

Madrid, July 21, 2020

In accordance with article 226 of the consolidated text of the Spanish Stock Market Act approved by the Legislative Royal Decree 4/2015 of 23 October, Codere S.A. (the "**Company**") hereby informs of the following:

INSIDE INFORMATION

Refinancing Transaction

On 14 July 2020, the Company (together with its subsidiaries, "**Codere**") announced by means of the inside information announcement (register number 330) (the "**Announcement**") that for the purpose of supporting the implementation of a proposed refinancing transaction (the "**Transaction**") with the holders of the existing notes (the "**Existing Notes**", and such holders "**Existing Noteholders**") issued by Codere Finance 2 (Luxembourg) S.A, it had entered into a lock-up agreement with certain Existing Noteholders (the "**Original Lock-Up Agreement**").

Existing Noteholder support

Codere is pleased to announce that, as of 4.00 pm (London time) on 20 July 2020, holders of the following majorities of the Existing Notes had acceded to the Original Lock-Up Agreement:

- 78.88% of the EUR 500,000,000 6.750% Senior Secured Notes due 2021;
- 77.13% of the USD 300,000,000 7.625% Senior Secured Notes due 2021; and
- 78.28% of the Existing Notes in aggregate (notionally converted to EUR in accordance with the Lock-Up Agreement).

Revised Lock-Up Agreement

As referred to in the Announcement, Codere intends to issue EUR 85,000,000 of notes (the "**Interim Notes**") as soon as possible, and in any event by no later than 28 July 2020, to provide additional liquidity needed for implementation of the Transaction. Codere remains engaged in productive discussions with an ad hoc group of its Existing Noteholders, and the lenders under its revolving credit facility, with a view to finalising the documentation needed for the Interim Notes to be issued.

In order to provide further time to conclude those discussions, the Company, the Super Majority Consenting Noteholders and the NSSN Underwriters (each as defined in the Original Lock-Up Agreement) consented to certain amendments to the Original Lock-Up Agreement, including amendments and extensions to:

- the definition of the "Lock-Up Date" to the earlier of (i) 23 July 2020 and (ii) the date on which all of the Lock-Up Date Conditions have been satisfied or waived; and
- the definition of the "Interim Funding Date" to the earlier of (i) 28 July 2020 and (ii) the Business Day which is four Business Days after the Lock-Up Date.

Certain of those consents were provided after the Lock-Up Date (as defined in the Original Lock-Up Agreement) and so it has been necessary to enter into a revised lock-up agreement (the "**Revised Lock-Up Agreement**") (attached hereto) in place of the Original Lock-Up Agreement, reflecting those amendments and certain other consequential and ancillary changes. All of the original parties to the Original Lock-Up Agreement have entered into the Revised Lock-Up Agreement.

The Company's information agent will shortly be contacting all other Existing Noteholders who have acceded to the Original Lock-Up Agreement to request that they also accede to the Revised Lock-Up Agreement.

Consent Fees

Existing Noteholders who (i) had acceded to the Original Lock-Up Agreement prior to 4.00 pm (London time) on 20 July 2020; and (ii) accede to the Revised Lock-Up Agreement prior to 4.00 pm (London time) on the Lock-Up Date (as defined in the Revised Lock-Up Agreement) will be eligible to receive an "**Early Bird Consent Fee**" equal to a pro rata share of 0.5% of the principal amount of the Existing Notes.

Existing Noteholders who accede to the Revised Lock-Up Agreement prior to 4.00 pm (London time) on 27 July 2020 will also be eligible to receive a "**Consent Fee**" equal to a pro rata share of 0.5% of the principal amount of the Existing Notes.

For the avoidance of doubt, an Existing Noteholder may be eligible to receive both the Early Bird Consent Fee and the Consent Fee. These consent fees replace any and all consent fees which may have been payable under the Original Lock-Up Agreement.

AMENDMENTS TO THE SENIOR SECURED NOTES – TERM SHEET

Set forth below is a summary of the principal terms of the proposed amendments to the €500 million 6.750% Senior Secured Notes due 2021 (the “**Euro Notes**”) and \$300 million 7.625% Senior Secured Notes due 2021 (the “**Dollar Notes**”) issued by the Issuer (as defined below) (together, the “**Notes**”) that certain existing holders of the Notes representing approximately 55% of the Notes (the “**Ad Hoc Group**”) may be prepared to support, subject to the paragraph immediately below.

