Certificates so surrendered shall forthwith be cancelled. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates. Until surrendered as contemplated by this Section 3.03, each Certificate entitled to receive a portion of the Merger Consideration in accordance with Section 3.02 shall be deemed at all times after the Merger Effective Time, as the case may be, to represent only the right to receive upon such surrender the Merger Consideration that such holder is entitled to receive in accordance with the provisions of Section 3.02.

(c) Distributions with Respect to Unexchanged Shares of SPAC Common Stock. No dividends or other distributions declared or made after the Merger Effective Time with respect to the SPAC Common Stock with a record date after the Merger Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of SPAC Class A Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion) represented thereby until the holder of such Certificate shall

surrender such Certificate in accordance with this Section 3.03. Subject to the effect of escheat, tax or other applicable Laws, following surrender of any such Certificate, SPAC shall pay or cause to be paid to the holder of the certificates representing shares of SPAC Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion) issued in exchange therefor, without interest, (i) promptly, but in any event within five Business Days of such surrender, the amount of dividends or other distributions with a record date after the Merger Effective Time and theretofore paid with respect to such shares of SPAC Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Merger Effective Time but prior to surrender and a payment date occurring after surrender, payable with respect to such shares of SPAC Common Stock.

(d) Merger Consideration as Payment in Full. The Merger Consideration payable upon the exchange of the SPAC Class A Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion) in accordance with the terms of this Section 3.03 shall be deemed to have been paid and issued in full satisfaction of all rights pertaining to such shares of SPAC Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion).

(e) Adjustments to Merger Consideration. The Merger Consideration shall be adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to SPAC Common Stock occurring on or after the date hereof and prior to the Merger Effective Time.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of SPAC Common Stock with respect to the Merger Consideration one year after the Merger Effective Time shall be delivered to Holdco, and any holders of SPAC Common Stock (including shares of SPAC Class A Common Stock resulting from the SPAC Class B Conversion) who have not theretofore complied with this Section 3.03 shall thereafter look only to Holdco for the Merger Consideration. Any portion of the Exchange Fund with respect to the Merger Consideration remaining unclaimed by holders of SPAC Common Stock (including shares of SPAC Class A Common Stock resulting from the conversion of the SPAC Class B Conversion), as may be applicable, as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any government entity shall, to the extent permitted by applicable Law, become the property of Holdco free and clear of any claims or interest of any person previously entitled thereto.

(g) No Liability. None of the Exchange Agent, SPAC, Parent, Holdco, Company, the Surviving Corporation or any of their respective affiliates shall be liable to any holder of SPAC Common Stock for any such SPAC Common Stock (or dividends or distributions with respect thereto) or cash delivered to a public official pursuant to any abandoned property, escheat or similar Law in accordance with this Section 3.03.

(h) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed, the Exchange Agent will deliver in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration, as the case may be, that such holder is otherwise entitled to receive pursuant to, and in accordance with, the provisions of Section 3.02.

SECTION 3.04 Stock Transfer Books. At the Merger Effective Time, following the recordation of the Transactions in the share records of Holdco, the stock transfer books of SPAC shall be closed and there shall be no further registration of transfers of SPAC Common Stock thereafter on the records of SPAC. From and after the Merger Effective Time, the holders of Certificates representing SPAC Common Stock outstanding immediately

prior to the Merger Effective Time shall cease to have any rights with respect to such SPAC Common Stock, except as otherwise provided in this Agreement or by applicable Law. On or after the Merger Effective Time, any Certificates presented to the Exchange Agent or Holdco for any reason shall be converted into the Merger Consideration in accordance with the provisions of Section 3.02.

SECTION 3.05 SPAC Warrants. At the Merger Effective Time, each SPAC Warrant that is outstanding immediately prior to the Merger Effective Time shall, pursuant to the SPAC Warrant Agreement, cease to represent a right to acquire the number of shares of SPAC Class A Common Stock set forth in such SPAC Warrant and shall be converted in accordance with the terms of such SPAC Warrant Agreement, at the Merger Effective Time, into a right to acquire one Holdco Ordinary Share for each right to acquire one share of SPAC Class A Common Stock (a "Holdco Warrant" and collectively, the "Holdco Warrants") on substantially the same terms as were in effect immediately prior to the Merger Effective Time under the terms of the SPAC Warrant Agreement. SPAC shall take all lawful action to effect the aforesaid provisions of this Section 3.05, including causing the SPAC Warrant Agreement to be amended or amended and restated to the extent necessary to give effect to this Section 3.05, including adding Holdco as a party thereto, such amendment to be in substantially the form attached hereto as Exhibit F (the "SPAC Warrant Amendment").

(c) Subject to the receipt of the Codere Bondholders Consent, the execution and delivery by the Company of this Agreement and each Ancillary Agreement to which it is a party does not, and the performance of this Agreement by the Company will not, conflict with or violate any of the documents or agreements under the Existing Group Financing or require any consent, approval, authorization or permit of, or filing with or notification to the trustees and/or lenders under any of the Existing Group Financing pursuant to the terms thereof in respect of any of the Company and/or any Company Subsidiary (other than any notification made in accordance with the terms thereunder). Subject to the receipt of the Codere Bondholders Consent, neither the Company nor any Company Subsidiary is an obligor, guarantor, or restricted subsidiary under the terms of any Existing Group Financing. SECTION 5.07 SEC Filings; Financial Statements; Sarbanes-Oxley.

(a) Except as set forth on Section 5.07 of the SPAC Disclosure Schedule, SPAC has filed in a timely manner all forms, reports, schedules, statements and other documents, including any exhibits thereto, required to be filed by it with the Securities and Exchange Commission (the “SEC”) since December 7, 2020, together with any amendments, restatements or supplements thereto (collectively, the “SPAC SEC Reports”). SPAC has heretofore furnished to the Company true and correct copies of all amendments and modifications that have not been filed by SPAC with the SEC to all agreements, documents and other instruments that previously had been filed by SPAC with the SEC and are currently in effect. As of their respective dates, the SPAC SEC Reports (i) complied in all material respects with the applicable requirements of the Securities Act of 1933, as amended (the “Securities Act”), the Exchange Act and the Sarbanes-Oxley Act, and the rules and regulations promulgated thereunder, and (ii) did not, at the time they were filed, or, if amended, as of the date of such amendment, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. SPAC has no off-balance sheet arrangements that are not disclosed in the SPAC SEC Reports. No financial statements other than those of SPAC are required by GAAP to be included in the consolidated financial statements of SPAC.

(c) Except as and to the extent set forth in the SPAC SEC Reports, SPAC has no liability or obligation of a nature (whether accrued, absolute, contingent or otherwise) required to be reflected on a balance sheet prepared in accordance with GAAP, except for liabilities and obligations arising in the ordinary course of SPAC's business.

(d) SPAC is in compliance with the applicable listing and corporate governance rules and regulations of Nasdaq Capital Market.

(e) SPAC has established and maintains disclosure controls and procedures (as defined in Rule 13a-15 under the Exchange Act). Such disclosure controls and procedures are designed to ensure that material information relating to SPAC and other material information required to be disclosed by SPAC in the reports and other documents that it files or furnishes under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and that all such material information is accumulated and communicated to SPAC's principal executive officer and its principal financial officer as appropriate to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act. Such disclosure controls and procedures are effective in timely alerting SPAC's principal executive officer and principal financial officer to material information required to be included in SPAC's periodic reports required under the Exchange Act.

(f) SPAC maintains systems of internal control over financial reporting that are sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP, including policies and procedures sufficient to provide reasonable assurance: (i) that SPAC maintains records that in reasonable detail accurately and fairly reflect, in all material respects, its transactions and dispositions of assets; (ii) that transactions are recorded as necessary to permit the preparation of financial statements in conformity with GAAP; (iii) that receipts and expenditures are being made only in accordance with authorizations of management and its board of directors; and (iv) regarding prevention or timely detection of unauthorized acquisition, use or disposition of its assets that could have a material effect on its financial statements. SPAC has delivered to the Company a true and complete copy of any disclosure (or, if unwritten, a summary thereof) by any representative of SPAC to SPAC's independent auditors relating to any material weaknesses in internal controls and any significant deficiencies in the design or operation of internal controls that would adversely affect the ability of SPAC to record, process, summarize and report financial data. SPAC has no knowledge of any fraud or whistle-blower allegations, whether or not material, that involve management or other employees or consultants who have or

had a significant role in the internal control over financial reporting of SPAC. Since December 7, 2020, there have been no material changes in SPAC internal control over financial reporting.

(g) There are no outstanding loans or other extensions of credit made by SPAC to any executive officer (as defined in Rule 3b-7 under the Exchange Act) or director of SPAC. SPAC has not taken any action prohibited by Section 402 of the Sarbanes-Oxley Act.

(h) Neither SPAC (including any employee thereof) nor SPAC's independent auditors has identified or been made aware of (i) any significant deficiency or material weakness in the system of internal accounting controls utilized by SPAC, (ii) any fraud, whether or not material, that involves SPAC's management or other employees who have a role in the preparation of financial statements or the internal accounting controls utilized by SPAC or (iii) any claim or allegation regarding any of the foregoing.

(i) As of the date hereof, there are no outstanding SEC comments from the SEC with respect to the SPAC SEC Reports. To the knowledge of SPAC, none of the SPAC SEC Reports filed on or prior to the date hereof is subject to ongoing SEC review or investigation as of the date hereof.

SECTION 5.08 Absence of Certain Changes or Events. Since December 7, 2020, except as expressly contemplated by this Agreement, (a) SPAC has conducted its business in the ordinary course and in a manner consistent with past practice in all material respects and (b) there has not been any SPAC Material Adverse Effect.

SECTION 5.09 Absence of Litigation. There is no Action pending or, to the knowledge of SPAC, threatened against SPAC, or any property or asset of SPAC, before any Governmental Authority. Neither SPAC nor any material property or asset of SPAC is subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the knowledge of SPAC, continuing investigation by, any Governmental Authority, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Authority.

SECTION 5.10 Board Approval; Vote Required.

(a) The SPAC Board, by resolutions duly adopted by majority vote of those voting at a meeting duly called and held in accordance with the SPAC Organizational Documents and not subsequently rescinded or modified in any way, has duly (i) determined that this Agreement, the Ancillary Agreements to which SPAC is a party and the Transactions are fair to and in the best interests of SPAC and the SPAC Stockholders, (ii) approved this Agreement, the Ancillary Agreements to which SPAC is a party and the Transactions and declared their advisability and (iii) recommended that the SPAC Stockholders approve and adopt this Agreement, the Ancillary Agreements to which SPAC is a party and the Transactions, and directed that this Agreement, the Ancillary Agreements to which SPAC is a party and the Transactions, be submitted for consideration by the SPAC Stockholders at the SPAC Stockholders' Meeting.

(b) The only vote of the holders of any class or series of shares of SPAC necessary to approve the Transactions is the affirmative vote of the holders of a majority of the outstanding SPAC Common Stock.

As of the date of this Agreement, SPAC has no less than \$125,000,000 in the trust fund established by SPAC for the benefit of its public stockholders (the "Trust Fund") maintained in a trust account (the "Trust Account"). The monies of such Trust Account are invested in United States Government

securities or money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act of 1940, as amended, and held in trust by Continental Stock Transfer & Trust Company (the “Trustee”) pursuant to that certain Investment Management Trust Agreement, dated as of December 7, 2020, by and between SPAC and the Trustee (the “Trust Agreement”). The Trust Agreement has not been amended or modified and is valid and in full force and effect and is enforceable in accordance with its terms, subject to the Remedies Exceptions. SPAC has complied in all material respects with the terms of the Trust Agreement and is not in breach thereof or default thereunder and there does not exist under the Trust Agreement any event which, with the giving of notice or the lapse of time, would constitute such a breach or default by SPAC or the Trustee. There are no separate contracts, agreements, side letters or other understandings (whether written or unwritten, express or implied) (a) between SPAC and the Trustee that would cause the description of the Trust Agreement in the SPAC SEC Reports to be inaccurate in any material respect or (b) to the knowledge of SPAC, that would entitle any person (other than stockholders of SPAC who shall have elected to redeem their SPAC Class A Common Stock pursuant to the SPAC Organizational Documents) to any portion of the proceeds in the Trust Account. Prior to the Closing, none of the funds held in the Trust Account may be released except (i) to pay income and franchise taxes from any interest income earned in the Trust Account and (ii) upon the exercise of Redemption Rights in accordance with the provisions of the SPAC Organizational Documents. As of the date hereof, there are no Actions pending or, to the knowledge of SPAC, threatened with respect to the Trust Account. There are no claims, proceedings or other Actions pending with respect to, or against, the Trust Fund and, to the knowledge of SPAC, there are no events, circumstances or conditions that would reasonably result in any such claim, proceeding or other Action. Upon consummation of the Merger and notice thereof to the Trustee pursuant to the Trust Agreement, SPAC shall cause the Trustee to, and the Trustee shall thereupon be obligated to, release to SPAC as promptly as practicable, the Trust Funds in accordance with the Trust Agreement at which point the Trust Account shall terminate; provided, however that the liabilities and obligations of SPAC due and owing or incurred at or prior to the Closing shall be paid as and when due, including all amounts payable (A) to SPAC Stockholders who shall have exercised their Redemption Rights, (B) with respect to filings, applications and/or other actions taken pursuant to this Agreement required under Law, (C) to the Trustee for fees and costs incurred in accordance with the Trust Agreement; (D) to third parties (e.g., professionals, printers, etc.) who have rendered services to SPAC in connection with its efforts to effect the Merger and (E) to underwriters to pay deferred underwriting fees incurred in connection with SPAC’s initial public offering. As of the date hereof, assuming the accuracy of the representations and warranties of the Company herein and the compliance by the Company with its respective obligations hereunder, SPAC has no reason to believe that any of the conditions to the use of funds in the Trust Account will not be satisfied or funds available in the Trust Account will not be available to SPAC at the Closing. Except for the outstanding private placement SPAC Warrants, as of the date hereof, SPAC does not have, or have any present intention, agreement, intention, arrangement or understanding to enter into or incur any obligations with respect to or under any indebtedness.

SECTION 5.13 Employees. Other than any officers of SPAC as described in the SPAC SEC Reports, SPAC has never employed any employees. No severance or similar payment is payable or would become payable upon the resignation or dismissal of any officer of SPAC. No bonuses, change-of-control, success, retention or similar payments are payable or will become payable to any current or former employees, directors, officers or other service providers of SPAC. Other than consultants and advisors retained in the ordinary course of business (including in connection with the Transactions) or as described in the SPAC SEC Reports, SPAC has never retained any contractors. Except as set forth in Section 5.13 of the SPAC Disclosure Schedules, neither the execution and delivery of this Agreement nor the other Ancillary Agreements nor the consummation of the Transactions will (i) result in any payment becoming due to any director, officer or employee of SPAC, (ii) result in the acceleration of the time of payment or vesting of any such benefits, or (iii) give rise to any “excess parachute payment” within the meaning of Section 280G of the Code. There is no contract, agreement, plan or arrangement to which SPAC is a party which requires payment by any party of a Tax gross-up or Tax reimbursement payment to any person.

(c) SPAC will not be required to include any material item of income in, or exclude any material item of deduction from, taxable income for any taxable period (or portion thereof) ending after the Closing Date as a result of any: (i) change in method of accounting for a taxable period or portion thereof ending on or prior to the Closing Date, including under Section 481(c) of the Code (or any corresponding or similar provision of state, local or foreign income Tax law); (ii) “closing agreement” as described in Section 7121 of the Code (or any corresponding or similar provision of state, local or foreign income Tax law) or any other agreement with any Governmental Authority executed on or prior to the Closing Date; (iii) installment sale or open transaction disposition made on or prior to the Closing Date outside the ordinary course of business; (iv) prepaid amount or advance payment received or deferred revenue accrued on or prior to the Closing Date; (v) any use of an improper method of accounting use for any tax period or portion thereof ending or ended on or prior to the Closing Date; or (vi) any election to defer income under the Code or Treasury Regulations thereunder (or any corresponding or similar provision of state, local, or non-United States income Tax Law). (j) make any change in any method of financial accounting or financial accounting principles, policies, procedures or practices, except as required by a concurrent amendment in GAAP or applicable Law made subsequent to the date hereof, as agreed to by its independent accountants;

(k) make, change or revoke any material Tax election, change any annual Tax accounting period, adopt or change any method of Tax accounting, amend any Tax Returns in any material respects or file claims for material Tax refunds, enter into any closing agreement, waive or extend any statute of limitations period in respect of a material amount of Taxes, settle any material Tax claim, audit or assessment, or surrender any right to claim a material Tax refund, offset or other reduction in Tax liability, in each case except in the ordinary course of business and consistent with past practice;

(l) (i) authorize, recommend, propose or announce an intention to adopt a plan of complete or partial liquidation, restructuring, dissolution or winding-up of SPAC or (ii) liquidate, dissolve, reorganize or otherwise wind up the business or operations of SPAC;

(m) engage in any new line of business;

(n) amend the Trust Agreement or any other agreement related to the Trust Account; or

(o) enter into any formal or informal agreement or otherwise make a binding commitment to do any of the foregoing.

SECTION 7.03 Claims Against Trust Account. Each of Parent, Holdco, Merger Sub and the Company agrees that, notwithstanding any other provision contained in this Agreement, none of Parent, Holdco, Merger Sub or the Company has, and shall not at any time prior to the Merger Effective Time have, any claim to, or make any claim against, the Trust Fund, regardless of whether such claim arises as a result of, in connection with or relating in any way to, the business relationship between or among Parent, Holdco, Merger Sub, the Company and SPAC, this Agreement or any other Transaction Document or any other agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims against the Trust Fund are collectively referred to in this Section 7.03 as the “Claims”). Notwithstanding any other provision contained in this Agreement, each of Parent, Holdco, Merger Sub and the Company hereby irrevocably waives any Claim it may have, now or in the future and will not seek recourse against the Trust Fund for any reason whatsoever in respect thereof provided, however, that the foregoing waiver will not limit or prohibit any of Parent, Holdco, Merger Sub or the Company from pursuing a claim against SPAC or any other person for legal relief against monies or other assets of SPAC held outside of the Trust Account or for specific performance or other equitable relief in connection with the Transactions. In the event that any of Parent, Holdco, Merger Sub or the Company commences any Claims against or involving the Trust Fund in violation of the foregoing, SPAC shall be entitled to recover from Parent, Holdco, Merger Sub or the Company, as applicable, the associated reasonable legal fees and costs in connection with any such action, in the event SPAC prevails in such action or proceeding.

SECTION 7.04 SPAC Public Filings.

(a) Between the date of this Agreement and the Merger Effective Time or the earlier termination of this Agreement, SPAC will keep current and timely file all of the forms, reports, schedules, statements and other documents required to be filed by SPAC with the SEC, including all necessary amendments and supplements thereto, and otherwise comply in all material respects with applicable securities Laws (the “Additional SEC Reports”). All such Additional SEC Reports (including any financial statements or schedules included therein) (i) shall be prepared in all material respects in accordance with either the requirements of

the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations promulgated thereunder and (ii) will not, at the time they are filed, or, if amended, as of the date of such amendment, contain any Misrepresentation. As used in this Section 7.04, the term “file” shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or Nasdaq. Any Additional SEC Reports which discuss or refer to this Agreement or the Transactions shall be subject to the prior review and approval of the Company (not to be unreasonably withheld, delayed or conditioned).

(b) Between the date of this Agreement and the Merger Effective Time or the earlier termination of this Agreement, SPAC shall use its reasonable best efforts prior to the Merger to maintain the listing of the SPAC Units, the SPAC Class A Common Stock and the SPAC Warrants on the Nasdaq Capital Market.

ARTICLE VIII ADDITIONAL AGREEMENTS

SECTION 8.01 Proxy Statement; Registration Statement.

(a) As promptly as practicable after the execution and delivery of this Agreement, (i) Holdco, the Company and SPAC shall jointly prepare and, after delivery of the PCAOB Financials, Holdco shall file with the SEC the proxy statement/prospectus (as amended or supplemented from time to time, the “Proxy Statement/Prospectus”) to be sent to the SPAC Stockholders relating to the meeting of SPAC Stockholders (the “SPAC Stockholders’ Meeting”) for the purpose of soliciting proxies from SPAC Stockholders for the matters to be acted upon at the SPAC Stockholders’ Meeting and providing the public stockholders an opportunity in accordance with the SPAC Organizational Documents to have their shares of SPAC Common Stock redeemed by tendering them not later than 5:00 p.m. Eastern Time on the date that is two Business Days prior to the date of the SPAC Stockholders’ Meeting (the “Redemption”) in conjunction with the stockholder vote on the SPAC Proposals and (ii) Holdco, the Company and SPAC shall jointly prepare and, after delivery of the PCAOB Financials, Holdco shall file with the SEC a registration statement on Form F-4 or such other applicable form as the Company and SPAC may agree (as amended or supplemented from time to time, the “Registration Statement”), in which the Proxy Statement/Prospectus will be included, in connection with the registration under the Securities Act of the Holdco Ordinary Shares and Holdco Warrants to be issued in the Merger. Each Party shall use its reasonable best efforts to cause the Registration Statement and the Proxy Statement/Prospectus to comply with the applicable rules and regulations promulgated by the SEC, including providing any necessary opinions of counsel, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing, and to keep the Registration Statement effective as long as is necessary to consummate the Transactions. Each of Holdco, the Company and SPAC shall furnish all information as may be reasonably requested by the other Parties in connection with any such action and the preparation, filing and distribution of the Registration Statement, the Proxy Statement/Prospectus, a Report on Form 6-K pursuant to the Exchange Act in connection with the Transactions and any other statement, filing, notice or application made by or on behalf of Holdco or SPAC to any regulatory authority (including Nasdaq) in connection with the Transactions (the “Transactions Filings”); provided, however, that no Party shall use any such information for any purposes other than those contemplated by this Agreement unless such Party obtains the prior written consent of the other. SPAC also agrees to use its reasonable best efforts to obtain all necessary state securities law or “Blue Sky” permits and approvals required to carry out the Transactions, and the Company and Holdco shall furnish all information concerning the Company, Holdco, Merger Sub and the Company Subsidiaries as may be reasonably requested in connection with any such action; provided that,

without the prior written consent of the Company and Holdco, SPAC shall not use any such information for any purposes other than to obtain necessary state securities law or “Blue Sky” permits and approvals.

(b) As promptly as practicable after the Registration Statement shall have become effective, SPAC shall use its reasonable best efforts to cause the Proxy Statement/Prospectus to be mailed to the SPAC Stockholders as of the record date for the SPAC Stockholders’ Meeting. No filing of, or amendment or supplement to, the Registration Statement or the Proxy Statement/Prospectus will be made (in each case including documents incorporated by reference therein) by SPAC, the Company or Holdco without providing the other, to the extent not prohibited by applicable Law, with a reasonable opportunity to review and comment thereon and each Party shall give reasonable and good faith consideration to any comments made by any other Party and their counsel. To the extent not prohibited by applicable Law, each of SPAC, the Company and Holdco will be given a reasonable opportunity to participate in the response to any SEC comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with SPAC, the Company or Holdco or their counsel in any discussions or meetings with the SEC. SPAC shall comply with all applicable rules and regulations promulgated by the SEC, any applicable rules and regulations of Nasdaq, SPAC Organizational Documents, and this Agreement in the preparation, filing and distribution of the Proxy Statement/Prospectus, any solicitation of proxies thereunder, the calling and holding of the SPAC Stockholders’ Meeting and the Redemption.

(c) If at any time prior to the Merger Effective Time, any information relating to SPAC, the Company or Holdco or any of their respective affiliates, directors or officers, should be discovered by SPAC, the Company or Holdco which is required to be set forth in an amendment or supplement to either the Registration Statement or the Proxy Statement/Prospectus, so that either such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, the Party that discovers such information shall promptly notify the other Parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the SPAC Stockholders.

(d) Each of SPAC, the Company and Holdco will advise the other Parties promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement/Prospectus or the Registration Statement, as applicable, or comments thereon and responses thereto, any oral or written comments or requests in relation to the SPAC Stockholders’ Meeting or the Redemption, or requests by the SEC for additional information and each Party will promptly provide the other with copies of any written communication between it or any of its Representatives, on the one hand, and the SEC, any state securities commission or their respective staff, on the other hand, with respect to the Proxy Statement/Prospectus, the Registration Statement, the Exchange, the Merger, the SPAC Stockholders’ Meeting or the Redemption. SPAC, the Company and Holdco shall use their respective reasonable best efforts, after consultation with each other, to resolve all such requests or comments with respect to the Proxy Statement/Prospectus, the Registration Statement, the SPAC Stockholders’ Meeting or the Redemption, as applicable, as promptly as reasonably practicable after receipt thereof.

(e) Without limiting the generality of the foregoing, each of SPAC, the Company and Holdco shall cooperate with each other in the preparation of each of the Proxy Statement/Prospectus and the Registration Statement, and each of the Company and SPAC shall furnish Holdco with all information concerning it and its affiliates as the providing Party (after consulting with counsel) may deem reasonably necessary or advisable

in connection with the preparation of the Transactions Filings, including the Proxy Statement/Prospectus or the Registration Statement, as applicable.

(f) SPAC, the Company and Holdco shall notify each other promptly of the time when the Registration Statement has become effective, of the issuance of any stop order or suspension of the qualification of the Holdco Ordinary Shares or Holdco Warrants issuable in connection with the Merger for offering or sale in any jurisdiction, or of the receipt of any comments from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement/Prospectus or the Registration Statement or for additional information.

SECTION 8.02 SPAC Stockholders' Meetings. SPAC shall call the SPAC Stockholders' Meeting in accordance with the SPAC Organizational Documents and applicable Law for the purposes of voting upon the SPAC Proposals as promptly as practicable after the date on which the SEC has declared the Registration Statement effective (but in no event later than 30 Business Days thereafter, except as otherwise required by applicable Law) for the purpose of voting solely upon the SPAC Proposals. SPAC shall consult with the Company in fixing the record date for the SPAC Stockholders' Meeting and the date of the SPAC Stockholders' Meeting, and give reasonable notice to the Company of the SPAC Stockholders' Meeting and allow the Company's Representatives and legal counsel to attend the SPAC Stockholders' Meeting. Without the prior written consent of the Company (not to be unreasonably withheld, delayed or conditioned), the SPAC Proposals shall be the only matters (other than procedural matters) which SPAC shall propose to be acted on by the SPAC Stockholders at the SPAC Stockholders' Meeting. SPAC shall include in the Proxy Statement/Prospectus the recommendation of the SPAC Board that the SPAC Stockholders vote in favor of the SPAC Proposals and shall otherwise use its reasonable best efforts to obtain the approval of the SPAC Proposals at the SPAC Stockholders' Meeting, including by soliciting from its stockholders proxies as promptly as possible in favor of the SPAC Proposals, and shall take all other action necessary or advisable to secure the required vote or consent of its stockholders therefor. SPAC shall provide the Company with (a) updates with respect to the tabulated vote counts received by SPAC, (b) the right to demand postponement or adjournment of the SPAC Stockholders' Meeting if, based on the tabulated vote count, SPAC will not receive the required approval of its stockholders of the SPAC Proposals; provided, however, that SPAC shall not be permitted to postpone the SPAC Stockholders' Meeting more than the earlier of (i) five (5) Business Days prior to the Outside Date and (ii) ten (10) Business Days from the date of the first SPAC Stockholders' Meeting without the prior written consent of the Company (not to be unreasonably withheld, delayed or conditioned), and (c) the right to review and comment on all communication sent to SPAC Stockholders, holders of SPAC Warrants and/or proxy solicitation firms.

SECTION 8.03 Access to Information; Confidentiality.

(a) From the date of this Agreement until the Merger Effective Time or the earlier of the termination of this Agreement, the Company, Holdco and SPAC shall (and shall cause their respective subsidiaries to): (i) provide to the other Party (and the other Party's officers, directors, employees, accountants, consultants, legal counsel, agents and other representatives, collectively, "Representatives") reasonable access at reasonable times upon prior notice to the officers, employees, agents, properties, offices and other facilities of such Party and its subsidiaries and to the books and records thereof; provided, that such access shall not unreasonably interfere with the business and operations of SPAC, Holdco and the Company, as applicable; and (ii) furnish promptly to the other Party such information concerning the business, properties, contracts, assets, liabilities, personnel and other aspects of such Party and its subsidiaries as the other Party or its Representatives may reasonably request. Notwithstanding the foregoing, none of the Company, Holdco or SPAC shall be required to provide access to or disclose information where the access or disclosure would

jeopardize the protection of attorney-client privilege or contravene applicable Law (it being agreed that the Parties shall use their reasonable best efforts to cause such information to be provided in a manner that would not result in such jeopardy or contravention).

(b) All information obtained by the Parties pursuant to this Section 8.03 shall be kept confidential in accordance with the confidentiality agreement, dated January 12, 2021 (the “Confidentiality Agreement”), between SPAC and Parent. Company, Holdco and Merger Sub acknowledge the terms of the Confidentiality Agreement and agree to comply with the terms thereunder as if Company, Holdco and Merger Sub had been original parties thereto.

(c) Notwithstanding anything in this Agreement to the contrary, each Party (and its Representatives) may consult any tax advisor regarding the tax treatment and tax structure of the Transactions and may disclose to any other person, without limitation of any kind, the tax treatment and tax structure of the Transactions and all materials (including opinions or other tax analyses) that are provided relating to such treatment or structure, in each case in accordance with the Confidentiality Agreement.

SECTION 8.04 Directors’ and Officers’ Indemnification.

(a) The Holdco Organizational Documents contain provisions with respect to indemnification, advancement or expense reimbursement, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years from the Closing Date in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Merger Effective Time, were directors, officers, employees, fiduciaries or agents of the Company or SPAC (each such individual, a “D&O Indemnified Party” and collectively, the “D&O Indemnified Parties”), unless such modification shall be required by applicable Law. Holdco and the Company agree that with respect to the provisions of the articles, bylaws, limited liability company agreements or other equivalent organizational documents of the Company Subsidiaries and the Surviving Corporation relating to indemnification, advancement or expense reimbursement, such provisions shall not be amended, repealed or otherwise modified for a period of six (6) years from the Merger Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Closing Date, were directors, managers, officers, employees, fiduciaries or agents of such Company Subsidiary or the Surviving Corporation, unless such modification shall be required by applicable Law.

(b) Holdco shall use its reasonable best efforts to obtain, fully pay the premium for, and maintain prior to the Closing a fully-paid “tail” insurance policy for Holdco and the Surviving Corporation for a term of three (3) years from the Closing Date (the “D&O Tail Policy”, and the period for the D&O Tail Policy, the “Tail Period”) with terms and scope of coverage at least as favorable as the Company’s directors and officers insurance policy and SPAC’s directors and officers insurance policy covering those persons thereunder; provided, however, that nothing in this Section 8.04(b) shall relieve Holdco or the Company of its other obligations under this Section 8.04, or allow Holdco or the Company to delay its performance of its obligations under this Section 8.04 and otherwise to provide indemnification for or make any expense advances with respect to the expenses of any claim for indemnification by a D&O Indemnified Party. Holdco shall maintain the D&O Tail Policy in full force and effect for the full Tail Period and comply with all obligations thereunder. Such D&O Tail Policy shall be non-cancellable and placed with insurers reasonably satisfactory to SPAC, including with respect to terms, conditions, exclusions, retentions and limits of the expiring policies. Holdco will instruct the insurers and their brokers that they may communicate directly with the D&O Indemnified Parties regarding such claim, and Holdco and the Company will provide the D&O Indemnified Parties a copy of all insurance policies and coverage correspondence relating to any proceeding

involving any D&O Indemnified Party upon request. The D&O Indemnified Parties are express and intended third-party beneficiaries of the provisions of this Section 8.04(b) and shall be entitled to independently enforce the terms hereof as if they were each a party to this Agreement.

(c) In the event Holdco, the Company, the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity in such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any person, then and in any such case proper provision shall be made so that the successors and assigns of Holdco, the Company, or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 8.04.

SECTION 8.05 Notification of Certain Matters. The Company shall give prompt notice to SPAC, and SPAC shall give prompt notice to the Company, of any event which a Party becomes aware of between the date of this Agreement and the Closing (or the earlier termination of this Agreement in accordance with Article X), the occurrence, or non-occurrence of which causes or would reasonably be expected to cause any of the conditions set forth in Article IX to fail. The failure by the Company or SPAC to give notice under this Section 8.05 shall not be deemed to be a breach under this Section 8.05, unless such breach is knowing and in any event shall not give rise to any additional damages above and beyond the breach of the underlying representation, warranty, covenant, condition or agreement, as the case may be.

SECTION 8.06 Further Action: Reasonable Best Efforts

(a) Upon the terms and subject to the conditions of this Agreement, each of the Parties shall use its reasonable best efforts to take, or cause to be taken, appropriate action, and to do, or cause to be done, such things as are necessary, proper or advisable under applicable Laws (including Antitrust Laws and Gaming Laws) or otherwise to consummate and make effective the Transactions as soon as practicable, including, without limitation, using its reasonable best efforts to support and participate in the marketing efforts and investor calls with respect to the Transactions and obtain all Gaming Permits, the Codere Bondholders Consent and all other permits, consents, approvals, authorizations, qualifications and orders of Governmental Authorities and parties to contracts with the Company and the Company Subsidiaries as set forth in Section 4.05 and necessary for the consummation of the Transactions and to fulfill the conditions to the Merger. In case, at any time after the Merger Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each Party shall use their reasonable best efforts to take all such action.

(b) Each of the Parties shall keep each other apprised of the status of matters relating to the Transactions, including promptly notifying the other Parties of any communication it or any of its affiliates receives from any Governmental Authority (including any Gaming Authority) relating to the Transactions and permitting the other Parties to review in advance, and to the extent practicable consult about, any proposed communication by such Party to any Governmental Authority in connection with the Transactions. No Party shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry unless it consults with the other Parties in advance and, to the extent permitted by such Governmental Authority, gives the other Parties the opportunity to attend and participate at such meeting. Subject to the terms of the Confidentiality Agreement, the Parties will use reasonable best efforts to coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other Parties may reasonably request in connection with the foregoing. Subject to the terms of the Confidentiality Agreement, the Parties will provide each other with copies of all material correspondence,

filings or communications, including any documents, information and data contained therewith, between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the Transactions. No Party shall take or cause to be taken any action before any Governmental Authority that is inconsistent with or intended to delay its action on requests for a consent or the consummation of the Transactions.

SECTION 8.07 Public Announcements. The initial press release relating to this Agreement shall be a joint press release the text of which has been agreed to by each of SPAC and the Company. Thereafter, between the date of this Agreement and the Closing Date (or the earlier termination of this Agreement in accordance with Article X) unless otherwise prohibited by applicable Law or the requirements of the Nasdaq Capital Market, each of the Parties shall each use its reasonable best efforts to consult with each other before issuing or having any of their affiliates issue any press release or otherwise making any public statements (including through social media platforms) with respect to any Transaction Document, the Merger or any of the other Transactions, and shall not issue any such press release or make any such public statement without the prior written consent of SPAC and the Company (such consent not to be unreasonably withheld, conditioned or delayed), except as otherwise required by Law or listed company exchange requirements. Nothing contained in this Section 8.07 shall prevent, after exercising reasonable best efforts to consult with the Parties hereto (to the extent permitted by applicable Law and listed company exchange requirements), the sole shareholder of Parent (i.e. Codere S.A.) from furnishing customary or other reasonable information concerning the Transactions to its investors and prospective investors, including through regulatory filings with the Spanish *Comisión Nacional del Mercado de Valores*. Furthermore, nothing contained in this Section 8.07 shall require the Company to obtain the consent of SPAC in connection with the Codere Bondholders Consent.

SECTION 8.08 Tax Matters.

(a) No Party has any knowledge of any fact or circumstance that could reasonably be expected to prevent the Exchange and subsequent Merger from qualifying for the Intended Tax Treatment.

(b) Each Party agrees to act in good faith, consistent with the Intended Tax Treatment and will not take any position on any U.S. Tax Return or otherwise take any U.S. Tax reporting position inconsistent with the Intended Tax Treatment, unless otherwise required by applicable Laws. For the avoidance of doubt, the preceding sentence shall not be interpreted to prevent a person from reporting transactions hereunder pursuant to other applicable non-recognition provisions of the Code, including under Section 368 of the Code, to the extent any such position is not, in and of itself, conflicting with the qualification of the transactions contemplated hereby for the Intended Tax Treatment. The Parties hereto shall cooperate with each other and their respective counsel to document and support the Tax treatment of transactions contemplated by this Agreement consistently with the Intended Tax Treatment, including providing factual support letters and customary tax representations to counsel for purposes of rendering any Tax opinions that may be required in connection with the Registration Statement. Each Party shall use reasonable best efforts to promptly notify the other Party in writing if, before the Closing Date, such Party knows or has reason to believe that the transactions contemplated by this Agreement may not qualify for the Intended Tax Treatment.

(c) Tax Covenants.

(i) The Parties agree that this Agreement is a “plan of reorganization” within the meaning of Treasury Regulation Section 1.368-2(g) and 1.368-3(a).

(ii) From the date of this Agreement to the Merger Effective Time, (x) the Company shall and shall cause each of the Company Subsidiaries to, and (y) the SPAC shall:

(A) prepare, in the ordinary course of business consistent with past practice (except as otherwise required by a change in applicable Law), and timely file all Tax Returns required to be filed by it on or before the Closing Date (“Post-Signing Returns”);

(B) fully and timely pay all Taxes due and payable in respect of such Post-Signing Returns that are so filed;

(C) properly reserve (and reflect such reserve in its books and records and relevant financial statements), in the ordinary course of business consistent with past practice, for all Taxes payable by it for which no Post-Signing Return is due prior to the Closing Date; and

(D) promptly notify the other Party of any material federal, state, local or foreign income or franchise, Action or audit pending or threatened in writing against or with respect to such Party or its subsidiaries in respect of any Tax matter.

(iii) Following the Closing Date, (x) Holdco shall, or shall cause the Surviving Corporation to, comply with the tax reporting obligations of Treasury Regulation 1.367(a)-3(c)(6), (y) Holdco shall not permit the Surviving Corporation to liquidate for at least three years, and (z) Holdco shall cause the Surviving Corporation to have assets (which can be in the form of receivables) for at least three years in an amount equal to at least twenty percent (20%) of the amount of assets of the Surviving Corporation at the Merger Effective Time after giving effect to outgoing payments by the Surviving Corporation pursuant to exercises of Redemption Rights and incoming payments of the Investment Amount received by the SPAC on or prior to the Merger Effective Time.

(iv) Each of Holdco and the Company acknowledges that any SPAC Stockholder who owns five percent (5%) or more of the ordinary shares of Holdco immediately after the Closing, as determined under Section 367 of the Code and the Treasury Regulations promulgated thereunder, may enter into (and cause to be filed with the IRS) a gain recognition agreement in accordance with Treasury Regulations Section 1.367(a)-8. Upon the written request of any such SPAC Stockholder made following the Closing Date, Holdco shall (i) use reasonable best efforts to furnish to such SPAC Stockholder such information as such SPAC Stockholder reasonably requests in connection with such SPAC Stockholder’s preparation of a gain recognition agreement, and (ii) use reasonable best efforts to provide such SPAC Stockholder with the information reasonably requested by such SPAC Stockholder for purposes of determining whether there has been a gain “triggering event” under the terms of such SPAC Stockholder’s gain recognition agreement, in each case, at the sole cost and expense of such requesting SPAC Stockholders; provided that none of the Parent, Holdco, the Company or the Company Subsidiaries shall be required to operate in a manner that avoids or mitigates the likelihood of a triggering event other than complying with the express provisions of this Agreement.

(d) FIRPTA Certificate. At or prior to the Closing, SPAC shall deliver to Holdco (i) a duly executed certificate and notice in compliance with Treasury Regulation Sections 1.1445-2(c) and 1.897-2(h), certifying that SPAC is not, and has not been at any time during the five year period ending on the Closing Date, a U.S. real property holding corporation within the meaning of Section 897(c)(2) of the Code and the Treasury Regulations thereunder. After the Closing, Holdco shall cause the Surviving Corporation to mail the notice

referred to above to the Internal Revenue Service within the time frame provided in Treasury Regulation Section 1.897-2(h)(2)(v).

(e) Transfer Taxes and Other Taxes. Any Transfer Taxes incurred in connection with the Transactions shall be paid by the Surviving Corporation, other than any Transfer Tax incurred by Holdco or any subsidiary of Holdco in connection with the Restructuring, which shall be paid by Parent in accordance with the terms and provisions of the Indemnification Letter. Any income Taxes incurred by Holdco or any subsidiary of Holdco in connection with the Restructuring (including Taxes triggered by any direct or indirect Transfer of equity of the Company or Company Subsidiaries, including withholding Taxes) shall be paid by Parent in accordance with the terms and provisions of the Indemnification Letter.

SECTION 8.09 Stock Exchange Listing. The Parties shall use their respective reasonable best efforts to cause the Merger Consideration, to be issued in the form of Holdco Ordinary Shares and Holdco Warrants and Holdco Ordinary Shares that will become issuable upon the exercise of the Holdco Warrants, to be approved for listing on Nasdaq, subject to official notice of issuance, as promptly as practicable after the date of this Agreement, and in any event prior to the Closing Date.

SECTION 8.10 Delisting and Deregistration. The Parties shall use their respective reasonable best efforts to cause the SPAC Units, shares of SPAC Class A Common Stock and SPAC Warrants to be delisted from Nasdaq (or be succeeded by the respective Holdco securities) and to terminate its registration with the SEC pursuant to Sections 12(b), 12(g) and 15(d) of the Exchange Act (or be succeeded by Holdco) as of the Closing Date or as soon as practicable thereafter.

SECTION 8.11 Antitrust.

(a) To the extent required under any applicable Laws that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or lessening of competition or creation or strengthening of a dominant position through merger or acquisition (“Antitrust Laws”), each Party agrees to promptly (but in no event later than fifteen (15) days after the date hereof) make any required filing or application under Antitrust Laws, as applicable. The Parties agree to supply as promptly as reasonably practicable any additional information and documentary material that may be requested pursuant to Antitrust Laws and to take all other actions necessary, proper or advisable to cause the expiration or termination of the applicable waiting periods or obtain required approvals, as applicable under Antitrust Laws as soon as practicable, including by requesting early termination of any waiting periods thereunder.

(b) Each Party shall, in connection with its efforts to obtain all requisite approvals and authorizations for the Transactions under any Antitrust Law, use its reasonable best efforts to: (i) cooperate in all respects with each other Party or its affiliates in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private person; (ii) keep the other Parties reasonably informed of any communication received by such Party or its Representatives from, or given by such Party or its Representatives to, any Governmental Authority and of any communication received or given in connection with any proceeding by a private person, in each case regarding any of the Transactions; (iii) permit a Representative of the other Parties and their respective outside counsel to review any communication given by it to, and consult with each other in advance of any meeting or conference with, any Governmental Authority or, in connection with any proceeding by a private person, with any other person, and to the extent permitted by such Governmental Authority or other person, give a Representative or Representatives of the other Parties the opportunity to attend and participate in such meetings and conferences; (iv) in the event a Party’s Representative is prohibited from participating in or attending any meetings or

conferences, the other Parties shall keep such Party promptly and reasonably apprised with respect thereto; and (v) use reasonable best efforts to cooperate in the filing of any memoranda, white papers, filings, correspondence or other written communications explaining or defending the Transactions, articulating any regulatory or competitive argument, and/or responding to requests or objections made by any Governmental Authority.

(c) No Party shall take any action that could reasonably be expected to adversely affect or materially delay the approval of any Governmental Authority of any required filings or applications under Antitrust Laws. The Parties further covenant and agree, with respect to a threatened or pending preliminary or permanent injunction or other order, decree or ruling or statute, rule, regulation or executive order that would adversely affect the ability of the Parties to consummate the Transactions, to use reasonable best efforts to prevent or lift the entry, enactment or promulgation thereof, as the case may be. No Party shall permit any of its officers or any other Representatives or agents to participate in any pre-scheduled meeting with any Governmental Authority in respect of any filing, investigation or other inquiry relating to the Transactions unless it consults with the other part in advance and, to the extent permitted by such Governmental Authority, gives the other Party to attend and participate thereat.

SECTION 8.12 PCAOB Financials. The Company shall deliver copies of the audited combined balance sheet of the Company and the combined Company Subsidiaries as of December 31, 2019 and December 31, 2020, and the related audited combined statements of income and cash flows of the Company and the combined Company Subsidiaries for such years, in each case audited in accordance with the auditing standards of the PCAOB (collectively, the “PCAOB Financials”) as soon as practicable and not later than 30 days from the date hereof.

SECTION 8.13 Subsequent Unaudited Company Financials. The Company shall, from the date hereof until the Closing Date, deliver to SPAC, as soon as reasonably practicable after the date hereof (and, in any event, no later than 45 days following the end of each fiscal quarter), copies of the unaudited combined or consolidated, as applicable, balance sheet of the Company and the Company Subsidiaries as of the end of each fiscal quarter of the Company and the Company Subsidiaries, and the related unaudited combined or consolidated, as applicable, statements of operations of the Company and the Company Subsidiaries for such fiscal quarter, to the extent required to be included or incorporated by reference in the Additional SEC Reports (collectively, the “Subsequent Unaudited Company Financials”), which Subsequent Unaudited Company Financials shall have been prepared in accordance with the Accounting Principles applied on a consistent basis throughout the periods indicated (except for the omission of footnotes and subject to year-end adjustments).

SECTION 8.14 Investments; Cooperation.

(a) From and after the date of this Agreement until the earlier of the Closing and the termination of this Agreement pursuant to Section 10.01, each of SPAC and Holdco, shall take, or cause to be taken, all reasonable actions and do, or cause to be done, all things necessary, proper or advisable to consummate the Investment with Investors, including maintaining in effect the Baron Support Agreement and the applicable Forward Purchase Agreements and Subscription Agreements and shall use its reasonable best efforts to: (i) satisfy in all material respects on a timely basis all conditions and covenants applicable to such Party in such Baron Support Agreement, Forward Purchase Agreements and Subscription Agreements and otherwise comply with its obligations thereunder and (ii) in the event that all conditions in such Baron Support Agreement, Forward Purchase Agreements and Subscription Agreements (other than conditions that such Party or any of its affiliates waive the satisfaction of and other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied, consummate transactions contemplated by such Baron

Support Agreement, Forward Purchase Agreements and Subscription Agreements at or prior to the Closing. (b) Following the date of this Agreement and prior to the Closing Date, SPAC may, subject to the prior written consent of the Company, enter into one or more Subscription Agreements with a financing source or sources relating to a PIPE transaction or transactions, under substantially identical terms to those contained in the DD3 Capital Subscription Agreement, including with respect to price (\$10.00 per share of SPAC Class A Common Stock) in an additional amount of investment not to exceed \$15,000,000 in the aggregate. in Colombia, Panama or the City of Buenos Aires (Argentina), as applicable, as a result of the failure to obtain any permit, consent, approval, authorization, qualification or order of any Governmental Authority or any other third party or any change in any Law which would prevent such consummation or would otherwise render the consummation of a particular step of the Restructuring economically unviable, in lieu of causing the consummation of such step of the Restructuring in such jurisdiction, Parent and the Company shall enter into a written agreement with the Company Subsidiary identified in Section 8.18 of the Company Disclosure Schedule in such jurisdiction or any other Company Subsidiary in form and substance reasonably satisfactory to SPAC (each, a “Restructuring Agreement”) and take such other actions prior to the Closing to provide to the Company and its Company Subsidiaries in such jurisdiction substantially the same economic effect and benefits to the Company and its Company Subsidiaries as if each such permit, consent, approval, authorization, qualification and order had been obtained, such Law had not changed, and each transaction contemplated in Section 8.18 of the Company Disclosure Schedule had been consummated as originally contemplated to the greatest extent possible.