This is an indicative commercial term sheet for discussion purposes only and is not legally binding. It does not constitute and should not be construed as a commitment or offer by, nor does it impose any legal obligation or duty on, any member of the Ad Hoc Group or any other person. The terms set out in this term sheet are subject to further consideration, due diligence and internal approvals, and are provided solely for information and discussion purposes. The matters set out in this term sheet are summary terms only and are not intended to include all the terms and conditions which will be set out in full in the final documentation. This proposal has been prepared on the basis that no further equity support will be provided at this time by the shareholders of the Parent.

All capitalized terms used but not defined herein shall have the meanings given to them in the indenture dated November 8, 2016, as supplemented by the first supplemental indenture dated September 20, 2017 (the “**Existing Indenture**”).

Issuer:	Codere Finance 2 (Luxembourg) S.A., a <i>société anonyme</i> incorporated under the laws of Luxembourg and a wholly-owned subsidiary of the Parent (as defined below) (the “ Issuer ”)
Parent:	Codere S.A., a <i>sociedad anónima</i> incorporated under the laws of Spain (the “ Parent ”)
Trustee and Security Agent:	GLAS Trust Corporation Limited (“ GLAS ”)
Paying Agent:	Banco Bilbao Vizcaya Argentaria, S.A.
Solicitation Agent and Tabulation Agent:	GLAS Specialist Services Limited
Purpose:	The purpose of the proposed amendments is to extend the maturity date under the Notes, amend certain terms of the Notes to allow the incurrence of an incremental amount of new liquidity financing on a super senior basis on the terms set out below (the “ New Super Senior Notes ”), and amend certain other terms of the Notes as further described below (collectively, the “ Notes Amendments ”).
Documentation:	All documentation, including all documents with respect to the Notes (including the supplemental indenture and relevant security documents), and all other relevant documentation, including in relation to implementation (including any court

	filings), to be consistent with this term sheet and otherwise reasonably acceptable to the Issuer and the Trustee.
Implementation:	Extension of the Notes expected to be implemented through an English scheme of arrangement or consent solicitation.
Notes Amendments	
Conditions to support:	For the avoidance of doubt, the willingness of the Ad Hoc Group to support the Notes Amendments is subject to the Parent's agreement to the provision of the New Super Senior Notes by the Ad Hoc Group on the terms set out below.
Maturity Date:	The maturity date will be extended from November 1, 2021 to November 1, 2023 (the " Extended Maturity Date ").

To include without limitation an absolute restriction on any dividends, payments or other value transfers to any direct or indirect shareholder, other than by virtue of their holding of any Notes or any New Super Senior Notes.
Liquidity Covenant:	Addition of a liquidity covenant, requiring minimum €40 million (cash, cash equivalents and undrawn committed financing), tested monthly from Effective Time (assuming simultaneous

	with provision of Second Tranche New Super Senior Notes) unless (i) the Consolidated Net Leverage Ratio is below 3.0x or (ii) the credit rating of the Notes is at B- / B3 or higher. In the event that the liquidity covenant is breached on a determination date, the Issuer will notify the trustee in writing within 10 days from the determination date. Breach of the liquidity covenant will only constitute an Event of Default 30 days after the relevant determination date if otherwise not cured. Whilst the New Super Senior Notes remain outstanding, the Notes' Liquidity Covenant will be deemed waived or amended to the extent the New Super Senior Notes' Liquidity Covenant is waived or amended.
Intercreditor Agreement:	To be amended such that the New Super Senior Notes will constitute Super Senior Credit Participations and Super Senior Liabilities and the holders of the New Super Senior Notes will constitute Super Senior Creditors.
Additional Guarantors:	Additional guarantors, if any, to be confirmed following diligence.

The Work Fee will be paid free and clear of withholding taxes.

PRIMERO.- Aprobación, a los efectos de lo dispuesto en el artículo 160.f) de la Ley de Sociedades de Capital, del otorgamiento de garantías reales relativas a determinadas operaciones de financiación.

En el contexto de la refinanciación de ciertas operaciones de financiación concedidas a Codere, S.A. (la "**Sociedad**") y a otras entidades del Grupo Codere (el "**Grupo**"), y en particular, la emisión por Codere Finance 2 (Luxembourg) S.A. (el "**Emisor**") de nuevos bonos *super senior* garantizados por importe de hasta 250.000.000 de Euros, con vencimiento el 30 de septiembre de 2023, en virtud de dos tramos:

- (i) un primer tramo por importe de 85.000.000 de Euros, con tipo de interés efectivo del 12,75% hasta la implementación de determinadas modificaciones a los Bonos Existentes y del 10,75% con posterioridad a la implementación de determinadas modificaciones a los Bonos Existentes, a emitir no más tarde del 15 de agosto de 2020 (y que puede haber sido emitido a la fecha de la presente Junta General Extraordinaria); y
- (ii) un segundo tramo por importe de 165.000.000 de Euros, con tipo de interés efectivo del 10,75%, a emitir, sujeto al cumplimiento de determinadas condiciones, con motivo de la implementación de determinadas modificaciones a los Bonos Existentes,

PROPOSAL OF RESOLUTIONS TO THE EXTRAORDINARY GENERAL MEETING OF CODERE, S.A., TO BE HELD AT FIRST CALL ON ■ JULY 2020, OR AT SECOND CALL ON ■ JULY 2020.