SECTION 8.19 Company Debt.

Prior to the Merger Effective Time, Parent and the Company shall take or cause to be taken all actions necessary to capitalize or cancel all indebtedness of the Company and Company Subsidiaries by Parent or any of its subsidiaries (other than Holdco) so that at the Exchange Effective Time neither the Company nor any Company Subsidiary has any indebtedness outstanding.

(b) by either SPAC or the Company if the Merger Effective Time shall not have occurred prior to 5:00 p.m. (New York time) on December 31, 2021 (the “Outside Date”); provided, however, that this Agreement may not be terminated under this Section 10.01(b) by or on behalf of any Party that either directly or indirectly through its affiliates materially breaches or violates any representation, warranty, covenant, agreement or obligation contained herein and such material breach or violation is the principal cause of the failure to satisfy a condition set forth in Article IX on or prior to the Outside Date;

(c) by either SPAC or the Company if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any injunction, order, decree or ruling (whether temporary, preliminary or permanent) which has become final and non-appealable and has the effect of making consummation of the Transactions, including the Merger, illegal or otherwise preventing or prohibiting consummation of the Transactions or the Merger;

(b) In the event of the termination of this Agreement pursuant to Section 10.01, this Agreement shall forthwith become void, and there shall be no liability under this Agreement on the part of any Party, except that the provisions set forth in this Section 10.02, Article XI, and any corresponding definitions set forth in Article I shall survive such termination; provided, however, that nothing herein shall relieve any Party from any liability for any willful and material breach of this Agreement.

SECTION 10.03 Amendment. This Agreement may be amended in writing by all Parties hereto at any time prior to the Merger Effective Time. This Agreement may not be amended except by an instrument in writing signed by each of the Parties.

SECTION 11.02 Non-Survival of Representations, Warranties and Covenants. The representations, warranties, obligations, agreements and covenants in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement (other than, for the avoidance of doubt, the Ancillary Agreements, each of which shall be governed by its own terms) shall terminate at the Closing (and there shall be no liability after the Closing in respect thereof), except that (a) this Article XI and any corresponding definitions included herein shall survive the Closing and (b) this Section 11.02 shall not limit any covenant, obligation or agreement contained herein that by its terms expressly applies or requires performance in whole or in part after the Closing and then only with respect to any breaches occurring after the Closing. Effective as of the Closing, there are no remedies available to the Parties with respect to any breach of the representations, warranties, obligations, covenants or agreements of the Parties, except, with respect to those obligations, covenants and agreements contained herein that by their terms apply or require performance in whole or in part after the Closing and the remedies that may be available under Section 11.11. For the avoidance of doubt, nothing in this Agreement shall be construed as an obligation of the Parent or the Company to provide indemnification for breach of representations, warranties, obligations,

agreements and covenants where such indemnification would entail an infringement of any financial assistance prohibitions that may be applicable from time to time pursuant to the Spanish Companies Act.

SECTION 11.03 Expenses.

(a) In the event that this Agreement is terminated in accordance with Section 10.01, all Transaction Expenses incurred in connection with this Agreement, the Ancillary Agreements and the Transactions shall be paid by the Party incurring such Transaction Expenses.

(b) If the Transactions are consummated, subject to the obligations set forth in Section 3.01(b), the Surviving Corporation shall pay or cause to be paid the Company Transaction Expenses and the SPAC Transaction Expenses (either directly or, to the extent paid by Parent or the Company, on a reimbursed basis) to the extent set forth in this Section 11.03. All Transaction Expenses incurred in connection with this Agreement, the Ancillary Agreements and the Transactions by a Party and not expressly payable, in whole or in part, by the Surviving Corporation hereunder shall be paid by the Party incurring such Transaction Expenses.

(i) If the Gross Proceeds as of the Closing Date are at least \$180,000,000, the Parties agree that the total amount of Transaction Expenses that the Surviving Corporation shall pay or cause to be paid under this Agreement will be up to \$18,000,000, to be distributed as follows:

(A) The SPAC Transaction Expenses that the Surviving Corporation shall pay or cause to be paid under this Agreement will be up to \$8,000,000; provided, however, that the maximum amount of any SPAC Transaction Expenses payable pursuant to this Section 11.03(b)(i)(A) in respect of each of the concepts set forth on the transaction expenses table (the "Transaction Expenses Table") set forth on Section 11.03 of the Company Disclosure Schedule shall be as set forth in such Transaction Expenses Table.

(B) The Company Transaction Expenses that the Surviving Corporation shall pay or cause to be paid under this Agreement will be up to \$10,000,000; provided, however, that the maximum amount of any Company Transaction Expenses payable pursuant to this Section 11.03(b)(i)(B) in respect of each of the concepts set forth on the Transaction Expenses Table shall be as set forth therein.

SECTION 11.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

SECTION 11.05 Entire Agreement; Assignment. This Agreement and the Ancillary Agreements constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede, except for the Confidentiality Agreement, all prior agreements and undertakings, both written and oral, among the Parties, or any of them, with respect to the subject matter hereof. Neither Party shall assign, grant or otherwise transfer the benefit of the whole or any part of this Agreement or any of the rights hereunder (whether pursuant to a merger, by operation of Law or otherwise) by any Party without the prior express written consent of the other Parties.

SECTION 11.07 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed in that State, except to the extent mandatorily governed by the laws of the Grand Duchy of Luxembourg, including the provisions relating to the Exchange. All legal actions and proceedings arising out of or relating to this Agreement shall be heard and determined exclusively in any Delaware Chancery Court; provided, that if jurisdiction is not then available in the Delaware Chancery Court, then any such legal Action may be brought in any federal court located in the State of Delaware or any other Delaware state court. The Parties hereby (a) irrevocably submit to the exclusive jurisdiction of the aforesaid courts for themselves and with respect to their respective properties for the purpose of any Action arising out of or relating to this Agreement brought by any Party, and (b) agree not to commence any Action relating thereto except in the courts described above in Delaware, other than Actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Delaware as described herein. To the fullest extent permitted by applicable Law, each of the Parties further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. To the fullest extent permitted by applicable Law, each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Action arising out of or relating to this Agreement or the Transactions, (x) any claim that it is not personally subject to the jurisdiction of the courts in Delaware as described herein for any reason, (y) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts

(whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (z) that (i) the Action in any such court is brought in an inconvenient forum, (ii) the venue of such Action is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS. EACH OF THE PARTIES (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THAT FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.08.

SECTION 11.09 Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 11.10 Counterparts. This Agreement may be executed and delivered (including executed manually or electronically via DocuSign or other similar services, and delivered by facsimile or portable document format (pdf) transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

SECTION 11.11 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof, and, accordingly, that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including the Parties' obligation to consummate the Transactions) in any court of the United States located in the Court of Chancery of the State of Delaware or, if that court does not have jurisdiction, any court of the United States located in the State of Delaware without proof of actual damages or otherwise, in addition to any other remedy to which they are entitled at law or in equity as expressly permitted in this Agreement. Each of the Parties hereby further waives (i) any defense in any action for specific performance that a remedy at law would be adequate and (ii) any requirement under any Law to post security or a bond as a prerequisite to obtaining equitable relief.

SECTION 11.12 Drafting of the Agreement. Each Party acknowledges that such Party has had the opportunity to participate in the drafting of this Agreement and to review this Agreement with legal counsel of its choice, and there shall be no presumption that ambiguities shall be construed or interpreted against the drafting Party, and no presumptions shall be made or inferences drawn because of the inclusion of a term not contained in a prior draft of this Agreement or the deletion of a term contained in a prior draft of the Agreement.

2.1 Shelf Registration.

The Registration Statement filed with the Commission pursuant to this subsection 2.1.1 shall be on a shelf registration statement on Form F-1 (a “**Form F-1 Shelf**”) or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this subsection 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. Holdco shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this subsection 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available (including to use its reasonable best efforts to add Registrable Securities held by Permitted Transferees) or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. As soon as practicable following the effective date of a Registration Statement filed pursuant to this subsection 2.1.1, but in any event within five (5) business days of such date, Holdco shall notify the Holders of the effectiveness of such Registration Statement.

2.1.2 Holdco shall use its reasonable best efforts to convert the Form F-1 Shelf filed pursuant to subsection 2.1.1 to a shelf registration statement on Form F-3 (a “**Form F-3 Shelf**”) as promptly as practicable after Holdco is eligible to use a Form F-3 Shelf and have the Form F-3 Shelf declared effective as promptly as practicable and to cause such Form F-3 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities.

2.1.3 At any time and from time to time following the effectiveness of the shelf registration statement required by subsection 2.1.1 or subsection 2.1.2, one or more Holders may request to sell all or a portion of

their Registrable Securities in an underwritten offering that is registered pursuant to such shelf registration statement (a “**Shelf Underwritten Offering**”) provided that such Holders reasonably expect to sell Registrable Securities yielding aggregate gross proceeds in excess of \$12,500,000 from such Shelf Underwritten Offering (such amount of Registrable Securities, as applicable, the “**Minimum Amount**”). All requests for a Shelf Underwritten Offering shall be made by giving written notice to Holdco (the “**Shelf Takedown Notice**”). Each Shelf Takedown Notice shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and the expected price range (net of underwriting discounts and commissions) of such Shelf Underwritten Offering. Within five (5) business days after receipt of any Shelf Takedown Notice, Holdco shall give written notice of such requested Shelf Underwritten Offering to all other Holders of Registrable Securities (the “**Holdco Shelf Takedown Notice**”) and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder’s Registrable Securities in a Registration pursuant to a Shelf Underwritten Offering (each such Holder that includes all or a portion of such Holder’s Registrable Securities in such Shelf Underwritten Offering, a “**SUO Requesting Holder**”) shall so notify Holdco of its intent to participate in such Shelf Underwritten Offering, in writing, within five (5) business days after the receipt by such Holder of Holdco Shelf Takedown Notice. Upon receipt by Holdco of any such written notification from a SUO Requesting Holder to Holdco, subject to the provisions of subsection 2.2.4, Holdco shall include in such Shelf Underwritten Offering all Registrable Securities of such SUO Requesting Holder. Holdco shall enter into an underwriting agreement in customary form for such Shelf Underwritten Offering by Holdco with the managing Underwriter or Underwriters selected by the Holders holding at least a majority-in-interest of the Registered Securities being registered after consultation with Holdco and shall take all such other reasonable actions as are requested by the managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this subsection 2.1.3, subject to Section 3.3 and Article IV, the underwriting agreement into which each Holder and Holdco shall enter shall contain representations, covenants, indemnities and other rights and obligations in customary form for such Shelf Underwritten Offering by Holdco. Any Shelf Underwritten Offering effected pursuant to this subsection 2.1.3 shall be counted as a Registration for purposes of the limit on the number of Registrations that can be effected under Section 2.2 hereof.

2.2 Demand Registration.

2.2.1 Request for Registration. Subject to the provisions of subsection 2.2.5 and Sections 2.4 and 3.4 hereof and provided that Holdco does not have an effective Registration Statement pursuant to subsection 2.1.1 covering Registrable Securities, Holders holding at least a majority-in-interest of the then-outstanding number of Registrable Securities may make a written demand for Registration of all or part of their Registrable Securities on (a) Form F-1, or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities or (b) if available, Form F-3, which in the case of either clause (a) or (b), may be a shelf registration statement filed pursuant to Rule 415 under the Securities Act, which written demand shall describe the amount and type of securities to be included in such Registration and the intended methods of distribution thereof (such written demand a “**Demand Registration**”) provided that such Holders reasonably expect to sell Registrable Securities yielding aggregate gross proceeds in excess of the Minimum Amount. Holdco shall, within ten (10) business days following Holdco’s receipt of a Demand Registration, notify, in writing all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder’s Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder’s Registrable Securities in such Registration, a “**DR Requesting Holder**”) shall so notify Holdco, in writing, within five (5) business days after the receipt by the Holder of the notice from Holdco. For the avoidance of doubt, to the extent a DR Requesting Holder also separately possesses Demand Registration rights pursuant to this Section 2.2, but is not the Holder who exercises such Demand Registration rights, the exercise by such DR Requesting Holder of its rights pursuant to the foregoing sentence shall not count as the exercise by it of one of its Demand Registration rights. Upon receipt by Holdco of any such written notification from a DR Requesting Holder to Holdco, subject to subsection 2.2.4 below, such DR Requesting Holder shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and Holdco shall file, as soon thereafter as practicable, but not more than forty-five (45) days immediately after Holdco’s receipt of the Demand Registration, and Holdco shall use reasonable best efforts to effect the Registration of all Registrable Securities requested by the DR Demanding Holders and DR Requesting Holders pursuant to such Demand Registration as soon as practicable. Holdco shall not be obligated to effect more than (i) an aggregate of three (3) Registrations pursuant to a Demand Registration or a Shelf Underwritten Offering initiated by Sponsor, and (ii) an aggregate of three (3) Registrations pursuant to a Demand Registration or a Shelf Underwritten

Offering initiated by Parent, in each case under subsection 2.1.3 or this subsection 2.2.1 with respect to any or all Registrable Securities; provided, however, that a Registration shall not be counted for such purposes unless a Registration Statement that may be available at such time has become effective and all of the Registrable Securities requested by the DR Demanding Holders and the DR Requesting Holders (or in the case of a Shelf Underwritten Offering, the SUO Demanding Holders and the SUO Requesting Holders) to be registered on behalf of the DR Demanding Holders and the DR Requesting Holders (or in the case of a Shelf Underwritten Offering, the SUO Demanding Holders and the SUO Requesting Holders) in such Registration have been sold, in accordance with Section 3.1 of this Agreement.

2.2.2 Effective Registration. Notwithstanding the provisions of subsection 2.2.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (a) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (b) Holdco has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency, the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) a majority-in-interest of the DR Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify Holdco in writing, but in no event later than five (5) days after the removal, rescission or other termination of such stop order or injunction, of such election; provided, further, that Holdco shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration by a DR Demand Holder becomes effective or is subsequently terminated.

2.2.3 Underwritten Offering. Subject to the provisions of subsection 2.2.4 and Sections 2.4 and 3.4 hereof, if a majority-in-interest of the DR Demanding Holders so advise Holdco as part of their Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such DR Demanding Holder or DR Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.3, subject to Section 3.3 and Article IV, shall enter into an underwriting agreement in customary form with Holdco and the Underwriter selected for such Underwritten Offering by the majority-in-interest of the DR Demanding Holders initiating the Demand Registration.

2.2.4 Reduction of Underwritten Offering. In the event of a Demand Registration that is to be an Underwritten Offering or a Shelf Underwritten Offering, and if any managing Underwriter, in good faith, advises Holdco in writing that, in its opinion, the dollar amount or number of Registrable Securities desired to be sold under any such Underwritten Offering, taken together with all other Ordinary Shares or other equity securities that Holdco desires to sell for its own account and the Ordinary Shares, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders of Holdco who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "**Maximum Number of Securities**"), then Holdco shall include in such Underwritten Offering, as follows: (a) first, the Registrable Securities of the Holders participating in such Underwritten Offering that can be sold without exceeding the Maximum Number of Securities pro rata, based on the respective number of Registrable Securities that each Holder has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that all Holders have requested be included in such Underwritten Registration (such proportion is referred to herein as "**Pro Rata**"); (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Ordinary Shares or other equity securities that Holdco desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Ordinary Shares or other equity securities of other persons or entities that Holdco is obligated to register in a Registration

pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.2.5 Demand Registration Withdrawal. Any Holder shall have the right to withdraw all or a portion of its Registrable Securities included in a Demand Registration pursuant to subsection 2.2.1 or a Shelf Underwritten Offering pursuant to subsection 2.1.3 for any or no reason whatsoever upon written notification to Holdco and the Underwriter or Underwriters (if any) of its intention to so withdraw at any time prior to (a) in the case of a Demand Registration not involving an Underwritten Offering or a Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement or (b) in the case of any Demand Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering; provided, however, that upon withdrawal by a majority-in-interest of the Holders initiating a Demand Registration (or in the case of a Shelf Underwritten Offering, withdrawal of an amount of Registrable Securities included by the Holders in such Shelf Underwritten Offering, in their capacity as Holders, being less than the Minimum Amount), Holdco shall cease all efforts to secure effectiveness of the applicable Registration Statement or complete the Underwritten Offering, as applicable. Holdco shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to and including its withdrawal under this subsection 2.2.5. Any such withdrawal shall be counted towards the limit on Registrations set forth in subsection 2.2.1.

2.3 Piggyback Registration.

2.3.1 Piggyback Rights. If, at any time on or after the date hereof, Holdco proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of Holdco, other than a Registration Statement (a) filed in connection with any employee share option or other benefit plan, (b) for an exchange offer or offering of securities solely to Holdco's existing shareholders, (c) for an offering of debt that is convertible into equity securities of Holdco, (d) for a dividend reinvestment plan, (e) filed pursuant to subsection 2.1.1, (f) filed pursuant to Section 2.2, or (g) filed in connection with any business combination or acquisition involving Holdco, then Holdco shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than twenty (20) days before the anticipated filing date of such Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended methods of distribution (including whether such registration will be pursuant to a shelf registration statement) and name of the proposed managing Underwriter or Underwriters, if any, in such offering, (B) describe such Holders' rights under this Section 2.3 and (C) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within five (5) days after receipt of such written notice (such Registration a "**Piggyback Registration**"). Holdco shall, in good faith, cause such Registrable Securities identified in a Holder's response noticed described in the foregoing sentence to be included in such Piggyback Registration and shall use its reasonable best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering, if any, to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.3.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of Holdco or Holdco shareholders for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended methods of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.3.1, subject to Section 3.3 and Article IV, shall enter into an underwriting agreement in customary form with the Underwriters selected for such Underwritten Offering by Holdco or Holdco shareholders for whose account the Registration Statement is to be filed. For purposes of this Section 2.3, the filing by Holdco of an automatic shelf registration statement for offerings pursuant to Rule 415(a) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as Holdco amends or supplements such Registration Statement to include information with respect to a specific offering of Registrable Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in this Section 2.3). Holdco may postpone or withdraw the filing or the effectiveness of a Piggyback Registration at any time on its own good faith determination.

2.3.2 Reduction of Piggyback Registration. If a Piggyback Registration is to be an Underwritten Offering and any managing Underwriter, in good faith, advises Holdco and the Holders of Registrable Securities

participating in the Piggyback Registration in writing that, in its opinion, the dollar amount or number of the Ordinary Shares that Holdco desires to sell, taken together with (a) the Ordinary Shares, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (b) the Registrable Securities as to which registration has been requested pursuant Section 2.3 hereof, and (c) the Ordinary Shares, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other shareholders of Holdco, exceeds the Maximum Number of Securities, then:

2.3.2.1 if the Registration is undertaken for Holdco's account, Holdco shall include in any such Registration (a) first, the Ordinary Shares or other equity securities that Holdco desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Ordinary Shares, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other shareholders of Holdco, which can be sold without exceeding the Maximum Number of Securities; and

2.3.2.2 if the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then Holdco shall include in any such Registration (a) first, the Ordinary Shares or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Ordinary Shares or other equity securities that Holdco desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (d) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a), (b) and (c), the Ordinary Shares or other equity securities for the account of other persons or entities that Holdco is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

2.3.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw all or any portion of its Registrable Securities in a Piggyback Registration for any or no reason whatsoever upon written notification to Holdco and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration prior to (a) in the case of a Piggyback Registration not involving an Underwritten Offering or Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement or (b), in the case of any Piggyback Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering. Holdco (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may postpone or withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Holdco shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this subsection 2.3.3.

2.3.4 Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to Section 2.3 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 hereof or a Shelf Underwritten Offering effected under subsection 2.1.3; provided, however, that the rights to demand a Piggyback Registration under this Section 2.3 shall terminate on the second anniversary of the date hereof.

2.4 Restrictions on Registration Rights. If (a) during the period starting with the date sixty (60) days prior to Holdco's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Holdco initiated Registration and provided that Holdco has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.2.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (b) the

Holders have requested an Underwritten Registration and Holdco and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (c) in the good faith judgment of the Board such Registration would be seriously detrimental to Holdco and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case Holdco shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to Holdco for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, Holdco shall have the right to defer such filing for a period of not more than sixty (60) days; provided, however, that Holdco shall not defer its obligation in this manner more than twice in any twelve (12)-month period (the “*Aggregate Blocking Period*”). Notwithstanding anything to the contrary contained in this Agreement, no Registration shall be effected or permitted and no Registration Statement shall become effective, with respect to any Lock-Up Securities held by Parent or Sponsor, until after the expiration of the Lock-Up Period.

ARTICLE III HOLDCO PROCEDURES

3.1 General Procedures. If, at any time on or after the date hereof, Holdco is required to effect the Registration of Registrable Securities, Holdco shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto Holdco shall, as promptly as reasonably practicable:

3.1.1 prepare and file with the Commission a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by the Holders of Registrable Securities included in such Registration or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by Holdco or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, or such Holders’ legal counsel, copies of the Prospectus included in such Registration Statement (including each preliminary Prospectus) and each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, use its reasonable best efforts to (a) register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may reasonably request and (b) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of Holdco and do any and all other acts and things that may be reasonably necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that Holdco shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 use reasonable best efforts to cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by Holdco are then listed;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of any request by the Commission that Holdco amend or supplement such Registration Statement or Prospectus or the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or Prospectus the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best efforts to amend or supplement such Registration Statement or Prospectus or prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued, as applicable;

3.1.8 at least five (5) business days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus, furnish a copy thereof to each seller of such Registrable Securities or its counsel, and not to file any such Registration Statement or Prospectus, or amendment or supplement thereto, to which any such Holder or Registrable Securities shall have reasonably objected on the grounds that such Registration Statement or Prospectus or supplement or amendment thereto, does not comply in all material respects with the requirements of the Securities Act or the rules and regulations thereunder;

3.1.9 notify the Holders of Registrable Securities included in such Registration at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event or the existence of any condition as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.10 permit a representative of the Holders of Registrable Securities included in such Registration, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate in the preparation of any Registration Statement, each such Prospectus included therein or filed with the Commission, and each amendment or supplement thereto, and will give each of them such access to its books and records and such opportunities to discuss the business, finances and accounts of Holdco and its subsidiaries with its officers, directors and the independent public accountants who have certified its financial statements as shall be necessary, in the reasonable opinion of such Holders' and such Underwriters' respective counsel, to conduct a reasonable investigation within the meaning of the Securities Act, and will cause Holdco's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that if requested by Holdco, such representatives or Underwriters shall enter into a confidentiality agreement, in form and substance reasonably satisfactory to Holdco, prior to the release or disclosure of any such information;

3.1.11 obtain a "cold comfort" letter (including a bring-down letter dated as of the date the Registrable Securities are delivered for sale pursuant to such Registration) from Holdco's independent registered public accountants in the event of an Underwritten Offering, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders and any Underwriter;

3.1.12 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion and negative assurance letter, dated such date, of counsel representing Holdco for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to the participating Holders;

3.1.13 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of Holdco's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the

Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission), and which requirement will be deemed to be satisfied if Holdco timely files information on Forms 20-F and 6-K under the Exchange Act and otherwise complies with Rule 158 under the Securities Act;

3.1.15 if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of \$12,500,000, use its reasonable efforts to make available senior executives of Holdco to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.16 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders of Registrable Securities included in such Registration in connection with such Registration.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by Holdco. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters’ commissions and discounts, brokerage fees, marketing costs, and, other than as set forth in the definition of “Registration Expenses,” all reasonable fees and expenses of any legal counsel representing the Holders. Any reimbursement or payment by Holdco shall in no event (a) be duplicative of or (b) limit any provision, in each case which provides for reimbursement of fees and expenses of counsel in any other contract or agreement between the Holders and Holdco.

3.3 Participation in Underwritten Offerings.

3.3.1 No person may participate in any Underwritten Offering for equity securities of Holdco pursuant to a Registration initiated by Holdco hereunder unless such person (a) agrees to sell such person’s securities on the basis provided in any underwriting arrangements approved by Holdco and (b) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.3.2 Holdco will use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder to make any representations or warranties to or agreements with Holdco or the Underwriters other than representations, warranties or agreements regarding such Holder and such Holder’s intended method of distribution and any other representation required by law, and if, despite Holdco’s commercially reasonable efforts, an Underwriter requires any Holder to make additional representation or warranties to or agreements with such Underwriter, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claims against Holdco as a result of such election). Any liability of such Holder to any Underwriter or other person under such underwriting agreement shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

3.4 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from Holdco that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement or including the information counsel for Holdco believes to be necessary to comply with law (it being understood that Holdco hereby covenants to prepare and file such supplement or amendment as soon as reasonably practicable after the time of such notice such that the Registration Statement or Prospectus, as so amended or supplemented, as applicable, will not include a Misstatement and complies with law), or until it is advised in writing by Holdco that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require Holdco to make an Adverse Disclosure or would require the inclusion in such Registration Statement of (i) financial statements that are unavailable to Holdco for reasons beyond Holdco’s control, (ii) audited financial statements as of a date other than Holdco’s fiscal year end, or (iii) pro forma financial statements that are required to be included in a registration statement, Holdco may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event for a period more than sixty (60) consecutive days or more than two times in any calendar year, determined in good faith by the Board to be necessary for such purpose; provided that each day of any such suspension pursuant to this Section 3.4 shall

correspondingly decrease the Aggregate Blocking Period available to the Company during any twelve (12) month period pursuant to Section 2.4 hereof. In the event Holdco exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. Holdco shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Covenants of Holdco. As long as any Holder shall own Registrable Securities, Holdco, at all times while it shall be a reporting company under the Exchange Act, covenants and agrees to use reasonable best efforts to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by Holdco after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly upon request by a Holder furnish such Holder with true and complete copies of such filings. Holdco further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Ordinary Shares held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, Holdco shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

ARTICLE IV INDEMNIFICATION AND CONTRIBUTION

4.1 Indemnification.

4.1.1 Holdco agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors and employees and each person who controls (within the meaning of the Securities Act) such Holder against all losses, claims, damages, liabilities and expenses (including reasonably attorneys' fees) (collectively, "**Claims**"), to which any such Holder or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading; except insofar as the Claim or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such filing in reliance upon and in conformity with information furnished in writing to Holdco by such Holder expressly for use therein. Holdco shall indemnify the Underwriters, their officers and directors and each person who controls (within the meaning of the Securities Act) such Underwriters to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, Holdco may require that, as a condition to including any Registrable Securities in any Registration Statement, Holdco shall have received an undertaking reasonably satisfactory to it from such Holder, to indemnify Holdco, its directors and officers and agents and each person who controls (within the meaning of the Securities Act) Holdco against any Claims, to which Holdco or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue statement of any material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls (within the meaning of the Securities Act) such Underwriters to the same extent as provided in the foregoing with respect to indemnification of Holdco.

4.1.3 Any person entitled to indemnification herein shall (a) give prompt written notice to the indemnifying party of any Claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not

materially prejudiced the indemnifying party) and (b) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such Claim, permit such indemnifying party to assume the defense of such Claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) and which settlement includes a statement or admission of fault or culpability on the part of such indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, employee or controlling person of such indemnified party and shall survive the Transfer of Registrable Securities.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims (a) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Registrable Securities or (b) if the allocation provided by clause (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (a) above but also to reflect the relative fault of the indemnifying party or parties on the other hand in connection with the statements or omissions that resulted in such Claims, as well as any other relevant equitable considerations; provided, however, that the liability of any Holder under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. NOMINATION AGREEMENTS PRIOR TO NOMINATION TERMINATION

Section 2.1 Board Nomination Rights.

(a) Board Composition. The size of the Board shall be such number as approved by the shareholders of Holdco at a Shareholders' Meeting; provided, however, that from the date hereof until the date on which Holdco holds its second Shareholders' Meeting after the date hereof at which Directors are to be elected, including any adjournment or postponement thereof (the "Sponsor Proposal Period"), the Board shall consist of seven Directors.

(b) Shareholder Nominees.

(i) In connection with any Shareholders' Meeting at which Directors are to be elected, or any adjournment or postponement thereof, Parent shall have the right to propose for appointment the number of Directors set forth in this Section 2.1(b)(i) (each such Director proposed for appointment by Parent, a "Parent Director" and collectively, the "Parent Directors"), as follows:

(A) During the Sponsor Proposal Period, Parent shall have the right to propose for appointment four Parent Directors, at least one of whom must qualify as an Independent Director and one or more of whom (which may include one or more of such Independent Directors) may be required by Parent to qualify as a Luxembourg tax resident, subject to any independence requirements established by the listing rules of the stock exchange on which the Ordinary Shares are listed that would require a greater number of Shareholder Directors (as defined below) to qualify as Independent Directors, in which case Parent shall maintain its right to propose for appointment a number of non-Independent Directors as nearly equal as possible to the proportions established in this Agreement.

(B) After the Sponsor Proposal Period, Parent shall have the right to propose for appointment five Parent Directors, at least two of whom must qualify as Independent Directors and one or more of whom (which may include one or more of such Independent Directors) may be required by Parent to qualify as a Luxembourg tax resident, subject to any independence requirements established by the listing rules of the stock exchange on which the Ordinary Shares are listed that would require a greater number of Shareholder Directors (as defined below) to qualify as Independent Directors, in which case Parent shall maintain its right to propose for appointment a number of non-Independent Directors as nearly equal as possible to the proportions established in this Agreement.

(ii) In connection with any Shareholders' Meeting at which Directors are to be elected, or any adjournment or postponement thereof, held during the Sponsor Proposal Period, Sponsor shall have the right to propose for appointment two Directors, one of whom shall have the right to be re-appointed and serve as Director up to (but not after) the second annual Shareholders' Meeting that takes place after the date hereof and

one of whom shall have the right to be re-appointed and serve as Director up to (but not after) the third annual Shareholders' Meeting that takes place after the date hereof (each such Director proposed for appointment by Sponsor, a "Sponsor Director" and collectively, the "Sponsor Directors"); in each case on the terms and conditions provided for in this Agreement and subject to compliance with any applicable laws, rules and regulations and under the criteria established by the listing rules of the stock exchange on which the Ordinary Shares are listed. At least one of the Sponsor Directors must qualify as an Independent Director.

(iii) During the Sponsor Proposal Period, Parent and Sponsor, jointly, shall have the right to propose for appointment one additional Independent Director who shall not be an Affiliate of Parent or Sponsor and who shall also qualify as an industry expert (the "Industry Expert Independent Director," and collectively with the Parent Directors and Sponsor Directors, each a "Shareholder Director" and collectively, the "Shareholder Directors"). The Industry Expert Independent Director may, subject to the Board's sole discretion, be designated as the chairperson of the Board.

(iv) Except as otherwise determined by the Board, (A) only the Industry Expert Independent Director and one Independent Director who is a Parent Director shall be entitled to compensation as consideration for serving on the Board and any Board committees, and (B) no other Shareholder Directors shall be entitled to receive compensation for serving on the Board and/or any Board committees, other than the reimbursement for reasonable and documented out-of-pockets expenses.

(v) If at any point in time the Directors on the Board are divided into classes, the Shareholders shall apportion the Shareholder Directors among such classes so that (A) the aggregate number of Shareholder Directors proposed by each of Parent and Sponsor, as applicable, in each class is as nearly equal as possible to the proportions established in this Agreement and (B) the number of Parent Directors, Sponsor Directors and the Industry Expert Independent Director, respectively, in each such class is as nearly equal as possible to the proportions established in this Agreement.

(vi) For so long as Holdco maintains an Audit Committee, such committee shall include at least one Parent Director and one Sponsor Director (but only to the extent such Director (A) qualifies as an Independent Director and (B) meets the heightened independence requirements applicable to audit committees under the U.S. Securities and Exchange Commission rules and regulations and under the criteria established by the listing rules of the stock exchange on which the Ordinary Shares are listed). In addition, Parent shall have the right, but not the obligation, to propose for appointment one non-executive, non-Independent Director as an observer to the Audit Committee to be appointed by the Board, subject to compliance with Rule 10A-3 under the U.S. Securities Exchange Act of 1934.

(c) Death; Retirement; Resignation; Removal; Vacancies. If a vacancy on the Board is caused by the death, retirement, resignation or removal of any Shareholder Director nominated pursuant to this Section 2.1, then Parent and Sponsor, as applicable, shall, to the fullest extent permitted by this Section 2.1 and applicable Law, have the right to propose an individual to

be appointed to fill such vacancy for the remainder of the deceased, retired, resigned or removed, as applicable, Shareholder Director's term, and Holdco and the Shareholders shall take all action to cause such Shareholder Director to be appointed to the Board.

(d) Additional Nomination Procedures.

(i) In connection with any Shareholders' Meeting at which Directors are to be elected, unless otherwise informed in writing by Parent and/or Sponsor, as applicable, the incumbent Shareholder Directors previously proposed for appointment in accordance with Section 2.1(b) shall automatically be deemed proposed for appointment by Parent and/or Sponsor, as applicable, for such Shareholders' Meeting. With respect to any person that will be proposed for appointment as a Shareholder Director for the first time at any Shareholders' Meeting, Parent or Sponsor, as applicable, shall propose such Shareholder Director for appointment by delivering to Holdco a written statement at least 90 days prior to the one-year anniversary of the preceding annual Shareholders' Meeting that (A) informs Holdco of such Shareholder Director's nomination and (B) sets forth such Shareholder Director's name, business address, telephone number, and e-mail address. Holdco may require any Shareholder Director to (i) provide Holdco with a completed and executed copy of Holdco's standard director questionnaire applicable to all other Directors; (ii) provide Holdco with the Shareholder Director's written consent to a customary background check, which consent shall be provided promptly after the Shareholder Director is proposed for appointment to the Board; (iii) complete a reasonably satisfactory interview with the governance committee or other appropriate committee, in each case, if established ("Governance Committee"), and the Board, which shall be completed as promptly as practicable following receipt of a completed director questionnaire; and (iv) provide such other information as Holdco may reasonably request, including information that Holdco is required to disclose with respect to such Shareholder Director pursuant to applicable Law or the rules of any securities exchange on which the Ordinary Shares are listed.

(ii) The Governance Committee (if established, otherwise the Board) shall evaluate each Shareholder Director and determine whether such candidate satisfies the qualifications contemplated by this Section 2.1(d) (with such determination to be made in good faith and not to be unreasonably made, withheld or delayed). If the Governance Committee (or the Board, as applicable) so determines that such candidate satisfies such qualifications, then, unless otherwise required by its fiduciary duties (as determined in good faith by the Governance Committee (or the Board, as applicable) after consultation with legal counsel), the Governance Committee shall recommend such Shareholder Director to the Board for inclusion (or the Board shall so include, as applicable) in the slate of directors that is included in any proxy statement (or similar document) of Holdco in respect of any Shareholders' Meeting at which Directors are to be elected. Holdco and the Shareholders shall take all action to ensure that the Governance Committee complies with the preceding sentence.

(iii) In the event the Board or the Governance Committee (if applicable) declines, in good faith, to approve any Shareholder Director, Parent and Sponsor, as applicable, may propose a new nominee in accordance with the approval process described

in this Section 2.1(d) until a nominee is approved in accordance with this Section. If Holdco identifies any reason under applicable Law why a person proposed for appointment as a Director pursuant to Section 2.1(b) cannot be seated as a Director, then (x) Holdco shall promptly notify Parent and/or Sponsor, as applicable, of that fact and (y) Holdco, Parent and/or Sponsor, as applicable, shall cooperate in good faith to eliminate such impediment or Parent and/or Sponsor, as applicable, shall identify another nominee in accordance with this Section 2.1.

Section 2.2 Assurances.

(a) Each of the Shareholders agrees that it shall (and shall cause its respective Affiliates to) cooperate in facilitating any action or right described in or required by this Agreement. Without limiting the generality of the foregoing, each of the Shareholders further agrees that it shall to the maximum extent permitted by law:

(i) cause to be counted as present for purposes of establishing quorum and to vote (or cause to be voted) all Ordinary Shares that each of the Shareholders or its respective Affiliates (x) beneficially own and have the power to vote or cause the voting of or (y) over which each of the Shareholders or its respective Affiliates holds proxies or powers of attorney, as the case may be, and take all other actions necessary to: (1) give effect to the provisions of this Agreement; and (2) ensure that the Articles facilitate and do not at any time contravene, conflict with, or result in any violation or breach of, or otherwise frustrate any provision of this Agreement;

(ii) cause to be counted as present for purposes of establishing a quorum and to vote (or cause to be voted) all Ordinary Shares that each of the Shareholders or its respective Affiliates (x) beneficially own and have the power to vote or cause the voting of or (y) over which each of the Shareholders or its respective Affiliates holds proxies or powers of attorney, as the case may be, and take all actions to oppose (1) any action or proposal that is reasonably likely to impair, delay, frustrate or otherwise serve to interfere with any provision of this Agreement (including removing or supporting the removal of any Director) and (2) any shareholder proposal to amend, modify or supplement Article 8 of the Articles, or to amend, modify or supplement the Articles that would otherwise act as an amendment, modification or supplement to Article 8 of the Articles that is not supported by the Board; and

(iii) not (1) solicit proxies or become a participant in any solicitation of proxies, or (2) cooperate in any way with, assist or participate in, knowingly encourage or otherwise facilitate or encourage any effort or attempt, in each case, that is reasonably likely to impair, delay, frustrate or otherwise serve to interfere with any provision of this Agreement.

(i) take all actions necessary to: (1) give effect to the provisions of this Agreement (including (x) each Shareholder Director that is proposed for appointment in accordance with the terms of this Agreement by the Shareholders as part of the slate that is included in any proxy statement (or similar document) of Holdco in respect of any Shareholders' Meeting at which Directors are to be elected, and (y) supporting the election of such Shareholder Director in a manner substantially similar to the support it provides to any other individual standing for election as a Director as part of the Holdco's slate of directors; provided, however, that with respect to each of the Shareholder Directors proposed for nomination by Sponsor, such obligations shall only exist during the Sponsor Proposal Period, and (2) submit proposals to the extraordinary Shareholders' Meeting of any other amendment, modification or supplement of the Articles to ensure that the Articles do not at any time contravene, conflict with, or result in any violation or breach of, or otherwise frustrate any provision of, this Agreement;

(ii) take all actions to oppose: (1) any action or proposal that is reasonably likely to impair, delay, frustrate or otherwise serve to interfere with any provision of this Agreement (including (x) supporting the removal of any Shareholder Director (except at the direction of the Shareholder who proposed such Shareholder Director for nomination); provided, however, that with respect to each of the Shareholder Directors proposed for nomination by Sponsor, such obligations shall only exist for the Shareholders' Meetings held during the Sponsor Proposal Period, or (y) nominating a number of Director nominees for any election of Directors that exceeds the number of Directors to be elected at any Shareholders' Meeting or otherwise impairing, delaying, frustrating or otherwise interfering with the rights of the Shareholders set forth in this Article II), and (2) any amendment, modification or supplement of the Articles that would contravene, conflict with, result in any violation or breach of any provision or otherwise frustrate any provision of this Agreement; and

(iii) not (1) solicit proxies or participate in a solicitation, (2) assist any Person in taking or planning any action, or (3) cooperate in any way with, assist or participate in, knowingly encourage or otherwise facilitate or encourage any effort or attempt, in each case, that is reasonably likely to impair, delay, frustrate or otherwise serve to interfere with any provision of this Agreement (including the rights of the Shareholders set forth in this Article II).

ARTICLE III

NOMINATION TERMINATION

Section 3.1 Termination. No termination under this Agreement shall relieve any Person of liability for any breach of this Agreement prior to its termination.

Ladies and Gentlemen:

Reference is made to the business combination agreement (the “Business Combination Agreement”) entered into as of June 21, 2021 by and among DD3 Acquisition Corp. II, Codere Newco, S.A.U. (“Parent”), Servicios de Juego Online, S.A.U. (the “Company”), Codere Online Luxembourg, S.A. (“Holdco”) and Codere Online U.S. Corp. Capitalized terms used but not otherwise defined in this letter agreement (this “Indemnification Agreement”) have the respective meanings ascribed thereto in the Business Combination Agreement.

In connection with the transactions contemplated under the Business Combination Agreement, Parent, Holdco and the Company have agreed to cause a corporate restructuring pursuant to which all of Codere, S.A.’s and Parent’s online gaming, gambling, casino, slots, poker, bingo, sports betting, betting exchanges, lottery operations, racing and pari-mutuel activities (collectively, the “Online Business”) will be operated or owned, as applicable, by the Company and the Company Subsidiaries by holding or receiving assets, rights and/or entities from Codere S.A., Parent and/or their respective subsidiaries in accordance with the Transaction Documents and Section 8.18 of the Company Disclosure Schedule (the “Restructuring”). In consideration of the benefits Parent will receive under the Business Combination Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Parent has agreed to indemnify Holdco and the Company and their respective subsidiaries (each, an “Indemnitee” and collectively, “Indemnitees”) against certain Losses (as defined below), as set forth in this Indemnification Agreement. This Indemnification Agreement, including the representations, warranties and agreements of Parent set forth herein, when accepted by Holdco and the Company, will evidence the agreement of the parties with respect to the matters contained in this Indemnification Agreement. Parent, Holdco and the Company agree as follows:

1. (a) Except for Liabilities (as defined below) arising under Section 1(b) (which shall be governed under Section 1(b)), Liabilities arising under Section 1(c) (which shall be governed under Section 1(c)), or Liabilities reflected or reserved against in the Year-End Financial Statements or the Interim Financial Statements, Parent will indemnify and hold harmless the Indemnitees, including under the principles of transferee or successor liability, against any debts, losses, damages, fines, penalties, expenses and liabilities (collectively,

“Liabilities”) incurred by them and arising under or in connection with the ownership of the assets (other than entities, assets or rights to be transferred to the Company or a Company Subsidiary pursuant to the Restructuring) of, or the operation of the business (other than the Online Business) by, Parent or any affiliate of Parent (excluding Holdco, Merger Sub, the Company and the Company Subsidiaries) (collectively, the “Non-Online Losses”).

(b) Except for Liabilities arising under Section 1(a) (which shall be governed under Section 1(a)), Liabilities arising under Section 1(c) (which shall be governed under Section 1(c)), or Liabilities reflected or reserved against in the Year-End Financial Statements or the Interim Financial Statements, Parent will indemnify and hold harmless the Indemnitees, including under the principles of transferee or successor liability, against any Liabilities incurred by any of the Indemnitees as a result of the consummation of the Restructuring, but only to the extent that such Liabilities would not have been incurred but for the Restructuring (collectively, the “Restructuring Losses”).

(c) Except for Liabilities arising under Section 1(a) (which shall be governed under Section 1(a)), Liabilities arising under Section 1(b) (which shall be governed under Section 1(b)), or Liabilities reflected or reserved against in the Year-End Financial Statements or the Interim Financial Statements, Parent will indemnify and hold harmless the Indemnitees against any Taxes of any Indemnitee, including Transfer Taxes, incurred by the Indemnitees as a result of the consummation of the Restructuring, but only to the extent that such Taxes would not have been incurred but for the Restructuring (the “Tax Losses,” and together with the Non-Online Losses and the Restructuring Losses, the “Losses”). Losses shall be deemed to exclude any legal or other expenses incurred by the Indemnitees in connection with investigating or defending any related action or claim, except to the extent Parent is required to indemnify or pay for such expenses pursuant to this Section 1.

(d) The obligations of Parent to indemnify and hold harmless the Indemnitees against, or to contribute to, Losses pursuant to this Indemnification Agreement shall remain in full force and effect until the date that is 24 months after the Closing Date. The aggregate amount of all Losses for which Parent shall be liable pursuant to this Indemnification Agreement, including, for the avoidance of doubt, any legal or other expenses incurred by the Indemnitees and required to be paid by Parent in connection with investigating and defending any related action or claim, shall not exceed \$10,000,000 in the aggregate (the “Maximum Liability”).

(e) The Company shall promptly provide written notice to Parent of any Action in connection with any Losses with respect to which any Indemnitee claims indemnification pursuant to this Indemnification Agreement (a “Proceeding”); *provided* that the failure to notify Parent shall not relieve Parent from any liability that it may have hereunder except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure. If a Proceeding is instituted against any Indemnitee by a third party (a “Third Party Proceeding”), Parent may, but shall not be obligated to, assume the defense of such Third Party Proceeding, at its own expense, by providing written notice to the Company within 10 days of receiving written notice of such Third Party Proceeding. Notwithstanding the foregoing, if Parent does not expressly elect to assume the defense of a Third Party Proceeding within ten (10) days of receiving written notice of such Third Party Proceeding, the Company shall have the right to

assume the defense of such Third Party Proceeding at the expense of Parent. Similarly, in the event of any Third Party Proceeding for equitable or injunctive relief or with respect to potential criminal liability, Parent shall not be entitled to assume the defense of such Third Party Proceeding without the prior written consent of the Company, and the Company shall have the right to assume such defense at the expense of Parent.

(f) If Parent assumes the defense of any Third Party Proceeding under the terms of Section 1(e), it shall not, without the prior written consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed), enter into any settlement or compromise or consent to the entry of any judgment with respect to such Third Party Proceeding if such settlement, compromise or judgment (i) involves a finding or admission of wrongdoing, fault, culpability or a failure to act, (ii) does not include an unconditional written release by the claimant or plaintiff from all liability in respect of such Third Party Proceeding or (iii) imposes equitable remedies or any obligation on any Indemnitee other than solely for the payment of money damages for which such Indemnitee will be indemnified hereunder. If Company assumes the defense of any Third Party Proceeding under the terms of Section 1(e), the Company may not, without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed), settle or compromise any action or consent to the entry of any judgment. Parent shall not be liable for any settlement of an action or claim for monetary or other damages that the Indemnitees may effect without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed).