FIRST.- Approval, in connection with the provisions set forth in Article 160.f) of the Spanish Companies Law, of the granting of security interests related to certain financing transactions.

In the context of the refinancing of certain financing transactions granted to Codere, S.A. (the "**Company**") and to other entities belonging to the Codere Group (the "**Group**") and, in particular, the issuance by Codere Finance 2 (Luxembourg), S.A. (the "**Issuer**") of up to €250,000,000 super senior secured notes due 30 September 2023 (the "**New Notes**"), by means of two tranches:

- (a) a first tranche, for an amount of €85,000,000, at an effective interest rate of 12,75% until the implementation of certain amendments in the Existing Notes, and of 10,75%, after said implementation to be issued by no later than 15 August 2020 (and which might have been issued at the date of the Extraordinary General Meeting); and
- (b) a second tranche, for an amount of €165,000,000, at an effective interest rate of 10,75%, to be issued, subject to the satisfaction of certain conditions, upon implementation of certain amendments of the Existing Notes (as this term is defined below)

and to which the Company is party as Parent Guarantor, it is intended that the Company grants certain security interests (among them, without limitation, a pledge over the shares in Codere Luxembourg 1 S.à r.l. and over the credit rights arising from any intragroup loans) in favour of the creditors of the New Notes and/or their agents or representatives.

For the purposes of Article 160.f) of the Spanish Companies Law, the General Meeting agrees to expressly authorise the execution of the security interests required in relation to the New Notes (among them, without limitation, a pledge over the shares in Codere Luxembourg 1 S.à r.l. and over the credit rights arising from any intragroup loans). Such authorisation is also extended to any security interest that have been or are to be indirectly granted by any subsidiary of the Company in connection with the New Notes (among them, without limitation, pledges over the shares or stakes in any of the indirect subsidiaries of the Company and over the credit rights arising from any intragroup loans).

In the framework of the referred refinancing transaction, if the requisite support from existing noteholders is obtained, certain amendments will be made to the terms and conditions of the issuances of € 500,000,000 6.750% senior secured notes due 1 November 2021 and US\$300,000,000 7.625% senior secured notes due 1 November 2021, both issued on 8 November 2016 by the Issuer and to which the Company is party as Parent Guarantor (the "**Existing Notes**"). Accordingly, the General Meeting confirms the authorisation given by the Extraordinary General Meeting of the Company held on 15 December 2016 for the purposes of Article 160.f) of the Spanish Companies Act (*Ley de Sociedades de Capital*) in connection with the security interests granted by the Company, or indirectly by any of its subsidiaries, as security

of the Existing Notes, among them, without limitation, a pledge over the shares in Codere Luxembourg 1 S.à r.l. and over the credit rights arising from any intragroup loans (the "**Existing Security Interests**").

Additionally, the General Meeting authorises the Board of Directors of the Company, including the granting of powers of attorney with express powers of substitution, delegation, sub-delegation and expressly allowing self-contracting, double or multiple representation and/or a situation in which a conflict of interest exists, or may arise, on the person or persons deemed convenient, to carry out as many acts and formalities as convenient or necessary for the purposes of granting the required security interests in relation to the New Notes or the performance of any other acts related to the Existing Security Interests, including without limitation, the amendment of the principal amount, the interest rate, the term or other terms and conditions of the Existing Notes and the New Notes in accordance with the final agreement reached with the holders of the New Notes, the execution in Spain or abroad of any public or private document required to execute the aforementioned security interests or confirm the validity of any existing security interests.

SECOND.- Delegation of faculties to formalise, interpret, rectify and execute the resolutions adopted by the Extraordinary General Meeting.

The General Meeting empowers each member of the Board of Directors, the Secretary and the Vice-Secretary of the Board of Directors, in the broadest possible terms, so any of them, indistinctly and severally, may carry out as many formalities and acts as necessary and may approve as many actions as needed to the execution and performance of the adopted resolutions, including the publication of any mandatory announcement, acting before a Notary Public for the purposes of raising these resolutions to the status of public document and, in such case, rectifying the errors in the formalising of such resolutions following the written or oral qualification of the Mercantile Registry, carrying out as many acts as necessary for the inscription of the adopted resolutions in the Mercantile Registry, if necessary.