(g) An Indemnitee shall retain the right to employ its own counsel and to participate in the defense of any Third Party Proceeding, the defense of which has been assumed by Parent pursuant to Section 1(e), but the Company shall bear and shall be solely responsible for the costs and expenses in connection with such participation. An Indemnitee may retain the same counsel than Parent, with the prior written consent of Parent, unless (x) the Company receives the written opinion of counsel that representation of such Indemnitee and Parent by the same counsel presents a conflict of interest under applicable standards of professional conduct or (y) the Company receives the written opinion of counsel that there may be legal defenses available to such Indemnitee which are different from or in addition to the defenses available to Parent and in the reasonable judgment of such counsel it is advisable for such Indemnitee to employ separate counsel. With respect to all Third Party Proceedings which are not defended by Parent, Parent shall have the right to employ its own counsel and to consult with counsel to the Company or an Indemnitee and to be fully involved and participate fully in the defense of the Third Party Proceeding (including the right to make recommendations which shall be considered in good faith by the Company and each Indemnitee).

(h) Parent shall pay to the Indemnitees any Losses that are due and payable by Parent to one or more Indemnitees under the terms of and to the extent provided in this Section 1. If the indemnification provided for pursuant to this Section 1 is unavailable or insufficient (up to the Maximum Liability) to hold harmless any Indemnitees in respect of all Losses incurred, then Parent shall contribute (up to the Maximum Liability) to the amount paid or payable by such Indemnitees as a result of such Losses an amount in such proportion as is equitable to reflect the relative fault of any Indemnitees, on the one hand, and Parent, on the other. Parent agrees that payments in respect of Losses to an Indemnitee shall be made by wire transfer of immediately

available funds to one or more accounts designated for such purposes by the Company. If any indemnification payments pursuant to this Section 1 are taxable, the parties shall cooperate and use reasonable best efforts to structure any payment pursuant to this Section 1 in a manner that reduces, minimizes or eliminates any applicable Taxes to the extent reasonably permitted under applicable Tax Law while not adversely affecting Parent in any material respect.

Notwithstanding Section 11.02 of the Business Combination Agreement, the representations, warranties, obligations, agreements and covenants in this Indemnification Agreement shall survive the Closing.

(i) The obligations of Parent under this Section 1 are not exclusive and shall not limit any rights or remedies which may otherwise be available to the Company or Holdco at law or in equity and shall be in addition to any liability which it may otherwise have.

(j) Notwithstanding any other provision of this Indemnification Agreement, the maximum liability of Parent under this Indemnification Agreement shall not exceed the Maximum Liability.

2. This Indemnification Agreement may not be assigned by any party without the prior written consent of each other party hereto. The provisions of this Indemnification Agreement shall be for the benefit of and enforceable by the Company and Holdco. No other person shall have any rights hereunder.
3. If any provision of this Indemnification Agreement is held to be illegal, invalid or unenforceable, the provision shall be fully severable; this Indemnification Agreement shall be construed and enforced as if the illegal, invalid or unenforceable provision had never comprised a part of this Indemnification Agreement, and the remaining provisions shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Indemnification Agreement. Furthermore, in lieu of the illegal, invalid or unenforceable provision, there shall be added automatically as a part hereof a provision as similar in terms to the illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable, and, as changed or amended, continue to reflect the original intent of the parties hereto.
4. The parties to this Indemnification Agreement each agree not to disclose the existence of this Indemnification Agreement or the contents or subject matter hereof to any other party without the prior written consent of the other parties hereto unless required by applicable Law, judicial process, regulatory action or stock exchange rules or regulations (in which case, to the extent permitted by such Law, process, action, rule or regulation, the non-disclosing party shall allow the other party reasonable time to comment on the contents of such disclosure in advance of such disclosure); *provided* that each party may disclose the existence, contents and subject matter of this Indemnification Agreement to its officers, directors, attorneys, agents and other representatives (“Representatives”), so long as such party makes its Representatives aware of its confidentiality obligations pursuant to this Section 4 and agrees to be liable for any disclosure by its Representatives of the existence of this Indemnification Agreement or the contents or subject matter hereof except to the extent permitted hereby, and that this Indemnification Agreement

may be described in, and filed as an exhibit to, any registration statement of Holdco filed with the U.S. Securities and Exchange Commission. Nothing contained herein shall limit the Company or Holdco from disclosing this Indemnification Agreement and the subject matter hereof in connection with the enforcement of their rights hereunder.

5. This Indemnification Agreement shall be governed by and construed in accordance with the laws of the State of New York.
6. The provisions of Section 11.01, 11.08 and 11.12 of the Business Combination Agreement are incorporated herein and shall apply to this Indemnification Agreement, *mutatis mutandis*.
7. This Indemnification Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

2.9. Duration of Warrants. The first sentence of Section 3.2 of the Existing Warrant Agreement is hereby deleted and replaced with the following:

Solely for purposes of illustration, if the Company, at a time while the Warrants are outstanding and unexpired, pays a cash dividend of \$0.35 and previously paid an aggregate of \$0.40 of cash dividends and cash distributions on the Company Ordinary Shares during the 365-day period ending on the date of declaration of such \$0.35 dividend, then the Warrant Price will be decreased, effectively immediately after the effective date of such \$0.35 dividend, by \$0.25 (the absolute value of the difference between \$0.75 (the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period, including such \$0.35 dividend) and \$0.50 (the greater of (x) \$0.50 and (y) the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period prior to such \$0.35 dividend)).”

THE EXPIRATION DATE (DEFINED BELOW)

CODERE ONLINE LUXEMBOURG, S.A.

CUSIP [_____]

WARRANT

THIS CERTIFIES THAT, for value received [_____] is the registered holder of a warrant or warrants (the “Warrant”) of Codere Online Luxembourg, S.A., a public limited liability company (*société anonyme*) governed by the laws of the Grand Duchy of Luxembourg with its registered office at 7 rue Robert Stümper, L-2557 Luxembourg, Grand Duchy of Luxembourg and registered with the Luxembourg Trade and Companies Register (*Registre de Commerce et des Sociétés, Luxembourg*) (the “Company”), expiring at 5:00 p.m., New York City time, on the five year anniversary of the consummation of the Business Combination (as such term is defined in the Warrant Agreement (defined below)), or earlier upon redemption or liquidation, to purchase one fully paid ordinary share with a nominal value of €1.00 per share (“Shares”), of the Company for each Warrant evidenced by this Warrant Certificate. The Warrant entitles the holder thereof to purchase from the Company, commencing on [December 10, 2021]¹, such number of Shares of the Company at the Warrant Price (as defined below), upon surrender of this Warrant Certificate and payment of the Warrant Price at the office or agency of Continental Stock Transfer & Trust Company (the “Warrant Agent”), but only subject to the conditions set forth herein and in the Warrant Agreement between the Company and the Warrant Agent, as amended (the “Warrant Agreement”). In no event will the Company be required to net cash settle any warrant exercise. The Warrant Agreement provides that upon the occurrence of certain events the Warrant Price, the Redemption Trigger Price (as defined below) and the number of Shares purchasable hereunder, set forth on the face hereof, may, subject to certain conditions, be adjusted. The term “Warrant Price” as used in this Warrant Certificate refers to the price per Share at which Shares may be purchased at the time the Warrant is exercised. The initial Warrant Price per Share for any Warrant is equal to \$11.50 per share.

No fraction of a Share will be issued upon any exercise of a Warrant. If the holder of a Warrant would be entitled to receive a fraction of a Share upon any exercise of a Warrant, the Company shall, upon such exercise, round down to the nearest whole number the number of Shares to be issued to such holder.

Upon any exercise of the Warrant for less than the total number of full Shares provided for herein, there shall be issued to the registered holder hereof or the registered holder’s assignee a new Warrant Certificate covering the number of Shares for which the Warrant has not been or could not be exercised.

Warrant Certificates, when surrendered at the office or agency of the Warrant Agent by the registered holder in person or by attorney duly authorized in writing, may be exchanged in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants.

Upon due presentment for registration of transfer of the Warrant Certificate at the office or agency of the Warrant Agent, a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any applicable tax or other governmental charge.

The Company and the Warrant Agent may deem and treat the registered holder as the absolute owner of this Warrant Certificate (notwithstanding any notation of ownership or other writing hereon made by anyone), for the purpose of any exercise hereof, of any distribution to the registered holder, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

¹ The later of December 10, 2021 and the date that is 30 days after the closing of the Business Combination.

This Warrant does not entitle the registered holder to any of the rights of a shareholder of the Company.

The Company reserves the right to call the Warrant at any time prior to its exercise with a notice of call in writing to the holders of record of the Warrant, giving at least 30 days' notice of such call, at any time while the Warrant is exercisable, if the last sale price of the Shares has been at least \$18.00 per share (the "Redemption Trigger Price") on each of 20 trading days within any 30 trading day period (the "30-day trading period") ending on the third business day prior to the date on which notice of such call is given and if, and only if, there is a current registration statement in effect with respect to the Shares underlying the Warrants commencing five business days prior to the 30-day trading period and continuing each day thereafter until the date of redemption. The call price of the Warrants is to be \$0.01 per Warrant. Any Warrant either not exercised or tendered back to the Company by the end of the date specified in the notice of call shall be cancelled on the books of the Company and have no further value except for the \$0.01 call price.

Ladies and Gentlemen:

Reference is made to the business combination agreement (the “Business Combination Agreement”) entered into as of June 21, 2021 by and among DD3 Acquisition Corp. II (“SPAC”), Codere Newco, S.A.U. (“Parent”), Servicios de Juego Online, S.A.U. (the “Company”), Codere Online Luxembourg, S.A. (“Holdco”) and Codere Online U.S. Corp. (“Merger Sub”). Capitalized terms used but not otherwise defined in this letter agreement (this “Expense Reimbursement Agreement”) have the respective meanings ascribed thereto in the Business Combination Agreement.

This Expense Reimbursement Agreement, including the representations, warranties and agreements of DD3 Sponsor Group, LLC (“Sponsor”) and Parent set forth herein, when accepted by the SPAC and Holdco, will evidence the agreement of the parties with respect to the matters contained in this Expense Reimbursement Agreement. Parent, Sponsor, SPAC and Holdco further agree for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, as follows:

1. Sponsor, as shareholder of the SPAC, in consideration of the benefits that Sponsor will receive in connection with the Business Combination Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby agrees to reimburse Holdco, as future sole shareholder of the Surviving Corporation under the Business Combination Agreement, for the aggregate amount of SPAC Transaction Expenses payable by the Surviving Corporation in excess of the maximum SPAC Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement. For the avoidance of doubt, notwithstanding the references in Section 11.03 of the Business Combination Agreement to the maximum amount of SPAC Transaction Expenses payable pursuant to each of the concepts set forth in the Transaction Expenses Table, Sponsor shall not be required to reimburse Holdco if the aggregate maximum amount of SPAC Transaction Expenses payable by the Surviving Corporation does not exceed the aggregate maximum SPAC Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement, regardless of whether SPAC Transaction Expenses are exceeded in one or more of the concepts set forth in the Transaction Expenses Table.

2. Parent, as shareholder of the Company and Merger Sub, in consideration of the benefits that Parent will receive in connection with the Business Combination Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby agrees to reimburse Holdco, as shareholder of the Company and future sole shareholder of the Surviving Corporation under the Business Combination Agreement, for the aggregate amount of Company Transaction Expenses payable by the Surviving Corporation, Holdco, the Company or any Company Subsidiary in excess of the maximum Company Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement. For the avoidance of doubt, notwithstanding the references in Section 11.03 of the Business Combination Agreement to the maximum amount of Company Transaction Expenses payable pursuant to each of the concepts set forth in the Transaction Expenses Table, Parent shall not be required to reimburse Holdco if the aggregate maximum amount of Company Transaction Expenses payable by the Surviving Corporation, Holdco, the Company or any Company Subsidiary does not exceed the aggregate maximum Company Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement, regardless of whether Company Transaction Expenses are exceeded in one or more of the concepts set forth in the Transaction Expenses Table.

3. Sponsor shall cause the Chief Financial Officer of SPAC, solely in his or her capacity as such, at least seven Business Days prior to the Closing to provide written notice to SPAC, the Company and Holdco of any SPAC Transaction Expenses incurred in excess of the aggregate maximum SPAC Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement; *provided* that the failure to notify SPAC, the Company and Holdco shall not relieve Sponsor from any liability that it may have hereunder.

4. Parent shall cause the Chief Financial Officer of the Company, solely in his or her capacity as such, at least seven Business Days prior to the Closing to provide written notice to SPAC, the Company and Holdco of any Company Transaction Expenses incurred in excess of the aggregate maximum Company Transaction Expenses required to be paid by the Surviving Corporation under Section 11.03 of the Business Combination Agreement; *provided* that the failure to notify SPAC, the Company and Holdco shall not relieve Parent from any liability that it may have hereunder.

5. Parent and Sponsor agree that payments hereunder shall be made by wire transfer of immediately available funds to one or more accounts designated for such purposes by Holdco. If any payments pursuant to this Expense Reimbursement Agreement are taxable, the parties shall cooperate and use reasonable best efforts to structure any payment pursuant to this Expense Reimbursement Agreement in a manner that reduces, minimizes or eliminates any applicable Taxes to the extent reasonably permitted under applicable Tax Law while not adversely affecting Parent or Sponsor, as applicable, in any material respect. Notwithstanding Section 11.02 of the Business Combination Agreement, the representations, warranties, obligations, agreements and covenants in this Expense Reimbursement Agreement shall survive the Closing.

6. The obligations of Parent and Sponsor under this Expense Reimbursement Agreement are not exclusive and shall not limit any rights or remedies which may otherwise be available to the SPAC or Holdco at law or in equity and shall be in addition to any liability which it may otherwise have.

7. This Expense Reimbursement Agreement may not be assigned by any party without the prior written consent of each other party hereto. The provisions of this Expense Reimbursement Agreement shall be for the benefit of and enforceable by the SPAC and Holdco. No other person shall have any rights hereunder.

8. If any provision of this Expense Reimbursement Agreement is held to be illegal, invalid or unenforceable, the provision shall be fully severable; this Expense Reimbursement Agreement shall be construed and enforced as if the illegal, invalid or unenforceable provision had never comprised a part of this Expense Reimbursement Agreement, and the remaining provisions shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Expense Reimbursement Agreement. Furthermore, in lieu of the illegal, invalid or unenforceable provision, there shall be added automatically as a part hereof a provision as similar in terms to the illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable, and, as changed or amended, continue to reflect the original intent of the parties hereto.

9. The parties to this Expense Reimbursement Agreement each agree not to disclose the existence of this Expense Reimbursement Agreement or the contents or subject matter hereof to any other party without the prior written consent of the other parties hereto unless required by applicable Law, judicial process, regulatory action or stock exchange rules or regulations (in which case, to the extent permitted by such Law, process, action, rule or regulation, the non-disclosing party shall allow the other party reasonable time to comment on the contents of such disclosure in advance of such disclosure); *provided* that each party may disclose the existence, contents and subject matter of this Expense Reimbursement Agreement to its officers, directors, attorneys, agents and other representatives (“Representatives”), so long as such party makes its Representatives aware of its confidentiality obligations pursuant to this Section 9 and agrees to be liable for any disclosure by its Representatives of the existence of this Expense Reimbursement Agreement or the contents or subject matter hereof except to the extent permitted hereby, and that this Expense Reimbursement Agreement may be described in, and filed as an exhibit to, any registration statement of Holdco filed with the U.S. Securities and Exchange Commission. Nothing contained herein shall limit the SPAC or Holdco from disclosing this Expense Reimbursement Agreement and the subject matter hereof in connection with the enforcement of their rights hereunder.

10. The provisions of Section 11.01 (including Sponsor, which details are set forth below), 11.07, 11.08, and 11.12 of the Business Combination Agreement are incorporated herein and shall apply to this Expense Reimbursement Agreement, *mutatis mutandis*.

This presentation (this "Presentation"), its contents and any information provided during the meeting to present this document are for discussion purposes only, and must not be relied upon for any purpose. This document is not for release, publication or distribution, in whole or in part, in or into any jurisdiction where such distribution would be unlawful. Certain terms used throughout this document are defined in the Glossary section included at the end of this document.

Important Information about the Proposed Business Combination and Where to Find It

DD3 Acquisition Corp. II, a Delaware corporation ("DD3"), Codere Newco, S.A.U. ("Parent"), Codere Online Luxembourg, S.A., a public limited liability company (société anonyme) governed by the laws of the Grand Duchy of Luxembourg ("Holdco"), and Servicios de Juego Online S.A.U., a corporation (sociedad anónima unipersonal) registered and incorporated under the laws of Spain ("SEJO"), and its consolidated subsidiaries (together with Holdco, "Codere Online" or the "Company") have entered into a business combination agreement (the "Business Combination Agreement") that provides for DD3 and SEJO to become wholly-owned subsidiaries of Holdco (the "Proposed Business Combination"). In connection with the Proposed Business Combination, a registration statement on Form F-4 (the "Form F-4") is expected to be filed by Holdco with the U.S. Securities and Exchange Commission ("SEC") that will include a proxy statement to be distributed to stockholders of DD3 in connection with DD3's solicitation of proxies from DD3's stockholders in connection with the Proposed Business Combination and other matters to be described in the Form F-4, as well as a prospectus of Holdco relating to the offer of the securities to be issued in connection with the completion of the Proposed Business Combination. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE FORM F-4 AND OTHER DOCUMENTS FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. After the Form F-4 has been filed and declared effective, the definitive proxy statement/prospectus will be mailed to DD3's stockholders as of a record date to be established for voting on the Proposed Business Combination. Stockholders will also be able to obtain copies of such documents, without charge, once available, at the SEC's website at www.sec.gov, or by directing a request to Codere Online Luxembourg, S.A., 7 rue Robert Stümper, L-2557 Luxembourg, Grand Duchy of Luxembourg.

Investment in any securities described herein has not been approved or disapproved by the SEC or any other regulatory authority nor has any authority passed upon or endorsed the merits of the offering or the accuracy or adequacy of the information contained herein. Any representation to the contrary is a criminal offense.

Participants in the Solicitation

DD3 and Codere Online and their respective directors, executive officers and other members of their management and employees, under SEC rules, may be deemed to be participants in the solicitation of proxies of DD3's stockholders in connection with the Proposed Business Combination. Information regarding the names, affiliations and interests of DD3's directors and executive officers is set forth in DD3's registration statement on Form S-1 (File No. 333-250212) that was filed with the SEC in connection with DD3's initial public offering in December 2020, as well as in other documents DD3 has filed with the SEC. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of proxies of DD3's stockholders in connection with the Proposed Business Combination will be set forth in the Form F-4 when available. Information concerning the interests of DD3's and Codere Online's participants in the solicitation, which may, in some cases, be different than those of DD3's and Codere Online's equity holders generally, will be set forth in the Form F-4 when it becomes available.

Shareholders, potential investors and other interested persons should read the proxy statement / prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from the sources indicated above.

Forward-Looking Statements

This Presentation includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact contained in this Presentation, including statements as to the Company's future results of operations and financial position, planned products and services, business strategy and plans, objectives of management for future operations, market size and potential growth opportunities, competitive position, expectations and timings related to commercial launches, potential benefits of the proposed business combination and PIPE investments, technological and market trends and other future conditions, are forward-looking statements. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. DD3's and Codere Online's actual results may differ from their expectations, estimates and projections and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believe," "predict," "likely," "potential," "continue," and similar expressions (or the negative versions of such words or expressions) are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, DD3's and Codere Online's expectations with respect to market growth, future revenues, future performance, the anticipated financial impacts of the Proposed Business Combination, the satisfaction or waiver of the closing conditions to the Proposed Business Combination, and the timing of the completion of the Proposed Business Combination.

These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially, and potentially adversely, from those expressed or implied in the forward-looking statements. Most of these factors are outside DD3's and Codere Online's control and are difficult to predict. Factors that may cause such differences include, but are not limited to: (1) the occurrence of any event, change, or other circumstances that could give rise to the termination of the Business Combination Agreement; (2) the outcome of any legal proceedings that may be instituted against DD3 and/or Codere Online following the announcement of the Business Combination Agreement and the transactions contemplated therein; (3) the inability to complete the Proposed Business Combination, including due to failure to obtain approval of DD3's stockholders, certain regulatory approvals, or satisfy other closing conditions in the Business Combination Agreement; (4) the occurrence of any other event, change, or other circumstance that could cause the Proposed Business Combination to fail to close; (5) the impact of COVID-19 on Codere Online's business and/or the ability of the parties to complete the Proposed Business Combination; (6) the inability to obtain and/or maintain the listing of Holdco's ordinary shares on NASDAQ following the Proposed Business Combination; (7) the risk that the Proposed Business Combination disrupts current plans and operations as a result of the announcement and consummation of the Proposed Business Combination; (8) the ability to recognize the anticipated benefits of the Proposed Business Combination, which may be affected by, among other things, competition, the ability of Codere Online to grow and manage growth profitably, and retain its key employees; (9) costs related to the Proposed Business Combination; (10) changes in applicable laws or regulations; (11) the amount of redemptions by DD3's stockholders in connection with the Proposed Business Combination; and (12) the possibility that DD3 or Codere Online may be adversely affected by other economic, business and/or competitive factors. The foregoing list of factors is not exclusive. Additional information concerning certain of these and other risk factors is contained in DD3's most recent filings with the SEC and will be contained in the Form F-4, including the proxy statement/prospectus expected to be filed in connection with the Proposed Business Combination. All subsequent written and oral forward-looking statements concerning DD3 or Codere Online, the Proposed Business Combination or other matters and attributable to DD3 or Codere Online or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. Readers are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Each of DD3 and Codere Online expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in their expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based, except as required by law.

Disclaimer (cont.)

No Offer or Solicitation

This Presentation is not a proxy statement and does not constitute a solicitation of a proxy, consent or authorization with respect to any securities or in respect of the Proposed Business Combination and shall not constitute an offer to sell or a solicitation of an offer to buy the securities of DD3, Codere Online or any of their respective affiliates, nor shall there be any sale of any such securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended, or exemptions therefrom.

Trademarks

This Presentation may contain trademarks, service marks, trade names and copyrights of the parties to the Business Combination Agreement or other companies, which are the property of their respective owners. Solely for convenience, some of the trademarks, service marks, trade names and copyrights referred to in this Presentation may be listed without the TM, SM, © or ® symbols, but Codere Online and DD3 will assert, to the fullest extent under applicable law, the rights of the applicable owners, if any, to these trademarks, service marks, trade names and copyrights.

Financial Information and Non-GAAP Financial Measures

The Company's financial information included in this Presentation is unaudited and has been prepared by the Company in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board ("IFRS") or is based on information prepared by the Company in accordance with IFRS. There are important differences between IFRS and generally accepted accounting principles in the United States of America ("U.S. GAAP").

The financial information and data contained in this Presentation is unaudited and does not conform to Regulation S-X. Accordingly, such information and data may not be included in, may be adjusted in or may be presented differently in, any proxy statement, registration statement, or prospectus, including the Form F-4, to be filed by Holdco with the SEC. This Presentation includes certain financial measures not presented in accordance with U.S. GAAP or IFRS, such as, without limitation, EBITDA. These non-GAAP financial measures are not measures of financial performance in accordance with U.S. GAAP or IFRS and may exclude items that are significant in understanding and assessing the Company's financial results. Therefore, these measures should not be considered in isolation or as an alternative to net income, cash flows from operations or other measures of profitability, liquidity or performance under U.S. GAAP or IFRS. You should be aware that the Company's presentation of these measures may not be comparable to similarly-titled measures used by other companies. In addition, the conversion of the Company's financial statements into U.S. GAAP or IFRS and the audit of the Company's financial statements in accordance with PCAOB standards, may impact how the Company currently calculates its non-GAAP financial measures, and we cannot assure you that there would not be differences, and such differences could be material. The Company believes these non-GAAP measures of financial results provide useful information to management and investors regarding certain financial and business trends relating to the Company's financial condition and results of operations.

The Company believes that the use of these non-GAAP financial measures provides an additional tool for investors to use in evaluating ongoing operating results and trends in comparing the Company's financial measures with other similar companies, many of which present similar non-GAAP financial measures to investors. These non-GAAP financial measures are subject to inherent limitations as they reflect the exercise of judgments by management about which expense and income are excluded or included in determining these non-GAAP financial measures.

This Presentation includes certain projections of non-GAAP financial measures. Due to the high variability and difficulty in making accurate forecasts and projections of some of the information excluded from these projected measures, together with some of the excluded information not being ascertainable or accessible, the Company is unable to quantify certain amounts that would be required to be included in the most directly comparable U.S. GAAP or IFRS financial measures without unreasonable effort. Consequently, no disclosure of estimated comparable U.S. GAAP or IFRS measures is included and no reconciliation of the forward-looking non-GAAP financial measures is included.

Use of Projections

This Presentation contains financial forecasts with respect to the Company's business and projected financial results, including Revenue, EBITDA and EBITDA margin. Neither DD3's nor the Company's independent auditors have audited, reviewed, compiled or performed any procedures with respect to the projections for the purpose of their inclusion in this Presentation, and accordingly, they did not express an opinion or provide any other form of assurance with respect thereto for the purpose of this Presentation. These projections should not be relied upon as being necessarily indicative of future results. The assumptions and estimates underlying the prospective financial information are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the prospective financial information. See "Forward-Looking Statements" above. Accordingly, there can be no assurance that the prospective results are indicative of the future performance of the Company or that actual results will not differ materially from those presented in the prospective financial information. Inclusion of the prospective financial information in this Presentation should not be regarded as a representation by any person that the results contained in the prospective financial information will be achieved. You should review the Company's audited financial statements, which will be included in the Form F-4 relating to the Proposed Business Combination.

Industry and Market Data

In this Presentation, DD3 and the Company rely on and refer to certain information and statistics obtained from publicly available information and third-party sources, which they believe to be reliable. Neither DD3 nor the Company has independently verified the accuracy or completeness of any such publicly-available and third-party information nor make any representation as to the accuracy or completeness of such data or undertakes any obligation to update such data after the date of this Presentation. You are cautioned not to give undue weight to such industry and market data.

This Consent Solicitation Statement does not constitute a solicitation of a Consent in any jurisdiction or to any person to whom it is unlawful to make such solicitation. The distribution of this Consent Solicitation Statement and the solicitation of consents may be restricted by law in certain jurisdictions. We and the Information and Tabulation Agent make no representation that this Consent Solicitation Statement may be lawfully distributed, or that any consents may be lawfully solicited, in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any distribution or solicitation. In particular, no action has been taken by us or the Information and Tabulation Agent that would permit a solicitation of consents in any jurisdiction where action for that purpose is required. Accordingly, no consents may be solicited, directly or indirectly, and this Consent Solicitation Statement may not be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Consent Solicitation Statement comes are required by us and the Information and Tabulation Agent to inform themselves about and to observe any such restrictions.

You may not copy or distribute this Consent Solicitation Statement in whole or in part to anyone without our prior consent. Distribution of this Consent Solicitation Statement to any person other than the Holder and any person retained to advise such Holder with respect to its participation in the Consent Solicitation is unauthorized, and any disclosure of any of its contents, without our prior written consent, is prohibited. Each prospective participant in the Consent Solicitation, by accepting delivery of this Consent Solicitation Statement, agrees to the foregoing and to make no copies or reproductions of this Consent Solicitation Statement or any documents referred to in this Consent Solicitation Statement in whole or in part (other than publicly available documents).

Jurisdiction; Enforcement of Civil Liabilities

The governing law and dispute resolution provisions of the Notes and the Indenture shall apply to this Consent Solicitation. The process agent provisions set forth in the Notes shall also be binding with respect to this Consent Solicitation and the process agent will act in respect of any claims relating to this Consent Solicitation.

The Issuer is organized under the laws of the Grand Duchy of Luxembourg. Most of the Issuer's assets are located outside the United States. Furthermore, none of the Issuer's directors reside in the United States.

As a result, investors may find it difficult to effect service of process within the United States upon the Issuer or these persons or to enforce outside the United States judgments obtained against the Issuer or these persons in U.S. courts, including judgments in actions predicated upon the civil liability provisions of the U.S. federal or state securities laws. Likewise, it may also be difficult for an investor to enforce in U.S. courts judgments obtained against us or these persons in courts located in jurisdictions outside the United States, including actions predicated upon the civil liability provisions of the U.S. federal or state securities laws.

Luxembourg

It may also be difficult for an investor to bring an original action in a Luxembourg court predicated upon the civil liability provisions of the U.S. federal or state securities laws against the Issuer or these persons. It may be possible for investors to effect service of process within Luxembourg upon the Issuer provided that The Hague Convention on the Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters of November 15, 1965 is complied with.

We have been advised by our Luxembourg legal counsel that, as there is no treaty in force governing the reciprocal recognition and enforcement of judgments in civil and commercial matters between the United States and the Grand Duchy of Luxembourg, courts in Luxembourg will not automatically recognize and enforce a final judgment rendered by a U.S. court.

A valid final, non-appealable and conclusive judgment against an issuer incorporated in Luxembourg with respect to the notes obtained from a court of competent jurisdiction in the United States remains in full force and effect after all appeals as may be taken in the relevant state or federal jurisdiction with respect thereto have been taken, may be entered and enforced by requesting the enforcement of such judgment from the District Court (*Tribunal d'Arrondissement*), subject to compliance with the enforcement procedures (*exequatur*) set out in Article 678 *et seq.* of the Luxembourg New Code of Civil Procedure (*Nouveau Code de Procédure Civile*) and Luxembourg case-law. The District Court will authorize the enforcement in Luxembourg of the judgment without re-examination of the merits, if it is satisfied that the following conditions are met:

- the judgment of the U.S. court is enforceable (*exécutoire*) in the United States;

- the assumption of jurisdiction (*compétence*) of the U.S. court is founded according to Luxembourg private international law rules;
- the judgment of the U.S. court does not contravene Luxembourg public policy and has not been obtained fraudulently;
- the principles of fair trial and due process have been complied with and in particular the judgment was granted following proceedings where the counterparty had the opportunity to appear, and if appeared, to present a defense; and
- the U.S. court has acted in accordance with its own procedural rules and has applied to the dispute the substantive law which would have been applied by Luxembourg courts.

If an original action is brought in Luxembourg, without prejudice to specific conflict of law rules, Luxembourg courts may refuse to apply the designated law (i) if the choice of such foreign law was not made bona fide or (ii) if the foreign law was not pleaded and proved or (iii) if pleaded and proved, such foreign law was contrary to mandatory Luxembourg laws or incompatible with Luxembourg public policy rules. In an action brought in Luxembourg on the basis of U.S. federal or state securities laws, Luxembourg courts may not have the requisite power to grant the remedies sought. Also, an *exequatur* may be refused in respect of punitive damages.

Furthermore, in the event of any proceedings being brought in a Luxembourg court in respect of a monetary obligation expressed to be payable in a currency other than Euro, a Luxembourg court would have power to give a judgment expressed as an order to pay a currency other than Euro. However, enforcement of the judgment against any party in Luxembourg would be available only in Euro and for such purposes all claims or debts would be converted into Euro.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Consent Solicitation Statement contains forward-looking statements within the meaning of the U.S. federal securities laws. We intend these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in the U.S. federal securities laws. In some cases, these statements can be identified by the use of forward-looking words such as “may,” “should,” “could,” “anticipate,” “estimate,” “expect,” “plan,” “believe,” “predict,” “potential,” “intend” or other similar words. These forward-looking statements reflect our current expectations and projections about future events based on our knowledge of present facts and circumstances and assumptions about future events. These statements necessarily involve risks and uncertainties that could cause actual results to differ materially from our expectations. Some of the risks, uncertainties and other important factors that could cause results to differ, or that otherwise could have an impact on us or our subsidiaries and/or affiliates, include:

- changes in current gaming and other regulatory frameworks or the interpretation or application of such laws;
- the failure for any reason of the Online Transaction being consummated;
- the outcome of any scheme of arrangement or other legal proceeding that the Issuer may propose, which may include (among other things) amendments being made to the Indenture or the Notes with a lower level of consent from holders than is contractually provided for under the Indenture;
- our level of indebtedness, our ability to generate sufficient cash flow to meet our debt service and our relationship with our credit providers and their perception of our credit risk;
- changes in taxation or the interpretation or application of tax laws;

- outbreaks of contagious diseases or health crises impacting overall economic activity and any subsequent mandatory regulatory restrictions or containment measures in the countries in which we operate;
- economic, currency and political instability in Argentina, as well as measures taken by its government in response to such instability or the imposition of currency controls;
- competition from other companies in our industry and our ability to maintain market share, to introduce new popular games or products and to modify existing games or products to retain or attract customers;
- continuation or worsening of security issues in Mexico;

- volatility in the exchange rates, as a portion of our financial debt bears interest at a floating rate and is subject to market shifts in interest rates;
- certain challenges relating to public perception, allegations of misconduct and illegal activity, and negative publicity surrounding the gaming industry;
- our relationships with our joint venture and business partners, our shareholders, our customers and other third parties;
- our ability to maintain and enhance our brand;
- the outcome of our pending legal, administrative and arbitration proceedings and the impact of any new proceedings to which we may become party;
- work stoppages or other labor disputes;
- loss of our key management, technical and other personnel and our ability to attract such personnel;
- vulnerability to player fraud;
- infringement by third parties of our intellectual property and claims of infringement, by us, of rights of third parties;
- changes in consumer preferences, popularity and social acceptance of gaming;
- our ability to provide secure gaming products and services and to maintain the integrity of internal customer information;
- damage and interruption of our information technology system and network and vulnerability to hacker intrusion and cyberattacks; and
- dependence on credit and debit card payment service providers and other financial institutions to process payments and handle cash generated by our business.

THE ISSUER

Overview

The Issuer is a subsidiary of Codere, S.A. *sociedad anónima* incorporated under the laws of Spain. Codere, S.A., together with its consolidated subsidiaries (the “**Codere Group**”), which is a leading international gaming operator with, as of March 31, 2021, nearly 30,200 slot machines, 1,050 bingo seats and 7,240 sports betting terminals in Latin America (Mexico, Argentina, Uruguay, Panama and Colombia), Spain and Italy, across various gaming venues, including 114 gaming halls, 975 arcades, 5,864 bars, 182 sports betting shops and three horse racetracks.

Once all operating restrictions and closings are lifted, the Company expects to return to relatively similar levels.

Codere Group is also a leading online gaming and sports betting operator in Latin America, a region expected to represent the next wave of strategic focus and growth for the global gaming industry. Codere's online gaming operations (“**Codere Online**”) began in 2014 in Spain and have expanded to Mexico, Colombia, Panama and the City of Buenos Aires (Argentina), where the Company expects to start operating in late 2021.

THE PROPOSED WAIVERS AND AMENDMENTS

Background and Reason for the Proposed Waivers and Amendments

Codere has explored a range of business opportunities and is proposing to enter into the Online Transaction (as defined below) in order to pursue growth opportunities for its online business activities in core markets and expand into other countries and territories with the aim of consolidating its position as a leading online gaming and sports betting operator in Latin America. The Online Transaction is separate from the proposed restructuring transaction (the “**Proposed Restructuring**”) previously announced by the Parent Guarantor on April 22, 2021 and the terms of such restructuring and the related lock-up agreement remain in effect and are expected to be implemented regardless of whether the Online Transaction is completed.

The Parent Guarantor is considering a business combination of its online business with a special purpose acquisition company, DD3 Acquisition Corp, II. (“**SPAC**”), as described in a business combination agreement (the “**Business Combination Agreement**”) dated on or around the date of this Consent Solicitation Statement and the related agreements, the terms of which were publicly announced on the date of this Consent Solicitation Statement. “**Online Transaction**” shall mean the business combination of Codere Online with the SPAC and the related transactions pursuant to the Business Combination Agreement and related transaction agreements. In connection with the Online Transaction, the following corporate and other actions have or are proposed to be taken:

(i) Creation of an Online Business Perimeter

In November 2020, the Parent Guarantor designated the following seven subsidiaries as Unrestricted Subsidiaries (as defined in the Indenture) (the “**November Designation**” and the companies so designated, the “**November Designees**”):

- Servicios de Juego Online S.A.U. (*Spain*);
- Codere Online Management Services Ltd (*Malta*);
- Codere Israel Marketing Support Services Ltd (*Israel*);
- Codere (Gibraltar) Marketing Services Ltd (*Gibraltar*);
- Codere Online Operator Ltd (*Malta*);
- Codere Online S.A.U. (license holder) (*Spain*); and
- Codere Scommese S.R.L (license holder) (*Italy*).

Following the November Designation, the Parent Guarantor incorporated Codere Online Panama, S.A., a new entity in Panama, as an Unrestricted Subsidiary. The Parent Guarantor is proposing to incorporate new entities in Argentina, Colombia and Mexico as well as a Delaware subsidiary, Codere Online U.S. Corp. (“**MergerSub**”) as Unrestricted Subsidiaries (MergerSub and the new entities in Argentina, Colombia and Mexico collectively being the “**New Designees**”).

Codere Newco S.A.U. (“**Newco**”) is a guarantor under the Indenture (and will remain a guarantor following the Online Transaction) and is the sole shareholder of a newly-incorporated Luxembourg holding company, Codere Online Luxembourg, S.A. (“**Lux Holdco**”). Lux Holdco, an Unrestricted Subsidiary, will be the holding company of Codere Online. Upon consummation of the Online Transaction, Newco will be the majority owner of Lux Holdco. Lux Holdco, in turn, is the sole shareholder of MergerSub. In order to form the Online Business Perimeter, Newco and Lux Holdco will execute a share exchange pursuant to which Newco will contribute shares in Online Topco to Lux Holdco and, in exchange, Lux Holdco will issue additional shares of Lux Holdco to Newco. Lux Holdco, together with Servicios de Juego Online S.A.U. (the “**Online Topco**”), the November Designees and the New Designees are collectively the “**Online Group Members**” and constitute the “**Online Business Perimeter**”).

Subject to the Proposed Waivers and Amendments, the Parent Guarantor plans to segregate its existing Codere Online business by transferring relevant entities, service/supplier agreements, employees, and assets including, but not limited to, gaming licenses and other regulatory permits and/or authorizations, online customer databases, online customer deposit, applicable use rights, software licenses and other intellectual property, certain pre-paid expense and fixed assets, and certain tax and other accounts receivable (for example, those related to payment processing solutions) in each case, to the extent needed to operate an online gaming business (together, the “**Online Assets**”) to the Online Business Perimeter.

(ii) **Business Combination of Codere Online with the SPAC**

As part of the Online Transaction, the SPAC will merge with MergerSub pursuant to the Business Combination Agreement, with the SPAC as the surviving corporation (the “**Merger**”). The SPAC sponsor is DD3 Capital Partners (through DD3 Sponsor Group, LLC), a Mexico City based investment banking and asset management company. Other institutional investors in the SPAC are New York-based Baron Capital (“**Baron**”), Chile-based Larrain Vial (“**Larrain Vial**”) and Mexico-based MG Capital (“**MG**”). The SPAC was capitalized through public investment by SPAC shareholders, as well as private financing commitments from the sponsor and related parties, raising approximately \$125 million for placement in the SPAC’s trust account. Shareholders of the SPAC, subject to certain exceptions, have a right to redeem their shares at a price of \$10.00 per share plus any accrued interest thereon. Four institutional investors (Baron, MG, Larrain Vial and DD3 Capital Partners) have committed to a private investment of \$67 million pursuant to certain forward purchase agreements, as amended, and PIPE subscription agreements that will close immediately prior to the Online Transaction, and Baron has committed to roll-over \$10 million of shares in the SPAC, resulting in minimum transaction proceeds of \$77 million (the “**Committed Financing**”).

Following the Merger, the SPAC will become a wholly-owned subsidiary of Lux Holdco. In consideration for the Merger, the shareholders of the SPAC (other than those who have previously exercised their right to redeem their shares) will receive Lux Holdco shares expected to be listed on the Nasdaq Stock Market and will receive certain warrants for Lux Holdco shares. The first \$125 million of cash from the SPAC trust fund (net of redemptions) and proceeds of the consummation of the sales of SPAC shares pursuant to the forward purchase agreements and PIPE subscription agreements referred to above, will be retained in the Online Business Perimeter to fund growth. If the gross proceeds of the transactions exceed \$125 million, Newco shall have the option to withdraw up to the first \$30 million of such excess on a dollar-for-dollar basis, but there is no guarantee that any such amount will be available to be paid. At closing of the transaction, Lux Holdco will be owned by Newco and the former SPAC shareholders (and the SPAC warrant-holders if and when warrants are exercised). Newco will retain a majority of at least 54% of Lux Holdco when the Merger is consummated, with the former SPAC shareholders constituting a minority.

(iii) **Other related transactions**

In connection with the proposed business combination, the parties to the Online Transaction will enter into a number of related transactions and agreements to ensure that the required steps are taken to deliver the Online Business Perimeter on a cash-free, debt-free basis, through a combination of the capitalization and forgiveness of certain outstanding debt, and to ensure it and its shareholders have the appropriate equity and support arrangements in place. These transactions and agreements include, among others:

- registration rights and lock-up agreement whereby the parties thereto agree to customary demand and piggyback registration rights, and pursuant to which certain parties will agree to not transfer securities;
- a nomination agreement pursuant to which certain parties will have rights to nominate directors of Lux Holdco as described in more detail in the agreement;
- an indemnification letter pursuant to which Newco will indemnify Lux Holdco, Online Topco and their respective subsidiaries from certain potential losses and other liabilities with a maximum liability of \$10 million;
- an assignment, assumption and amendment agreement (warrant amendment) pursuant to which the parties thereto will agree to various rights with respect to converting outstanding warrants granting the right to acquire shares of the SPAC into warrants granting the right to acquire shares of Lux Holdco and the assignment to Lux Holdco of rights under an existing warrant agreement of the SPAC and for Lux Holdco to assume, and agree to pay, perform, satisfy and discharge in full, all liabilities and obligations under such existing warrant agreement;
- a support agreement entered into between the SPAC and Baron pursuant to which Baron committed to not exercise certain rights related to redemption of shares of the SPAC that it owns; and
- an exchange agreement pursuant to which Newco has agreed to implement certain aspects of the transaction by contributing all of the issued and outstanding ordinary shares of Online Topco to Lux Holdco in exchange for additional shares of Lux Holdco.

The Business Combination Agreement, the above described agreements and certain other agreements have been filed as exhibits to the Online Transaction Form 8-K (as defined below).

(iv) **Information incorporated by reference**

Further details on and descriptions of the Online Transaction have been or will be publicly filed, including an announcement of the Online Transaction and certain other information, by the Company at <https://www.grupocodere.com/en/shareholders-investors/> (the “**Online Transaction Announcement**”) and by DD3 Acquisition Corp, II in an 8-K filing (the “**Online Transaction Form 8-K**”) and certain other filings to be made on or about the date hereof with the U.S. Securities and Exchange Commission which are publicly available at <https://www.sec.gov/edgar/searchedgar/companysearch.html> and such details, descriptions and information is incorporated herein by reference. This Consent Solicitation Statement shall be read and construed on the basis that the Online Transaction Announcement and the Online Transaction Form 8-K (and the exhibits thereto) are incorporated and form part of this Consent Solicitation Statement.

The Proposed Waivers and Amendments

If adopted, the Proposed Waivers and Proposed Amendments will modify the terms of the Indenture and the Notes to allow for the proposed creation of the Online Business Perimeter, the business combination and the other transactions contemplated in connection with the Online Transaction. The Proposed Waivers, however, only apply to the Online Transaction and are not and shall not be construed as waivers to any other terms of the Indenture except as set forth herein or a waiver of any other transaction or any future transaction .

Set forth below is a summary of the Proposed Waivers and Proposed Amendments. As described in “*The Consent Solicitation—Terms of the Consent Solicitation,*” the effectiveness of the Proposed Waivers and Proposed Amendments will be subject to the conditions of this Consent Solicitation Statement, unless such conditions are otherwise waived by the Issuer.

The Proposed Waivers and Proposed Amendments constitute a single proposal, and a consenting Holder of Notes must Consent to the Proposed Waivers and Proposed Amendments with respect to such Note and may not consent selectively.

The Issuer reserves the right in its sole discretion to reject any and all Consents if the Requisite Consents are not obtained.

Member of the Online Assets to the Online Business Perimeter in connection with the Online Transaction or the termination or forgiveness of any indebtedness of an Online Group Member to any member of the Restricted Group will constitute a Restricted Payment and, to the extent that the Online Transaction would have utilized any basket capacity under either clauses 4.07(b) or 4.07(c) thereof that in the absence of the Proposed Waivers, that any basket capacity under Section 4.07 (*Limitation on Restricted Payments*) shall be deemed to have been used and shall not longer be available notwithstanding the Proposed Waivers.

As the amount of Notes represented by the Majority Noteholders Support, the Majority Noteholder Support will constitute the Required Consent.

THE CONSENT SOLICITATION

We are soliciting Consents from the Holders of the Notes with respect to the Proposed Waivers and Amendments, upon the terms and subject to the conditions set forth in this Consent Solicitation Statement. Promptly after the Expiration Time, we will publicly announce the results of the Consent Solicitation. Terms of the Consent Solicitation

The Supplemental Indenture and the Proposed Waivers and Amendments will become effective only if the Requisite Consents have been received and accepted pursuant to the terms of this Consent Solicitation Statement, and the other conditions described in this Consent Solicitation Statement have been either satisfied or waived by us (in our sole discretion). If this Consent Solicitation is amended prior to the Expiration Time in a manner determined by us, in our sole discretion, to be materially adverse to the Holders of the Notes, we will promptly disclose such amendment as described below and, to the extent, if any, we deem appropriate in our sole discretion or otherwise to the extent required by law, extend the Expiration Time and permit revocations of Consents for a period deemed by us to be adequate to permit Holders to consider such changes and determine whether to deliver or revoke their Consents. If we extend, terminate or amend this Consent Solicitation, we expect to announce publicly such extension, termination or amendment, including, if applicable, the new Expiration Time and/or any revocation rights, if applicable. Failure of any Holder to be so notified will not affect the extension, termination or amendment of this Consent Solicitation. Any amendment applicable to this Consent Solicitation will apply to all Consents delivered pursuant to this Consent Solicitation.

Consents once given may not be revoked after we execute the Supplemental Indenture.

- (a) the Requisite Consents for the Notes having been received;
- (b) the execution of the Supplemental Indenture and the effectiveness of the Proposed Waivers and Amendments; and
- (c) the absence of any law or regulation that would, and the absence of any injunction, action or other proceeding (pending or threatened) that could, make unlawful or invalid or enjoin the implementation of the Proposed Waivers and Amendments or question the legality or validity thereof.

Consent Date

The Consent Date is the date on which the Requisite Consents are received for a Series.

As the amount of Notes represented by the Majority Noteholder Support, the Majority Noteholder Support will constitute the Required Consent and therefore we expect the Consent Date to be on or about seventh (7th) day from the Launch Date.

Expiration Time; Extension; Termination; and Amendment

This Consent Solicitation will expire at the Expiration Time. Consents with respect to the Proposed Waivers and Amendments may not be revoked by Holders once given may not be revoked after we execute the Supplemental Indenture, prior thereto Consents may be revoked under the circumstances described in “*The Consent Solicitation—Terms of the Consent Solicitation.*”

We reserve the right for any reason, in our sole discretion, to extend the Expiration Time at any time and from time to time, by giving oral or written notice to the Information and Tabulation Agent. Notice of any extension will be made by press release or other public announcement. Failure of any Holder or beneficial owner of the Notes to be so notified will not affect the extension of this Consent Solicitation.

We reserve the right for any reason, in our sole discretion, to terminate or amend this Consent Solicitation at any time prior to the Expiration Time by giving oral or written notice thereof to the Information and Tabulation Agent. If we terminate this Consent Solicitation, the Notes will not be amended, even if you delivered a valid Consent with respect to the Notes. Notice of any termination or amendment of this Consent Solicitation by us will be made by press release or other public announcement. If we elect to terminate this Consent Solicitation, any Consents previously delivered will be of no further force or effect. Failure of any Holder or beneficial owner of the Notes to be so notified will not affect the termination or amendment of this Consent Solicitation.

No Recommendation

None of the Trustee, the Information and Tabulation Agent nor any of their respective directors, employees, affiliates, agents or representatives makes any recommendation as to whether Holders should deliver Consents to the Proposed Waivers and Amendments pursuant to this Consent Solicitation, and no one has been authorized by any of them to make such a recommendation. Each Holder must make their own decision as to whether to give a Consent.

Consent Procedures

The Consent Solicitation is being made to all persons in whose name the Notes are registered and their duly appointed proxies. Only Holders or their duly designated proxies may deliver a Consent. For purposes of this Consent Solicitation, the term “Holders” shall be deemed to include Direct Participants that hold Notes.

Consent via Euroclear and Clearstream

In order to Consent with respect to Notes held by a Direct Participant in Euroclear or Clearstream, such Direct Participant must submit an electronic instruction to Euroclear or Clearstream to deliver a Consent in accordance with the procedures and requirements of Euroclear or Clearstream at or prior to the Expiration Time. The receipt of such electronic instruction by Euroclear or Clearstream will be acknowledged in accordance with the standard practices of such Clearing System. By submitting an electronic instruction to Euroclear or Clearstream, the Direct Participant will be deemed to have consented to Euroclear or Clearstream providing details concerning such Direct Participant’s identity to the Information and Tabulation Agent, including the account name and account number of such Direct Participant.

Electronic instructions may be submitted only in denominations of €1,000 or any integral multiple of €1,000 in excess thereof of principal amount at maturity.

By submitting a valid electronic instruction to Euroclear or Clearstream, the Holder, or a Direct Participant on behalf of the Holder, will have agreed to be bound by the terms set forth in this Consent Solicitation Statement and in such electronic instruction, and we may enforce such agreement against the Holder and/or its Direct Participant.

Holders should note that the deadlines set by Euroclear or Clearstream for the submission or withdrawal (if applicable) of an electronic instruction will be earlier than the relevant deadlines specified in this Consent Solicitation Statement. Accordingly, such Holders desiring to deliver Consents at or prior to the Expiration Time must allow sufficient time for the completion of the electronic instruction prior to such time.

Revocation of Consents

A Holder of Notes may revoke its Consent at any time prior to but not after the Consent Date. All Consents received prior to the Expiration Time will be counted, unless, at any time prior to the Consent Date, a notice of revocation is delivered in accordance with the procedures of Euroclear or Clearstream, as described below.

Any notice of a revocation request received after the Consent Date will not be effective, even if received prior to the Expiration Time. From the Consent Date, a Consent by a Holder of the Notes will bind the Holder and every subsequent holder of such Notes, even if notation of the Consent is not made on such Notes.

Any Holder of Notes that has delivered Consents through Euroclear or Clearstream may revoke such Consents prior to the Consent Date by submission of an electronic withdrawal instruction through Euroclear or Clearstream. If the Holder has

requested that a custodian submit an electronic Consent Instruction on its behalf and wishes to withdraw its Electronic Consent Instruction, the Holder should contact such custodian prior to the Consent Date. The Holder should be aware, however, that the custodian may impose earlier deadlines for withdrawing or revising an Electronic Consent Instruction in accordance with its procedures. To be effective, a notice of revocation must be in a format customarily used by Euroclear or Clearstream. A revocation of the Consent will be effective only as to the Notes listed on the revocation and only if such revocation complies with the provisions of this Consent Solicitation Statement. Only a Holder is entitled to revoke a Consent previously given. A beneficial owner of the Notes must arrange with its broker, dealer, commercial bank, trust company or other nominee company to execute and deliver on its behalf a revocation of any Consent already given with respect to such Notes.

A purported notice of revocation that is not received by the Information and Tabulation Agent or through Euroclear or Clearstream procedures in a timely fashion and accepted by the relevant Issuer as a valid revocation will not be effective to revoke a Consent previously given. A revocation of a Consent may only be rescinded by the execution and delivery of a new Consent in accordance with the procedures set forth in this Consent Solicitation Statement. A Holder who has delivered a revocation may after such revocation deliver a new electronic instruction at any time prior to the Consent Date.

The Issuer reserves the right to contest the validity of any revocations

All questions as to the form and validity (including time of receipt) of any delivery or revocation of a Consent will be determined by us, in our sole discretion, which determination shall be final and binding. None of us, the Trustee, the Information and Tabulation Agent or any other person will be under any duty to give notification of any defects or irregularities in any delivery or revocation of a Consent or incur any liability for failure to identify any such defect or irregularity or to give any such notification.

CERTAIN SIGNIFICANT CONSIDERATIONS

None of the Issuer, the Information and Tabulation Agent, the Trustee or any of their respective directors, officers, employees, agents or affiliates makes any recommendation as to whether a Holder of Notes should consent to the Proposed Waivers and Amendments, and neither the Issuer nor its board of directors has authorized any person to make any such statement. Holders of Notes are urged to evaluate carefully all information included in this Consent Solicitation Statement, consult with their own legal, investment and tax advisors and make their own decision whether to provide their consent to the Proposed Waivers and Amendments pursuant to the Consent Solicitation. In deciding whether to consent to the Proposed Waivers and Amendments, you should carefully consider the following, in addition to the other information contained in this Consent Solicitation Statement.

Non-consenting Holders of Notes (whether or not they affirmatively objected to the Proposed Waivers and Amendments) will not be entitled to any rights of appraisal or similar rights of dissenters (whether pursuant to the Indenture or the Issuer's organizational instruments) with respect to the adoption of the Proposed Waivers and Amendments.

Consents may only be revoked in limited circumstances.

The Consent Solicitation may not be completed or may be terminated or amended.

Until the Issuer announces whether it has decided to accept the Consents validly delivered and not validly revoked prior to the Effective Time, no assurance can be given that the Consent Solicitation will be completed, in which case the Consent Solicitation will not complete. In addition, subject to applicable law and as provided in this Consent Solicitation Statement, the Issuer may, in its sole discretion, extend, amend or terminate the Consent Solicitation at any time before such announcement and may, in its sole discretion, waive any of the conditions to the Consent Solicitation either before or after such announcement.

There can be no assurance that the Proposed Waivers and Amendments will become operative or that the Online Transaction or Proposed Restructuring will be completed.

As described herein and in the documents incorporated by reference herein, the Online Transaction is subject to, among

Certain tax considerations.

For a summary of certain tax considerations related to the Solicitation and the receipt of the Consent Payment, see “U.S. Federal and Luxembourg Income Tax Considerations.”

U.S. FEDERAL AND LUXEMBOURG INCOME TAX CONSIDERATIONS

The following is a summary of certain material U.S. Federal income and Luxembourg tax consequences relating to the adoption of the Proposed Waivers and Amendments relevant to certain Holders of the Notes. It is included herein solely for preliminary information purposes. It is not intended to be, nor should it be construed to be, legal or tax advice. This summary does not allow any conclusion to be drawn with respect to issues not specifically addressed. The following description of U.S. Federal and Luxembourg tax law is based on the tax laws of the United States, Luxembourg law and regulations as in effect and as interpreted by the U.S. Federal and Luxembourg tax authorities on the date of this Consent Solicitation Statement. These laws and interpretations are subject to change that may occur after such date, even with retroactive or retrospective effect. Holders should consult their own tax advisers as to the particular tax consequences relating to the adoption of the Proposed Waivers and Amendments, including the application and effect of any federal, state or local taxes under the tax laws of the United States, Grand-Duchy of Luxembourg and each country of which they are residents or citizens.

Certain U.S. Federal Income Tax Considerations

The following is a summary of certain U.S. federal income tax consequences of the Proposed Waivers and Amendments that may be relevant to a beneficial owner of Notes that is a citizen or resident of the United States or a domestic corporation or otherwise subject to U.S. federal income tax on a net income basis in respect of the Notes (a “**U.S. Holder**”). The summary is based on laws, regulations, rulings and decisions now in effect, all of which are subject to change. The discussion does not deal with special classes of Holders, such as dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, entities classified as partnerships and partners therein, persons holding Notes as a position in a “straddle” or conversion transaction, or as part of a “synthetic security” or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. This discussion assumes that the Notes are held as “capital assets” for U.S. federal income tax purposes (generally, assets held for investment).

The Company has not sought any ruling from the Internal Revenue Service (the “**IRS**”) with respect to the statements made and the conclusions reached in this discussion, and there can be no assurance that the IRS will agree with these statements and conclusions. In addition, the discussion does not address the alternative minimum tax, the Medicare tax on net investment income or other aspects of U.S. federal income or state and local taxation that may be relevant to a Holder. Accordingly, each Holder should consult its own tax advisor with regard to the Proposed Waivers and Amendments and the application of U.S. federal income tax laws, as well as the laws of any state, local or non-U.S. taxing jurisdictions, to its particular situation.

Effect of Proposed Waivers and Amendments

The tax treatment of a U.S. Holder, if the Proposed Waivers and Amendments are adopted, will depend upon whether the modification of the debt instruments results in a “deemed” exchange for U.S. federal income tax purposes. Under general principles of U.S. federal income tax law, the modification of Notes creates a deemed exchange upon which gain or loss may be realized if the modified debt instrument differs materially either in kind or in extent from the original debt instrument (a “significant modification”). A modification of a debt instrument that is not a significant modification does not create a deemed exchange. Under applicable regulations, the modification of a debt instrument is a significant modification if, based on all the facts and circumstances and taking into account all modifications of the debt instrument collectively (other than modifications that are subject to special rules), the legal rights or obligations that are altered and the degree to which they are altered are “economically significant.” The applicable regulations provide that a modification that adds, deletes or alters customary accounting or financial covenants is not a significant modification. Further, the applicable regulations provide that the addition or deletion of a co-obligor is a significant modification of a recourse debt instrument only if the change results in a “change in payment expectations” (as defined in the applicable regulations). Based on the foregoing rules, we will not treat the Proposed Waivers and Amendments as resulting in a deemed exchange, and the remainder of this discussion assumes that this is the correct treatment.

Effect of the Proposed Waivers and Amendments on Consenting U.S. Holders

A U.S. Holder that consents to the Proposed Waivers and Amendments will not recognize any gain or loss, for U.S. federal income tax purposes, upon the adoption of the Proposed Waivers and Amendments, and will have the same adjusted tax basis and holding period in the Notes after the adoption of the Proposed Waivers and Amendments that the U.S. Holder had in the Notes immediately before the adoption.

Effect of the Proposed Waivers and Amendments on Non-Consenting U.S. Holders

A U.S. Holder that does not consent to the Proposed Waivers and Amendments will not recognize any gain or loss, for U.S. federal income tax purposes, upon the adoption of the Proposed Waivers and Amendments, and will have the same adjusted tax basis and holding period in the Notes after the adoption of the Proposed Waivers and Amendments that the U.S. Holder had in the Notes immediately before the adoption.

Certain Luxembourg Taxation Considerations Proposed Waivers and Amendments

Holders will not become resident, nor be deemed to be resident, in Luxembourg by reason only of the Proposed Waivers and Amendments or the execution, performance, delivery and/or enforcement of their rights thereunder.

If the Proposed Waivers and Amendments become operative, the tax treatment of the Holders of Notes would change if the modifications to the Notes are viewed as a deemed exchange of the existing Notes for new Notes (i.e. the disposal of the existing Notes followed by the acquisition of new Notes) resulting in the realization of a gain in the hands of such Holders.

The Issuer however believes that if the Proposed Waivers and Amendments become operative, no such exchange within the meaning of Luxembourg tax law should be deemed to take place. No assurance can be given, however, that this position, if challenged, would be sustained. Holders should consult their own tax advisor regarding the tax consequences of the foregoing.

Withholding Tax

Under Luxembourg general tax laws currently in force, and subject to the exception below, there is no withholding tax on payments of principal, premium or interest made to non-resident Holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident Holders of Notes.

In accordance with the law of December 23, 2005, as amended (the “**Relibi Law**”), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 20 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent, if any. Accordingly, payments of interest under Notes coming within the scope of the Relibi Law will be subject to withholding tax at a rate of 20 per cent.

Income Taxation

Taxation of Luxembourg non-residents

Holders of Notes who are non-residents of Luxembourg and who do not have a permanent establishment, a permanent representative or a fixed place of business in Luxembourg with which the holding of the

Notes is connected, will not be subject to taxes or duties in Luxembourg with respect to payments of principal or interest, payments received upon redemption, repurchase or exchange of the Notes or capital gains realized upon disposal or repayment of the Notes.

Non-resident Holders of Notes which have a permanent establishment, a permanent representative or a fixed base of business in Luxembourg with which the holding of the Notes is connected, must for income tax purposes include in their taxable income any interest as well as the difference between the sale or redemption price and the lower of the cost or book value of the Notes sold or redeemed.

Taxation of Luxembourg residents

Holders of Notes who are residents of Luxembourg will not be liable for any Luxembourg income tax on repayment of principal.

Interest received by an individual resident in Luxembourg is, in principle, reportable and taxable at the progressive rate unless the interest has been subject to withholding tax (see above "Withholding tax") or to the self-applied tax, if applicable. Indeed, in accordance with the Relibi Law, Luxembourg resident individuals, acting in the framework of their private wealth, can opt to self-declare and pay a 20 per cent. tax on interest payments made by paying agents located in an EU Member State other than Luxembourg or a Member State of the European Economic Area other than an EU Member State. The withholding tax or self-applied tax represents the final tax liability for the Luxembourg individual resident taxpayers receiving the interest payment in the framework of their private wealth. Individual Luxembourg resident Holders of Notes receiving the interest as business income must include this interest in their taxable basis. If applicable, the 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident individual Holders of Notes are not subject to taxation on capital gains upon the disposal of the Notes, unless the disposal of the Notes precedes the acquisition of the Notes or the Notes are disposed of within six months of the date of acquisition of these Notes. Upon the sale, redemption or exchange of the Notes, accrued but unpaid interest will be subject to the 20 per cent. withholding tax or the self-applied tax, if applicable. Individual Luxembourg resident Holders of Notes receiving the interest as business income must include the portion of the price corresponding to this interest in their taxable income. The 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident corporate Holders of Notes must for income tax purposes include in their taxable income any interest as well as the difference between the sale or redemption price and the lower of the cost or book value of the Notes sold or redeemed.

Luxembourg resident corporate Holders of Notes which are companies benefiting from a special tax regime (such as (a) family wealth management companies subject to the amended law of May 11, 2007, (b) undertakings for collective investment subject to the amended law of December 17, 2010, (c) specialized investment funds subject to the amended law of February 13, 2007, or (d) reserved alternative investment funds governed by the amended law of July 23, 2016, provided it is not foreseen in the incorporation documents that (i) the exclusive object is the investment in risk capital and that (ii) article 48 of the aforementioned amended law of July 23, 2016 applies) are tax exempt entities in Luxembourg, and are thus not subject to any Luxembourg tax (i.e., corporate income tax, municipal business tax and net wealth tax) other than the annual subscription tax calculated on their (paid up) share capital (and share premium) or net asset value.

Net Wealth tax

Luxembourg net wealth tax will not be levied on the Notes held by a corporate Holder of Notes, unless (a) such Holder of Notes is a Luxembourg resident other than a Holder of Notes governed by (i) the law of December 17, 2010 on undertakings for collective investment; (ii) the law of February 13, 2007 on specialized investment funds; (iii) the amended law of March 22, 2004 on securitization; (iv) the amended law of June 15, 2004 on the investment company in risk capital; (v) the amended law of May 11, 2007 on family estate

management companies; (vi) the amended law of July 23, 2016 on reserved alternative investment; or (vii) the amended law of July 13, 2005 on professional pension institution, or (b) the Notes are attributable to an enterprise or part thereof which is carried on in Luxembourg through a permanent establishment or a permanent representative.

However, a securitization company subject to the amended law of March 22, 2004 and a company subject to the amended law of June 15, 2004 on venture capital vehicles, professional pension institution subject to the amended law dated July 13, 2005 are, as from January 1, 2016, subject to a minimum net wealth tax, as well as, reserved alternative investment fund subject to the law of July 23, 2016, provided it is foreseen in the incorporation documents that (i) the exclusive object is the investment in risk capital and that (ii) article 48 of the aforementioned amended law of July 23, 2016 applies.

Other taxes

No stamp, registration, transfer or similar taxes or duties will be payable in Luxembourg by the Holders of Notes in connection with the issue of the Notes, nor will any of these taxes be payable as a consequence of a subsequent transfer or redemption of the Notes, unless the documents relating to the Notes are voluntarily registered in Luxembourg or appended to a document that requires mandatory registration in Luxembourg.

There is no Luxembourg value added tax payable in respect of payments in consideration for the issuance of the Notes or in respect of the payment of interest or principal under the Notes or the transfer of the Notes. Luxembourg value added tax may, however, be payable in respect of fees charged for certain services rendered to the Issuer, if for Luxembourg value added tax purposes such services are rendered or are deemed to be rendered in Luxembourg and an exemption from Luxembourg value added tax does not apply with respect to such services.

Individual Holders of Notes not permanently resident in Luxembourg at the time of death will not be subject to inheritance or other similar taxes in Luxembourg in respect of the Notes. Where an individual Holder is a resident of Luxembourg for tax purposes at the time of death, the Notes will be included in his taxable estate for inheritance tax assessment purposes.

No Luxembourg gift tax is levied upon a gift or donation of the Notes, if the gift is not passed before a Luxembourg notary or recorded in a deed registered in Luxembourg.

Codere Finance 2 (Luxembourg) S.A. is organized under the laws of the Grand Duchy of Luxembourg and Codere Finance 2 (UK) Limited is organized under the laws of England and Wales. Most of the Issuers' assets are located outside the United States. Furthermore, none of the Issuers' directors reside in the United States.

As a result, investors may find it difficult to effect service of process within the United States upon the Issuers or these persons or to enforce outside the United States judgments obtained against the Issuers or these persons in U.S. courts, including judgments in actions predicated upon the civil liability provisions of the U.S. federal or state securities laws. Likewise, it may also be difficult for an investor to enforce in U.S. courts judgments obtained against us or these persons in courts located in jurisdictions outside the United States, including actions predicated upon the civil liability provisions of the U.S. federal or state securities laws.

Luxembourg

It may also be difficult for an investor to bring an original action in a Luxembourg court predicated upon the civil liability provisions of the U.S. federal or state securities laws against the Luxembourg Issuer or these persons. It may be possible for investors to effect service of process within Luxembourg upon the Luxembourg Issuer provided that The Hague Convention on the Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters of November 15, 1965 is complied with.

We have been advised by our Luxembourg legal counsel that, as there is no treaty in force governing the reciprocal recognition and enforcement of judgments in civil and commercial matters between the United States and the Grand Duchy of Luxembourg, courts in Luxembourg will not automatically recognize and enforce a final judgment rendered by a U.S. court.

A valid final, non-appealable and conclusive judgment against an issuer incorporated in Luxembourg with respect to the notes obtained from a court of competent jurisdiction in the United States remains in full force and effect after all appeals as may be taken in the relevant state or federal jurisdiction with respect thereto have been taken, may be entered and enforced by requesting the enforcement of such judgment from the District Court (*Tribunal d'Arrondissement*), subject to compliance with the enforcement procedures (*exequatur*) set out in Article 678 *et seq.* of the Luxembourg New Code of Civil Procedure (*Nouveau Code de Procédure Civile*) and Luxembourg case-law. The District Court will authorize the enforcement in Luxembourg of the judgment without re-examination of the merits, if it is satisfied that the following conditions are met:

- the judgment of the U.S. court is enforceable (*exécutoire*) in the United States;

- the assumption of jurisdiction (*compétence*) of the U.S. court is founded according to Luxembourg private international law rules;
- the judgment of the U.S. court does not contravene Luxembourg public policy and has not been obtained fraudulently;
- the principles of fair trial and due process have been complied with and in particular the judgment was granted following proceedings where the counterparty had the opportunity to appear, and if appeared, to present a defense; and
- the U.S. court has acted in accordance with its own procedural rules and has applied to the dispute the substantive law which would have been applied by Luxembourg courts.

If an original action is brought in Luxembourg, without prejudice to specific conflict of law rules, Luxembourg courts may refuse to apply the designated law (i) if the choice of such foreign law was not made bona fide or (ii) if the foreign law was not pleaded and proved or (iii) if pleaded and proved, such foreign law was contrary to mandatory Luxembourg laws or incompatible with Luxembourg public policy rules. In an action brought in Luxembourg on the basis of U.S. federal or state securities laws, Luxembourg courts may not have the requisite power to grant the remedies sought. Also, an *exequatur* may be refused in respect of punitive damages.

Furthermore, in the event of any proceedings being brought in a Luxembourg court in respect of a monetary obligation expressed to be payable in a currency other than Euro, a Luxembourg court would have power to give a judgment expressed as an order to pay a currency other than Euro. However, enforcement of the judgment against any party in Luxembourg would be available only in Euro and for such purposes all claims or debts would be converted into Euro.

United Kingdom

The United States and England currently do not have a treaty providing for the reciprocal recognition and enforcement of judgments (other than arbitration awards) in civil and commercial matters. Consequently, a final judgment for payment rendered by any federal or state court in the United States based on civil liability, whether or not predicated solely upon U.S. federal securities laws, would not automatically be enforceable in England. In order to enforce any U.S. judgment in England, proceedings must be initiated by way of a common law action before a court of competent jurisdiction in England. In a common law action, an English court generally will not (subject to the following sentence) reinvestigate the merits of the original matter decided by a U.S. court and will generally order summary judgment; *provided* that there is no defense to the claim for payment. The entry of an enforcement order by an English court is conditional upon the following:

- the U.S. court having had jurisdiction over the original proceeding according to English conflicts of laws principles;
- the judgment being final and conclusive on the merits in the sense of being final and unalterable in the court which pronounced it and being for a debt for a definite sum of money;
- the judgment not contravening English public policy;

- the judgment being not for a sum payable in respect of tax, or other charges of a like nature in respect of a penalty or fine;
- the judgment not having been arrived at by doubling, trebling or otherwise multiplying a sum assessed as compensation for the loss or damage sustained and not being otherwise in breach of Section 5 of the U.K. Protection of Trading Interests Act 1980;
- the judgment not having been obtained by fraud or in breach of English principles of natural justice;
- there not having been a prior judgment by an English court between the same parties concerning the same issues; and
- enforcement proceedings having been instituted within six years from the date of judgment.

Subject to the foregoing, investors may be able to enforce judgments in England, in civil and commercial matters that have been obtained from U.S. federal or state courts. However, there can be no assurance that those judgments will be recognized or enforceable in England. In addition, it is questionable whether an English court would accept jurisdiction and impose civil liability if proceedings were commenced in England in an original action predicated solely upon U.S. federal securities laws.

This Consent Solicitation Statement contains forward-looking statements within the meaning of the U.S. federal securities laws. THE ISSUERS

Overview

The Issuers are subsidiaries of Codere, S.A. *sociedad anónima* incorporated under the laws of Spain. Codere, S.A., together with its consolidated subsidiaries (the “**Codere Group**”), which is a leading international gaming operator with, as of March 31, 2021, nearly 30,200 slot machines, 1,050 bingo seats and 7,240 sports betting terminals in Latin America (Mexico, Argentina, Uruguay, Panama and Colombia), Spain and Italy, across various gaming venues, including 114 gaming halls, 975 arcades, 5,864 bars, 182 sports betting shops and three horse racetracks.

As of December, 31, 2019 (i.e. prior to COVID-19 related temporary closings), the Company had in operation nearly 57,000 slot machines, 30,000 bingo seats and 8,600 sports betting terminals in Latin America (Mexico, Argentina, Uruguay, Panama and Colombia), Spain and Italy, across various gaming venues, including 149 gaming halls, 1,160 arcades, 9,345 bars, 260 sports betting shops and four horse racetracks. Once all operating restrictions and closings are lifted, the Company expects to return to relatively similar levels.

Codere Group is also a leading online gaming and sports betting operator in Latin America, a region expected to represent the next wave of strategic focus and growth for the global gaming industry. Codere's online gaming operations (“**Codere Online**”) began in 2014 in Spain and have expanded to Mexico, Colombia, Panama and the City of Buenos Aires (Argentina), where the Company expects to start operating in late 2021.

Codere Group’s principal executive offices are located at Avenida de Bruselas 26, Alcobendas, Spain. Its website address is <https://www.grupocodere.com/en/shareholders-investors/investor-relations/>. The information that is included on or linked to these websites is not a part of or otherwise incorporated by reference into this Consent Solicitation Statement.

THE PROPOSED WAIVERS AND AMENDMENTS

Background and Reason for the Proposed Waivers and Amendments

Codere has explored a range of business opportunities and is proposing to enter into the Online Transaction (as defined below) in order to pursue growth opportunities for its online business activities in core markets and expand into other countries and territories with the aim of consolidating its position as a leading online gaming and sports betting operator in Latin America. The Online Transaction is separate from the proposed restructuring transaction (the “**Proposed Restructuring**”) previously announced by the Parent Guarantor on April 22, 2021 and the terms of such restructuring and the related lock-up agreement remain in effect and are expected to be implemented regardless of whether the Online Transaction is completed.

The Parent Guarantor is considering a business combination of its online business with a special purpose acquisition company, DD3 Acquisition Corp, II. (“**SPAC**”), as described in a business combination agreement (the “**Business Combination Agreement**”) dated on or around the date of this Consent Solicitation Statement and the related agreements, the terms of which were publicly announced on the date of this Consent Solicitation Statement. “**Online Transaction**” shall mean the business combination of Codere Online with the SPAC and the related transactions pursuant to the Business Combination Agreement and related transaction agreements. In connection with the Online Transaction, the following corporate and other actions have or are proposed to be taken:

(i) Creation of an Online Business Perimeter

In November 2020, the Parent Guarantor designated the following seven subsidiaries as Unrestricted Subsidiaries (as defined in the Indenture) (the “**November Designation**” and the companies so designated, the “**November Designees**”):

- Servicios de Juego Online S.A.U. (*Spain*);
- Codere Online Management Services Ltd (*Malta*);
- Codere Israel Marketing Support Services Ltd (*Israel*);
- Codere (Gibraltar) Marketing Services Ltd (*Gibraltar*);
- Codere Online Operator Ltd (*Malta*);
- Codere Online S.A.U. (license holder) (*Spain*); and
- Codere Scommese S.R.L (license holder) (*Italy*).

Following the November Designation, the Parent Guarantor incorporated Codere Online Panama, S.A., a new entity in Panama, as an Unrestricted Subsidiary. The Parent Guarantor is proposing to incorporate new entities in Argentina, Colombia and Mexico as well as a Delaware subsidiary, Codere Online U.S. Corp. (“**MergerSub**”) as Unrestricted Subsidiaries (MergerSub and the new entities in Argentina, Colombia and Mexico collectively being the “**New Designees**”).

Codere Newco S.A.U. (“**Newco**”) is a guarantor under the Indenture (and will remain a guarantor following the Online Transaction) and is the sole shareholder of a newly-incorporated Luxembourg holding company, Codere Online Luxembourg, S.A. (“**Lux Holdco**”). Lux Holdco, an Unrestricted Subsidiary, will be the holding company of Codere Online. Upon consummation of the Online Transaction, Newco will be the majority owner of Lux Holdco. Lux Holdco, in turn, is the sole shareholder of MergerSub. In order to form the Online Business Perimeter, Newco and Lux Holdco will execute a share exchange pursuant to which Newco will contribute shares in Online Topco to Lux Holdco and, in exchange, Lux Holdco will issue additional shares of Lux Holdco to Newco. Lux Holdco, together with Servicios de Juego Online S.A.U. (the “**Online Topco**”), the November Designees and the New Designees are collectively the “**Online Group Members**” and constitute the “**Online Business Perimeter**”).

Subject to the Proposed Waivers and Amendments, the Parent Guarantor plans to segregate its existing Codere Online business by transferring relevant entities, service/supplier agreements, employees, and assets including, but not limited to, gaming licenses and other regulatory permits and/or authorizations, online customer databases, online customer deposit, applicable use rights, software licenses and other intellectual property, certain pre-paid expense and fixed assets, and certain tax and other accounts receivable (for example, those related to payment processing solutions) in each case, to the extent needed to operate an online gaming business (together, the “**Online Assets**”) to the Online Business Perimeter.

(ii) **Business Combination of Codere Online with the SPAC**

As part of the Online Transaction, the SPAC will merge with MergerSub pursuant to the Business Combination Agreement, with the SPAC as the surviving corporation (the “**Merger**”). The SPAC sponsor is DD3 Capital Partners (through DD3 Sponsor Group, LLC), a Mexico City based investment banking and asset management company. Other institutional investors in the SPAC are New York-based Baron Capital (“**Baron**”), Chile-based Larrain Vial (“**Larrain Vial**”) and Mexico-based MG Capital (“**MG**”). The SPAC was capitalized through public investment by SPAC shareholders, as well as private financing commitments from the sponsor and related parties, raising approximately \$125 million for placement in the SPAC’s trust account. Shareholders of the SPAC, subject to certain exceptions, have a right to redeem their shares at a price of \$10.00 per share plus any accrued interest thereon. Four institutional investors (Baron, MG, Larrain Vial and DD3 Capital Partners) have committed to a private investment of \$67 million pursuant to certain forward purchase agreements, as amended, and PIPE subscription agreements that will close immediately prior to the Online Transaction, and Baron has committed to roll-over \$10 million of shares in the SPAC, resulting in minimum transaction proceeds of \$77 million (the “**Committed Financing**”).

Following the Merger, the SPAC will become a wholly-owned subsidiary of Lux Holdco. In consideration for the Merger, the shareholders of the SPAC (other than those who have previously exercised their right to redeem their shares) will receive Lux Holdco shares expected to be listed on the Nasdaq Stock Market and will receive certain warrants for Lux Holdco shares. The first \$125 million of cash from the SPAC trust fund (net of redemptions) and proceeds of the consummation of the sales of SPAC shares pursuant to the forward purchase agreements and PIPE subscription agreements referred to above, will be retained in the Online Business Perimeter to fund growth. If the gross proceeds of the transactions exceed \$125 million, Newco shall have the option to withdraw up to the first \$30 million of such excess on a dollar-for-dollar basis, but there is no guarantee that any such amount will be available to be paid. At closing of the transaction, Lux Holdco will be owned by Newco and the former SPAC shareholders (and the SPAC warrant-holders if and when warrants are exercised). Newco will retain a majority of at least 54% of Lux Holdco when the Merger is consummated, with the former SPAC shareholders constituting a minority.

(iii) **Other related transactions**

In connection with the proposed business combination, the parties to the Online Transaction will enter into a number of related transactions and agreements to ensure that the required steps are taken to deliver the Online Business Perimeter on a cash-free, debt-free basis, through a combination of the capitalization and forgiveness of certain outstanding debt, and to ensure it and its shareholders have the appropriate equity and support arrangements in place. These transactions and agreements include, among others:

- registration rights and lock-up agreement whereby the parties thereto agree to customary demand and piggyback registration rights, and pursuant to which certain parties will agree to not transfer securities;
- a nomination agreement pursuant to which certain parties will have rights to nominate directors of Lux Holdco as described in more detail in the agreement;

If we extend, terminate or amend this Consent Solicitation, we expect to announce publicly such extension, termination or amendment, including, if applicable, the new Expiration Time and/or any revocation rights, if applicable. Failure of any Holder to be so notified will not affect the extension, termination or amendment of this Consent Solicitation. Any amendment applicable to this Consent Solicitation will apply to all Consents delivered pursuant to this Consent Solicitation.

Consents once given may not be revoked after we execute the Supplemental Indenture.

None of the Trustee, the Information and Tabulation Agent nor any of their respective directors, employees, affiliates, agents or representatives makes any recommendation as to whether Holders should deliver Consents to the Proposed Waivers and Amendments pursuant to this Consent Solicitation, and no one has been authorized by any of them to make such a recommendation. Each Holder must make their own decision as to whether to give a Consent.

Consent Procedures

The Consent Solicitation is being made to all persons in whose name the Notes are registered and their duly appointed proxies. Only Holders or their duly designated proxies may deliver a Consent. For purposes of this Consent Solicitation, the term “Holders” shall be deemed to include Direct Participants that hold Notes.

Consent via Euroclear and Clearstream

In order to Consent with respect to Notes held by a Direct Participant in Euroclear or Clearstream, such Direct Participant must submit an electronic instruction to Euroclear or Clearstream to deliver a Consent in accordance with the procedures and requirements of Euroclear or Clearstream at or prior to the Expiration Time. The receipt of such electronic instruction by Euroclear or Clearstream will be acknowledged in accordance with the standard practices of such Clearing System. By submitting an electronic instruction to Euroclear or Clearstream, the Direct Participant will be deemed to have consented to Euroclear or Clearstream providing details concerning such Direct Participant’s identity to the Information and Tabulation Agent, including the account name and account number of such Direct Participant.

Electronic instructions may be submitted only in denominations of U.S.\$2,000 and integral multiple of U.S.\$1 in excess thereof of principal amount at maturity.

Holders should note that the deadlines set by Euroclear or Clearstream for the submission or withdrawal (if applicable) of an electronic instruction will be earlier than the relevant deadlines specified in this Consent Solicitation Statement. Accordingly, such Holders desiring to deliver Consents at or prior to the Expiration Time must allow sufficient time for the completion of the electronic instruction prior to such time.

Revocation of Consents

A Holder of Notes may revoke its Consent at any time prior to but not after the Consent Date. All Consents received prior to the Expiration Time will be counted, unless, at any time prior to the Consent Date, a notice of revocation is delivered in accordance with the procedures of Euroclear or Clearstream, as described below.

Any notice of a revocation request received after the Consent Date will not be effective, even if received prior to the Expiration Time. From the Consent Date, a Consent by a Holder of the Notes will bind the Holder and every subsequent

holder of such Notes, even if notation of the Consent is not made on such Notes.

Any Holder of Notes that has delivered Consents through Euroclear or Clearstream may revoke such Consents prior to the Consent Date by submission of an electronic withdrawal instruction through Euroclear or Clearstream. If the Holder has requested that a custodian submit an electronic Consent Instruction on its behalf and wishes to withdraw its Electronic Consent Instruction, the Holder should contact such custodian prior to the Consent Date. The Holder should be aware, however, that the custodian may impose earlier deadlines for withdrawing or revising an Electronic Consent Instruction in accordance with its procedures. To be effective, a notice of revocation must be in a format customarily used by Euroclear or Clearstream. A revocation of the Consent will be effective only as to the Notes listed on the revocation and only if such revocation complies with the provisions of this Consent Solicitation Statement. Only a Holder is entitled to revoke a Consent previously given. A beneficial owner of the Notes must arrange with its broker, dealer, commercial bank, trust company or other nominee company to execute and deliver on its behalf a revocation of any Consent already given with respect to such Notes.

A purported notice of revocation that is not received by the Information and Tabulation Agent or through Euroclear or Clearstream procedures in a timely fashion and accepted by the relevant Issuer as a valid revocation will not be effective to revoke a Consent previously given. A revocation of a Consent may only be rescinded by the execution and delivery of a new Consent in accordance with the procedures set forth in this Consent Solicitation Statement. A Holder who has delivered a revocation may after such revocation deliver a new electronic instruction at any time prior to the Consent Date.

The Issuer reserves the right to contest the validity of any revocations

All questions as to the form and validity (including time of receipt) of any delivery or revocation of a Consent will be determined by us, in our sole discretion, which determination shall be final and binding. None of us, the Trustee, the Information and Tabulation Agent or any other person will be under any duty to give notification of any defects or irregularities in any delivery or revocation of a Consent or incur any liability for failure to identify any such defect or irregularity or to give any such notification.

Certain U.S. Federal Income Tax Considerations

The following is a summary of certain U.S. federal income tax consequences of the Proposed Waivers and Amendments that may be relevant to a beneficial owner of Notes that is a citizen or resident of the United States or a domestic corporation or otherwise subject to U.S. federal income tax on a net income basis in respect of the Notes (a “**U.S. Holder**”). The summary is based on laws, regulations, rulings and decisions now in effect, all of which are subject to change. The discussion does not deal with special classes of Holders, such as dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, entities classified as partnerships and partners therein, persons holding Notes as a position in a “straddle” or conversion transaction, or as part of a “synthetic security” or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. This discussion assumes that the Notes are held as “capital assets” for U.S. federal income tax purposes (generally, assets held for investment).

The Company has not sought any ruling from the Internal Revenue Service (the “**IRS**”) with respect to the statements made and the conclusions reached in this discussion, and there can be no assurance that the IRS will agree with these statements and conclusions. In addition, the discussion does not address the alternative minimum tax, the Medicare tax on net investment income or other aspects of U.S. federal income or state and local taxation that may be relevant to a Holder. Accordingly, each Holder should consult its own tax advisor with regard to the Proposed Waivers and Amendments and the application of U.S. federal income tax laws, as well as the laws of any state, local or non-U.S. taxing jurisdictions, to its particular situation.

Effect of Proposed Waivers and Amendments

The tax treatment of a U.S. Holder, if the Proposed Waivers and Amendments are adopted, will depend upon whether the modification of the debt instruments results in a “deemed” exchange for U.S. federal income tax purposes. Under general principles of U.S. federal income tax law, the modification of Notes creates a deemed exchange upon which gain or loss may be realized if the modified debt instrument differs materially either in kind or in extent from the original debt instrument (a “significant modification”). A modification of a debt instrument that is not a significant modification does not create a deemed exchange. Under applicable regulations, the modification of a debt instrument is a significant modification if, based on all the facts and circumstances and taking into account all modifications of the debt instrument collectively (other than modifications that are subject to special rules), the legal rights or obligations that are altered and the degree to which they are altered are “economically significant.” The applicable regulations provide that a modification that adds, deletes or alters customary accounting or financial covenants is not a significant modification. Further, the applicable regulations provide that the addition or deletion of a co-obligor is a significant modification of a recourse debt instrument only if the change results in a “change in payment expectations” (as defined in the applicable regulations). Based on the foregoing rules, we will not treat the Proposed Waivers and Amendments as resulting in a deemed exchange, and the remainder of this discussion assumes that this is the correct treatment.

Effect of the Proposed Waivers and Amendments on Consenting U.S. Holders

A U.S. Holder that consents to the Proposed Waivers and Amendments will not recognize any gain or loss, for U.S. federal income tax purposes, upon the adoption of the Proposed Waivers and Amendments, and will have the same adjusted tax basis and holding period in the Notes after the adoption of the Proposed Waivers and Amendments that the U.S. Holder had in the Notes immediately before the adoption.

Effect of the Proposed Waivers and Amendments on Non-Consenting U.S. Holders

A U.S. Holder that does not consent to the Proposed Waivers and Amendments will not recognize any gain or loss, for U.S. federal income tax purposes, upon the adoption of the Proposed Waivers and Amendments, and will have the same adjusted tax basis and holding period in the Notes after the adoption of the Proposed Waivers and Amendments that the U.S. Holder had in the Notes immediately before the adoption.

Certain Luxembourg Taxation Considerations Proposed Waivers and Amendments

Holders will not become resident, nor be deemed to be resident, in Luxembourg by reason only of the Proposed Waivers and Amendments or the execution, performance, delivery and/or enforcement of their rights thereunder.

If the Proposed Waivers and Amendments become operative, the tax treatment of the Holders of Notes would change if the modifications to the Notes are viewed as a deemed exchange of the existing Notes for new Notes (i.e. the disposal of the existing Notes followed by the acquisition of new Notes) resulting in the realization of a gain in the hands of such Holders.

The Issuers however believe that if the Proposed Waivers and Amendments become operative, no such exchange within the meaning of Luxembourg tax law should be deemed to take place. No assurance can be given, however, that this position, if challenged, would be sustained. Holders should consult their own tax advisor regarding the tax consequences of the foregoing.

Withholding Tax

Under Luxembourg general tax laws currently in force, and subject to the exception below, there is no withholding tax on payments of principal, premium or interest made to non-resident Holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident Holders of Notes.

In accordance with the law of December 23, 2005, as amended (the “**Relibi Law**”), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 20 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent, if any. Accordingly, payments of interest under Notes coming within the scope of the Relibi Law will be subject to withholding tax at a rate of 20 per cent.

Income Taxation

Taxation of Luxembourg non-residents

Holders of Notes who are non-residents of Luxembourg and who do not have a permanent establishment, a permanent representative or a fixed place of business in Luxembourg with which the holding of the

Notes is connected, will not be subject to taxes or duties in Luxembourg with respect to payments of principal or interest, payments received upon redemption, repurchase or exchange of the Notes or capital gains realized upon disposal or repayment of the Notes.

Non-resident Holders of Notes which have a permanent establishment, a permanent representative or a fixed base of business in Luxembourg with which the holding of the Notes is connected, must for income tax purposes include in their taxable income any interest as well as the difference between the sale or redemption price and the lower of the cost or book value of the Notes sold or redeemed.

Taxation of Luxembourg residents

Holders of Notes who are residents of Luxembourg will not be liable for any Luxembourg income tax on repayment of principal.

Interest received by an individual resident in Luxembourg is, in principle, reportable and taxable at the progressive rate unless the interest has been subject to withholding tax (see above "Withholding tax") or to the self-applied tax, if applicable. Indeed, in accordance with the Relibi Law, Luxembourg resident individuals, acting in the framework of their private wealth, can opt to self-declare and pay a 20 per cent. tax on interest payments made by paying agents located in an EU Member State other than Luxembourg or a Member State of the European Economic Area other than an EU Member State. The withholding tax or self-applied tax represents the final tax liability for the Luxembourg individual resident taxpayers receiving the interest payment in the framework of their private wealth. Individual Luxembourg resident Holders of Notes receiving the interest as business income must include this interest in their taxable basis. If applicable, the 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident individual Holders of Notes are not subject to taxation on capital gains upon the disposal of the Notes, unless the disposal of the Notes precedes the acquisition of the Notes or the Notes are disposed of within six months of the date of acquisition of these Notes. Upon the sale, redemption or exchange of the Notes, accrued but unpaid interest will be subject to the 20 per cent. withholding tax or the self-applied tax, if applicable. Individual Luxembourg resident Holders of Notes receiving the interest as business income must include the portion of the price corresponding to this interest in their taxable income. The 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident corporate Holders of Notes must for income tax purposes include in their taxable income any interest as well as the difference between the sale or redemption price and the lower of the cost or book value of the Notes sold or redeemed.

Luxembourg resident corporate Holders of Notes which are companies benefiting from a special tax regime (such as (a) family wealth management companies subject to the amended law of May 11, 2007, (b) undertakings for collective investment subject to the amended law of December 17, 2010, (c) specialized investment funds subject to the amended law of February 13, 2007, or (d) reserved alternative investment funds governed by the amended law of July 23, 2016, provided it is not foreseen in the incorporation documents that (i) the exclusive object is the investment in risk capital and that (ii) article 48 of the aforementioned amended law of July 23, 2016 applies) are tax exempt entities in Luxembourg, and are thus not subject to any Luxembourg tax (i.e., corporate income tax, municipal business tax and net wealth tax) other than the annual subscription tax calculated on their (paid up) share capital (and share premium) or net asset value.

Net Wealth tax

Luxembourg net wealth tax will not be levied on the Notes held by a corporate Holder of Notes, unless (a) such Holder of Notes is a Luxembourg resident other than a Holder of Notes governed by (i) the law of December 17, 2010 on undertakings for collective investment; (ii) the law of February 13, 2007 on specialized investment funds; (iii) the amended law of March 22, 2004 on securitization; (iv) the amended law of June 15, 2004 on the investment company in risk capital; (v) the amended law of May 11, 2007 on family estate

management companies; (vi) the amended law of July 23, 2016 on reserved alternative investment; or (vii) the amended law of July 13, 2005 on professional pension institution, or (b) the Notes are attributable to an enterprise or part thereof which is carried on in Luxembourg through a permanent establishment or a permanent representative.

However, a securitization company subject to the amended law of March 22, 2004 and a company subject to the amended law of June 15, 2004 on venture capital vehicles, professional pension institution subject to the amended law dated July 13, 2005 are, as from January 1, 2016, subject to a minimum net wealth tax, as well as, reserved alternative investment fund subject to the law of July 23, 2016, provided it is foreseen in the incorporation documents that (i) the exclusive object is the investment in risk capital and that (ii) article 48 of the aforementioned amended law of July 23, 2016 applies.

Other taxes

No stamp, registration, transfer or similar taxes or duties will be payable in Luxembourg by the Holders of Notes in connection with the issue of the Notes, nor will any of these taxes be payable as a consequence of a subsequent transfer or redemption of the Notes, unless the documents relating to the Notes are voluntarily registered in Luxembourg or appended to a document that requires mandatory registration in Luxembourg.

There is no Luxembourg value added tax payable in respect of payments in consideration for the issuance of the Notes or in respect of the payment of interest or principal under the Notes or the transfer of the Notes. Luxembourg value added tax may, however, be payable in respect of fees charged for certain services rendered to the Issuers, if for Luxembourg value added tax purposes such services are rendered or are deemed to be rendered in Luxembourg and an exemption from Luxembourg value added tax does not apply with respect to such services.

Individual Holders of Notes not permanently resident in Luxembourg at the time of death will not be subject to inheritance or other similar taxes in Luxembourg in respect of the Notes. Where an individual Holder is a resident of Luxembourg for tax purposes at the time of death, the Notes will be included in his taxable estate for inheritance tax assessment purposes.

No Luxembourg gift tax is levied upon a gift or donation of the Notes, if the gift is not passed before a Luxembourg notary or recorded in a deed registered in Luxembourg.
